- 201 applicant wishes to demonstrate.
- 202 (7) After an application is filed, the regulatory relief office:
- 203 (a) shall classify the application and any related information provided by the applicant
- 204 as a protected record in accordance with Subsection [63G-2-305](#)(82);
- 205 (b) consult with each applicable government agency that regulates the applicant's
- 206 business regarding whether more information is needed from the applicant; and

- 208 determines is necessary.
- 209 (8) No later than five business days after the day on which a complete application is
- 210 received by the regulatory relief office, the regulatory relief office shall:
- 211 (a) review the application and refer the application to each applicable government
- 212 agency that regulates the applicant's business; and
- 213 (b) provide to the applicant:

227 granted.
- 228 (ii) The applicable agency may only request one extension per application.
- 229 (d) If the applicable agency recommends an applicant under this section be denied
230 entrance into the regulatory sandbox, the written report shall include a description of the
231 reasons for the recommendation, including why a temporary waiver or suspension of the
232 relevant laws or regulations would potentially significantly harm the health, safety, or financial
233 well-being of consumers or the public and the likelihood of such harm occurring.
- 234 (e) If the agency determines that the consumer's or public's health, safety, or financial
235 well-being can be protected through less restrictive means than the existing relevant laws or
236 regulations, then the applicable agency shall provide a recommendation of how that can be
237 achieved.
- 238 (f) If an applicable agency fails to deliver a written report as described in this
239 Subsection (9), the director shall assume that the applicable agency does not object to the
240 temporary waiver or suspension of the relevant laws or regulations for an applicant seeking to
241 participate in the regulatory sandbox.
- 242 (g) Notwithstanding any other provision of this section, an applicable agency may by
243 written notice to the regulatory relief office:
- 244 (i) within the 30 days after the day on which the applicable agency receives a complete

application for review, or within 35 days if an extension has been requested by the applicable agency, reject an application if the applicable agency determines, in the applicable agency's sole discretion, that the applicant's innovative offering fails to comply with standards or specifications:

(A) required by federal law or regulation; or

(B) previously approved for use by a federal agency; or

(ii) reject an application preliminarily approved by the regulatory relief office, if the applicable agency:

(A) recommended rejection of the application in accordance with Subsection (9)(d) in the agency's written report; and

(B) provides in the written notice under this Subsection (9)(g), a description of the applicable agency's reasons why approval of the application would create a substantial risk of harm to the health or safety of the public, or create unreasonable expenses for taxpayers in the state.

(h) If an applicable agency rejects an application under Subsection (9)(g), the regulatory relief office may not approve the application.

(10) (a) Upon receiving a written report described in Subsection (9), the director shall provide the application and the written report to the advisory committee.

(b) The director may call the advisory committee to meet as needed, but not less than once per quarter if applications are available for review.

(c) After receiving and reviewing the application and each written report, the advisory committee shall provide to the director the advisory committee's recommendation as to whether or not the applicant should be admitted as a sandbox participant under this chapter.

(d) As part of the advisory committee's review of each written report, the advisory committee shall use the criteria required for an applicable agency as described in Subsection (9).

(11) (a) In reviewing an application and each applicable agency's written report, the regulatory relief office shall consult with each applicable agency and the advisory committee before admitting an applicant into the regulatory sandbox.

(b) The consultation with each applicable agency and the consultation with the advisory committee may include seeking information about whether:

(i) the applicable agency has previously issued a license or other authorization to the applicant; and

(ii) the applicable agency has previously investigated, sanctioned, or pursued legal action against the applicant.

(12) In reviewing an application under this section, the regulatory relief office and each applicable agency shall consider whether a competitor to the applicant is or has been a sandbox participant and, if so, weigh that as a factor in favor of allowing the applicant to also become a sandbox participant.

(13) In reviewing an application under this section, the regulatory relief office shall consider whether:

(a) the applicant's plan will adequately protect consumers from potential harm identified by an applicable agency in the applicable agency's written report;

(b) the risk of harm to consumers is outweighed by the potential benefits to consumers from the applicant's participation in the regulatory sandbox; and

(c) certain state laws or regulations that regulate an innovative offering should not be waived or suspended even if the applicant is approved as a sandbox participant, including applicable antifraud or disclosure provisions.

(14) (a) An applicant becomes a sandbox participant if the regulatory relief office approves the application for the regulatory sandbox and enters into a written agreement with the applicant describing the specific laws and regulations that are waived or suspended as part of participation in the regulatory sandbox.

(b) Notwithstanding any other provision of this chapter, the regulatory relief office may not enter into a written agreement with an applicant that waives or suspends a tax, fee, or charge that is administered by the State Tax Commission or that is described in Title 59, Revenue and Taxation.

(15) (a) The director may deny at the director's sole discretion any application submitted under this section for any reason, including if the director determines that the preponderance of evidence demonstrates that suspending or waiving enforcement of a law or regulation would cause a significant risk of harm to consumers or residents of the state.

(b) If the director denies an application submitted under this section, the regulatory relief office shall provide to the applicant a written description of the reasons for not allowing

the applicant to be a sandbox participant.

(c) The denial of an application submitted under this section is not subject to:

(i) agency or judicial review; or

(ii) the provisions of Title 63G, Chapter 4, Administrative Procedures Act.

(16) The director shall deny an application for participation in the regulatory sandbox described by this section if~~[(a) the director determines that the applicant should instead apply for the Regulatory Sandbox Program created in Section 13-55-103 for a financial product or service or the Insurance Regulatory Sandbox Program created in Section 31A-47-103 for an insurance product or service; or (b)]~~ the applicant or any person who seeks to participate with the applicant in demonstrating an innovative offering has been convicted, entered a plea of nolo contendere, or entered a plea of guilty or nolo contendere held in abeyance, for any crime involving significant theft, fraud, or dishonesty if the crime bears a significant relationship to the applicant's or other participant's ability to safely and competently participate in the regulatory sandbox program.

(17) When an applicant is approved for participation in the regulatory sandbox, the director may provide notice of the approval to competitors of the applicant and to the public.

Section 4. Section **63N-16-202** is amended to read:

63N-16-202. Scope of the regulatory sandbox.

(2) An innovative offering that is demonstrated within the regulatory sandbox is subject to the following:

(a) each consumer shall be a resident of the state; and

(b) no law or regulation may be waived or suspended if waiving or suspending the law or regulation would prevent a consumer from seeking restitution in the event that the consumer is harmed.

(3) This part does not restrict a sandbox participant who holds a license or other authorization in another jurisdiction from acting in accordance with that license or other authorization.

(4) A sandbox participant is deemed to possess an appropriate license or other

(ii) occurs during the demonstration period.

(6) Notwithstanding any other provision of this part, a sandbox participant does not have immunity related to any criminal offense committed during the sandbox participant's participation in the regulatory sandbox.

(7) By written notice, the regulatory relief office may end a sandbox participant's participation in the regulatory sandbox at any time and for any reason, including if the director determines that a sandbox participant is not operating in good faith to bring an innovative offering to market.

(8) The regulatory relief office and the regulatory relief office's employees are not liable for any business losses or the recouping of application expenses or other expenses related to the regulatory sandbox, including for:

(a) denying an applicant's application to participate in the regulatory sandbox for any reason; or

(b) ending a sandbox participant's participation in the regulatory sandbox at any time and for any reason.

Section 5. Section **63N-16-203** is amended to read:

(b) that the innovative offering is authorized pursuant to the regulatory sandbox and, if applicable, that the sandbox participant does not have a license or other authorization to provide an offering under state laws that regulate offerings outside of the regulatory sandbox;

(c) that the innovative offering is undergoing testing and may not function as intended and may expose the consumer to certain risks as identified by the applicable agency's written report;

(d) that the provider of the innovative offering is not immune from civil liability for any losses or damages caused by the innovative offering;

(e) that the provider of the innovative offering is not immune from criminal prosecution for violations of state law or regulations that are not suspended or waived as allowed by the regulatory sandbox;

(2) The disclosures required by Subsection (1) shall be provided to a consumer in a clear and conspicuous form and, for an Internet or application-based innovative offering, a consumer shall acknowledge receipt of the disclosure before any transaction may be completed.

(3) The regulatory relief office may require that a sandbox participant make additional disclosures to a consumer.

Section 6. Section **63N-16-204** is amended to read:

63N-16-204. Requirements for exiting regulatory sandbox.

(1) At least 30 days before the end of the 12-month regulatory sandbox demonstration period, a sandbox participant shall:

(a) notify the regulatory relief office that the sandbox participant will exit the regulatory sandbox and discontinue the sandbox participant's demonstration after the day on which the 12-month demonstration period ends; or

(b) seek an extension in accordance with Section 63N-16-205.

(2) Subject to Subsection (3), if the regulatory relief office does not receive notification as required by Subsection (1), the regulatory sandbox demonstration period ends at the end of the 12-month testing period.

(3) The regulatory relief office shall establish quarterly reporting requirements for a sandbox participant, including information about any consumer complaints.

(4) The regulatory relief office may request records, documents, and data from a sandbox participant and, upon the regulatory relief office's request, the sandbox participant shall make such records, documents, and data available for inspection by the regulatory relief office.

(5) (a) The sandbox participant shall notify the regulatory relief office and each applicable agency of any incidents that result in harm to the health, safety, or financial well-being of a consumer.

(b) If a sandbox participant fails to notify the regulatory relief office and each applicable agency of any incidents as described in Subsection (5)(a), or the regulatory relief office or an applicable agency has evidence that significant harm to a consumer has occurred,

the regulatory relief office may immediately remove the sandbox participant from the regulatory sandbox.

(6) (a) No later than 30 days after the day on which a sandbox participant exits the regulatory sandbox, the sandbox participant shall submit a written report to the regulatory relief office and each applicable agency describing an overview of the sandbox participant's demonstration, including any:
