7 **LONG TITLE**

8 **General Description:**

9                   This bill amends provisions related to state vehicle use and purchasing.

10 **Highlighted Provisions:**

11                   This bill:

12                   ▶ directs the Division of Fleet Operations (division) to annually review the use of  
13 state vehicles;

14                   ▶ when prudent, requires the division to replace a state vehicle with a low or zero  
15 emissions vehicle; and

16                   ▶ prioritizes certain low or zero emissions vehicles to replace state vehicles.

17 **Money Appropriated in this Bill:**

18                   None

19 **Other Special Clauses:**

20                   None

21 **Utah Code Sections Affected:**

22 **REPEALS AND REENACTS:**

23                   **63A-9-403**, as enacted by Laws of Utah 2014, Chapter 190

24 

---

25 *Be it enacted by the Legislature of the state of Utah:*

26                   Section 1. Section **63A-9-403** is repealed and reenacted to read:

27                   **63A-9-403.** **Review of state vehicle use -- Replacement.**

- 28           (1) The division shall annually review the use of all state vehicles to:  
29           (a) reallocate underutilized state vehicles;  
30           (b) remove unnecessary state vehicles; and  
31           (c) assign new or replacement state vehicles to an agency.  
32           (2) In consultation with the agency using the state vehicle, the division shall, when  
33 prudent, replace a state vehicle with one of the following low or zero emissions vehicles, in the  
34 following order of priority:  
35           (a) a fully electric vehicle;  
36           (b) a plug-in hybrid vehicle;  
37           (c) any other alternative fuel vehicle; or  
38           (d) the most reasonable traditional fuel vehicle available.
