Be it enacted by the Legislature of the state of Utah:

Section 1. Section **4-2-801** is enacted to read:

Part 8. Cosmetics

4-2-801. Regulation of cosmetics -- Good manufacturing practices.

(1) As used in this section:

(a) "Cosmetic" means the same as that term is defined in 21 U.S.C. Sec. 321.

(b) "Good manufacturing practices" means the current good manufacturing practices described in the United States Food and Drug Administration's Guidance for Industry: Cosmetic Good Manufacturing Practices.

(c) "ISO 22716 certificate" means a certificate from an external certification body that certifies that the certificate holder is in compliance with the guidelines for cosmetics described in the current version of the International Organization for Standardization's ISO 22716:2007.

(d) "Manufacture" means to make, for sale, a cosmetic product by chemical, physical, biological, or other procedures, including manipulation, sampling, testing, or control procedures applied to the cosmetic product.

(2) (a) In accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, and consistent with this section, the department shall make and enforce rules for the manufacture, sale, and distribution of cosmetics, including rules establishing:

(i) the criteria for receiving a good manufacturing practices certificate, in accordance with Subsection (4); and

(ii) the process to apply for and receive a good manufacturing practices certificate under this section.

(b) Rules made pursuant to this section may not be more stringent than those established by federal law.

(3) The department shall establish and operate a program for issuing good manufacturing practices certificates for cosmetics.

(4) The good manufacturing practices certification program shall provide for the issuance of a certificate to an applicant if:

(a) (i) the applicant submits an application to the department that requests an inspection of the applicant's manufacturing facility; and

59 (ii) the department inspects the applicant's manufacturing facility and determines that
60 the applicant is in compliance with good manufacturing practices; or

61 (b) the applicant submits an application to the department and provides the department
62 with an acceptable ISO 22716 certificate.

63 (5) (a) The department may not conduct an inspection under Subsection (4)(a) except
64 at the request of an applicant.

65 (b) The department shall complete an inspection under Subsection (4)(a) within 28
66 days after the day on which an applicant requests the inspection in connection with a completed
67 application for a good manufacturing practices certificate.

68 (6) (a) In accordance with Section 63J-1-504, the department shall adopt a schedule of
69 fees to cover the department's costs of conducting inspections under Subsection (4)(a).

70 (b) Notwithstanding Section 63J-1-504, the department shall retain the fees as
71 dedicated credits and may only use the fees to conduct inspections under Subsection (4)(a).

72 (7) A good manufacturing practices certificate issued under this section shall specify
73 the certificate issuance date and expiration date.

74 Section 2. Section **26-1-23.5** is amended to read:

75 **26-1-23.5. Rules for sale of drugs and medical devices.**

76 The department shall establish and enforce rules for the sale or distribution of human
77 drugs[~~, cosmetics,~~] and medical devices. The rules adopted under this section shall be no more
78 stringent than those established by federal law.
