20 *Be it resolved by the Legislature of the state of Utah, the Governor concurring therein:*

21           WHEREAS, an Interlocal Cooperation Agreement (Agreement) establishing the Jordan  
22 River Commission was created in 2010 and has been subject to modification;

23           WHEREAS, the Agreement is amongst state agencies, political subdivisions, including  
24 the Department of Natural Resources, the Department of Environmental Quality, the Utah  
25 Transit Authority, the Jordan Valley Water Conservancy District, Davis County, Salt Lake  
26 County, and municipalities located within the Jordan River watershed, and other interested  
27 governmental and nongovernmental parties;

28 WHEREAS, the state is a party to ongoing dialogue and involvement in the Jordan  
29 River's future and development, and is at the forefront of input and planning;

30 WHEREAS, the Agreement allows for the addition of state agencies into the Jordan  
31 River Commission;

32 WHEREAS, the Agreement also provides that a state agency may withdraw from the  
33 Jordan River Commission after proper notice of intent to withdraw;

34 WHEREAS, the Department of Transportation has expertise that would prove valuable  
35 to the Jordan River Commission with state highways running over or adjacent to the Jordan  
36 River;

37 WHEREAS, examples of issues where the Jordan River Commission can benefit from  
38 cooperation with the Department of Transportation include, as funding allows:

39 (1) having the Department of Transportation post by no later than July 1, 2024,  
40 consistent and attractive signs where a highway that is designated as a state highway under  
41 Title 72, Chapter 4, Designation of State Highways Act, crosses the Jordan River;

42 (2) developing methods to provide and improve pedestrian and bicycle access from  
43 state highways, not including freeways, to the trails along the Jordan River, vehicular access to  
44 trailheads, and directional and way-finding signage;

45 (3) developing methods to improve water quality and pollution prevention from storm  
46 water flowing off state highways directly into the Jordan River, which may contain litter and  
47 debris, chemicals, sediment, and organic matter detrimental to the Jordan River; and

48 (4) developing and implementing other shared goals of the Department of  
49 Transportation and the Jordan River Commission;

50 WHEREAS, the Jordan River Commission currently includes a governing board and  
51 provides for technical advisory committees on which a representative of the Department of  
52 Transportation may participate once made a member of the Jordan River Commission; and

53 WHEREAS, the Department of Transportation may provide support to the Jordan River  
54 Commission through financial or in-kind contributions:

55 NOW, THEREFORE, BE IT RESOLVED that the Legislature of the state of Utah, the  
56 Governor concurring therein, gives approval to the Department of Transportation to enter into  
57 the Agreement with the Jordan River Commission.

58 BE IT FURTHER RESOLVED that copies of this resolution be sent to the Jordan River

59 Commission and the Department of Transportation.
