53G-5-404, as last amended by Laws of Utah 2021, Chapter 324

Be it enacted by the Legislature of the state of Utah:

28 Section 1. Section **53G-4-402** is amended to read:

29 **53G-4-402. Powers and duties generally.**

30 (1) A local school board shall:

31 (a) implement the core standards for Utah public schools using instructional materials
32 that best correlate to the core standards for Utah public schools and graduation requirements;

33 (b) administer tests, required by the state board, which measure the progress of each
34 student, and coordinate with the state superintendent and state board to assess results and create
35 plans to improve the student's progress, which shall be submitted to the state board for
36 approval;

37 (c) use progress-based assessments as part of a plan to identify schools, teachers, and
38 students that need remediation and determine the type and amount of federal, state, and local
39 resources to implement remediation;

40 (d) for each grading period and for each course in which a student is enrolled, issue a
41 grade or performance report to the student:

42 (i) that reflects the student's work, including the student's progress based on mastery,
43 for the grading period; and

44 (ii) in accordance with the local school board's adopted grading or performance
45 standards and criteria;

46 (e) develop early warning systems for students or classes failing to make progress;

47 (f) work with the state board to establish a library of documented best practices,
48 consistent with state and federal regulations, for use by the local districts;

49 (g) implement training programs for school administrators, including basic
50 management training, best practices in instructional methods, budget training, staff
51 management, managing for learning results and continuous improvement, and how to help
52 every child achieve optimal learning in basic academic subjects; and

53 (h) ensure that the local school board meets the data collection and reporting standards
54 described in Section [53E-3-501](#).

55 (2) Local school boards shall spend Minimum School Program funds for programs and
56 activities for which the state board has established minimum standards or rules under Section
57 [53E-3-501](#).

58 (3) (a) A local school board may purchase, sell, and make improvements on school

59 sites, buildings, and equipment and construct, erect, and furnish school buildings.

60 (b) School sites or buildings may only be conveyed or sold on local school board
61 resolution affirmed by at least two-thirds of the members.

62 (4) (a) A local school board may participate in the joint construction or operation of a
63 school attended by children residing within the district and children residing in other districts
64 either within or outside the state.

65 (b) Any agreement for the joint operation or construction of a school shall:

66 (i) be signed by the president of the local school board of each participating district;

67 (ii) include a mutually agreed upon pro rata cost; and

68 (iii) be filed with the state board.

69 (5) A local school board may establish, locate, and maintain elementary, secondary,
70 and applied technology schools.

71 (6) Except as provided in Section [53E-3-905](#), a local school board may enroll children
72 in school who are at least five years old before September 2 of the year in which admission is
73 sought.

74 (7) A local school board may establish and support school libraries.

75 (8) A local school board may collect damages for the loss, injury, or destruction of
76 school property.

77 (9) A local school board may authorize guidance and counseling services for children
78 and their parents before, during, or following enrollment of the children in schools.

79 (10) (a) A local school board shall administer and implement federal educational
80 programs in accordance with Title 53E, Chapter 3, Part 8, Implementing Federal or National
81 Education Programs.

82 (b) Federal funds are not considered funds within the school district budget under
83 Chapter 7, Part 3, Budgets.

84 (11) (a) A local school board may organize school safety patrols and adopt policies
85 under which the patrols promote student safety.

86 (b) A student appointed to a safety patrol shall be at least 10 years old and have written
87 parental consent for the appointment.

88 (c) Safety patrol members may not direct vehicular traffic or be stationed in a portion
89 of a highway intended for vehicular traffic use.

90 (d) Liability may not attach to a school district, its employees, officers, or agents or to a
91 safety patrol member, a parent of a safety patrol member, or an authorized volunteer assisting
92 the program by virtue of the organization, maintenance, or operation of a school safety patrol.

93 (12) (a) A local school board may on its own behalf, or on behalf of an educational
94 institution for which the local school board is the direct governing body, accept private grants,
95 loans, gifts, endowments, devises, or bequests that are made for educational purposes.

96 (b) These contributions are not subject to appropriation by the Legislature.

97 (13) (a) A local school board may appoint and fix the compensation of a compliance
98 officer to issue citations for violations of Subsection 76-10-105(2)(b).

99 (b) A person may not be appointed to serve as a compliance officer without the
100 person's consent.

101 (c) A teacher or student may not be appointed as a compliance officer.

102 (14) A local school board shall adopt bylaws and policies for the local school board's
103 own procedures.

104 (15) (a) A local school board shall make and enforce policies necessary for the control
105 and management of the district schools.

106 (b) Local school board policies shall be in writing, filed, and referenced for public
107 access.

108 (16) A local school board may hold school on legal holidays other than Sundays.

109 (17) (a) A local school board shall establish for each school year a school traffic safety
110 committee to implement this Subsection (17).

111 (b) The committee shall be composed of one representative of:

112 (i) the schools within the district;

113 (ii) the Parent Teachers' Association of the schools within the district;

114 (iii) the municipality or county;

115 (iv) state or local law enforcement; and

116 (v) state or local traffic safety engineering.

117 (c) The committee shall:

118 (i) receive suggestions from school community councils, parents, teachers, and others
119 and recommend school traffic safety improvements, boundary changes to enhance safety, and
120 school traffic safety program measures;

121 (ii) review and submit annually to the Department of Transportation and affected
122 municipalities and counties a child access routing plan for each elementary, middle, and junior
123 high school within the district;

124 (iii) consult the Utah Safety Council and the Division of Family Health Services and
125 provide training to all school children in kindergarten through grade 6, within the district, on
126 school crossing safety and use; and

127 (iv) help ensure the district's compliance with rules made by the Department of
128 Transportation under Section [41-6a-303](#).

129 (d) The committee may establish subcommittees as needed to assist in accomplishing
130 the committee's duties under Subsection (17)(c).

131 (18) (a) A local school board shall adopt and implement a comprehensive emergency
132 response plan to prevent and combat violence in the local school board's public schools, on
133 school grounds, on its school vehicles, and in connection with school-related activities or
134 events.

135 (b) The plan shall:

136 (i) include prevention, intervention, and response components;

137 (ii) be consistent with the student conduct and discipline policies required for school
138 districts under Chapter 11, Part 2, Miscellaneous Requirements;

139 (iii) require professional learning for all district and school building staff on what their
140 roles are in the emergency response plan;

141 (iv) provide for coordination with local law enforcement and other public safety
142 representatives in preventing, intervening, and responding to violence in the areas and activities
143 referred to in Subsection (18)(a); and

144 (v) include procedures to notify a student, to the extent practicable, who is off campus
145 at the time of a school violence emergency because the student is:

146 (A) participating in a school-related activity; or

147 (B) excused from school for a period of time during the regular school day to
148 participate in religious instruction at the request of the student's parent.

149 (c) The state board, through the state superintendent, shall develop comprehensive
150 emergency response plan models that local school boards may use, where appropriate, to
151 comply with Subsection (18)(a).

152 (d) A local school board shall, by July 1 of each year, certify to the state board that its
153 plan has been practiced at the school level and presented to and reviewed by its teachers,
154 administrators, students, and their parents and local law enforcement and public safety
155 representatives.

156 (19) (a) A local school board may adopt an emergency response plan for the treatment
157 of sports-related injuries that occur during school sports practices and events.

158 (b) The plan may be implemented by each secondary school in the district that has a
159 sports program for students.

160 (c) The plan may:

161 (i) include emergency personnel, emergency communication, and emergency
162 equipment components;

163 (ii) require professional learning on the emergency response plan for school personnel
164 who are involved in sports programs in the district's secondary schools; and

165 (iii) provide for coordination with individuals and agency representatives who:

166 (A) are not employees of the school district; and

167 (B) would be involved in providing emergency services to students injured while
168 participating in sports events.

169 (d) The local school board, in collaboration with the schools referred to in Subsection
170 (19)(b), may review the plan each year and make revisions when required to improve or
171 enhance the plan.

172 (e) The state board, through the state superintendent, shall provide local school boards
173 with an emergency plan response model that local school boards may use to comply with the
174 requirements of this Subsection (19).

175 (20) A local school board shall do all other things necessary for the maintenance,
176 prosperity, and success of the schools and the promotion of education.

177 (21) (a) Before closing a school or changing the boundaries of a school, a local school
178 board shall:

179 (i) at least 120 days before approving the school closure or school boundary change,
180 provide notice to the following that the local school board is considering the closure or
181 boundary change:

182 (A) parents of students enrolled in the school, using the same form of communication

183 the local school board regularly uses to communicate with parents;

184 (B) parents of students enrolled in other schools within the school district that may be
185 affected by the closure or boundary change, using the same form of communication the local
186 school board regularly uses to communicate with parents; and

187 (C) the governing council and the mayor of the municipality in which the school is
188 located;

189 (ii) provide an opportunity for public comment on the proposed school closure or
190 school boundary change during at least two public local school board meetings; and

191 (iii) hold a public hearing as defined in Section 10-9a-103 and provide public notice of
192 the public hearing as described in Subsection (21)(b).

193 (b) The notice of a public hearing required under Subsection (21)(a)(iii) shall:

194 (i) indicate the:

195 (A) school or schools under consideration for closure or boundary change; and

196 (B) the date, time, and location of the public hearing;

197 (ii) at least 10 days before the public hearing, be:

198 (A) published:

199 (I) in a newspaper of general circulation in the area; and

200 (II) on the Utah Public Notice Website created in Section 63A-16-601; and

201 (B) posted in at least three public locations within the municipality in which the school
202 is located on the school district's official website, and prominently at the school; and

203 (iii) at least 30 days before the public hearing described in Subsection (21)(a)(iii), be
204 provided as described in Subsections (21)(a)(i)(A), (B), and (C).

205 (22) A local school board may implement a facility energy efficiency program
206 established under Title 11, Chapter 44, Performance Efficiency Act.

207 (23) A local school board may establish or partner with a certified youth court in
208 accordance with Section 80-6-902 or establish or partner with a comparable restorative justice
209 program, in coordination with schools in that district. A school may refer a student to a youth
210 court or a comparable restorative justice program in accordance with Section 53G-8-211.

211 (24) A local school board shall:

212 (a) (i) make curriculum that the school district uses readily accessible and available for
213 a parent to view;

214 ~~[(b)]~~ (ii) annually notify a parent of a student enrolled in the school district of how to
215 access the information described in Subsection (24)(a)(i); and

216 ~~[(c)]~~ (iii) include on the school district's website information about how to access the
217 information described in Subsection ~~[(24)(a):]~~ (24)(a)(i);

218 (b) in selecting and approving instructional materials and curriculum resources for use
219 in the classroom:

220 (i) establish an open process, involving parents, to review and recommend resources
221 and materials for board approval; and

222 (ii) ensure that under the process described in Subsection (24)(b)(i), the board:

223 (A) posts recommendations online for a period of no less than 30 calendar days to
224 allow for public review;

225 (B) holds a public hearing on any recommendation, materials, or resources before
226 adopting the recommendation or approving the materials or resources that provides an
227 opportunity for parents to express views and opinions on the recommendations, materials, or
228 resources; and

229 (C) approves the materials or resources in an open and regular board meeting for which
230 prior notice is given to parents of students attending the school; and

231 (c) adopt a supplemental materials policy that provides guidance to educators on the
232 selection of materials or resources that the local school board has not approved under
233 Subsection (24)(b), including whether any process or permission is required before classroom
234 use of the materials or resources.

235 Section 2. Section **53G-5-404** is amended to read:

236 **53G-5-404. Requirements for charter schools.**

237 (1) A charter school shall be nonsectarian in its programs, admission policies,
238 employment practices, and operations.

239 (2) A charter school may not charge tuition or fees, except those fees normally charged
240 by other public schools.

241 (3) A charter school shall meet all applicable federal, state, and local health, safety, and
242 civil rights requirements.

243 (4) (a) A charter school shall:

244 (i) make the same annual reports required of other public schools under this public

245 education code, including an annual financial audit report described in Section 53G-4-404;
246 (ii) ensure that the charter school meets the data and reporting standards described in
247 Section 53E-3-501; and
248 (iii) use fund and program accounting methods and standardized account codes capable
249 of producing financial reports that comply with:
250 (A) generally accepted accounting principles;
251 (B) the financial reporting requirements applicable to LEAs established by the state
252 board under Section 53E-3-501; and
253 (C) accounting report standards established by the state auditor as described in Section
254 51-2a-301.
255 (b) Before, and as a condition for opening a charter school:
256 (i) a charter school shall:
257 (A) certify to the authorizer that the charter school's accounting methods meet the
258 requirements described in Subsection (4)(a)(iii); or
259 (B) if the authorizer requires, conduct a performance demonstration to verify that the
260 charter school's accounting methods meet the requirements described in Subsection (4)(a)(iii);
261 and
262 (ii) the authorizer shall certify to the state board that the charter school's accounting
263 methods meet the requirements described in Subsection (4)(a)(iii).
264 (c) A charter school shall file the charter school's annual financial audit report with the
265 Office of the State Auditor within six months of the end of the fiscal year.
266 (d) For the limited purpose of compliance with federal and state law governing use of
267 public education funds, including restricted funds, and making annual financial audit reports
268 under this section, a charter school is a government entity governed by the public education
269 code.
270 (5) (a) A charter school shall be accountable to the charter school's authorizer for
271 performance as provided in the school's charter agreement.
272 (b) To measure the performance of a charter school, an authorizer may use data
273 contained in:
274 (i) the charter school's annual financial audit report;
275 (ii) a report submitted by the charter school as required by statute; or

276 (iii) a report submitted by the charter school as required by its charter agreement.

277 (c) A charter school authorizer may not impose performance standards, except as
278 permitted by statute, that limit, infringe, or prohibit a charter school's ability to successfully
279 accomplish the purposes of charter schools as provided in Section 53G-5-104 or as otherwise
280 provided in law.

281 (6) A charter school may not advocate unlawful behavior.

282 (7) Except as provided in Section 53G-5-305, a charter school shall be organized and
283 managed under Title 16, Chapter 6a, Utah Revised Nonprofit Corporation Act, after its
284 authorization.

285 (8) A charter school shall provide adequate liability and other appropriate insurance,
286 including:

287 (a) general liability, errors and omissions, and directors and officers liability coverage
288 through completion of the closure of a charter school under Section 53G-5-504; and

289 (b) tail coverage or closeout insurance covering at least one year after closure of the
290 charter school.

291 (9) Beginning on July 1, 2014, a charter school, including a charter school that has not
292 yet opened, shall submit any lease, lease-purchase agreement, or other contract or agreement
293 relating to the charter school's facilities or financing of the charter school's facilities to the
294 school's authorizer and an attorney for review and advice before the charter school enters the
295 lease, agreement, or contract.

296 (10) A charter school may not employ an educator whose license is suspended or
297 revoked by the state board under Section 53E-6-604.

298 (11) (a) Each charter school shall register and maintain the charter school's registration
299 as a limited purpose entity, in accordance with Section 67-1a-15.

300 (b) A charter school that fails to comply with Subsection (11)(a) or Section 67-1a-15 is
301 subject to enforcement by the state auditor, in accordance with Section 67-3-1.

302 (c) If a charter school is an operating charter school with affiliated satellite charter
303 schools, as defined in Section 53G-5-303:

304 (i) the operating charter school shall register as a limited purpose entity as defined in
305 Section 67-1a-15;

306 (ii) each affiliated satellite charter school is not required to register separately from the

307 operating charter school; and

308 (iii) the operating charter school shall:

309 (A) register on behalf of each affiliated satellite charter school; and

310 (B) when submitting entity registry information under Section 67-1a-15 on behalf of
311 each affiliated satellite charter school, identify and distinguish registry information for each
312 affiliated satellite, including the address of each affiliated satellite charter school and the name
313 and contact information of a primary contact for each affiliated satellite charter school.

314 (12) (a) As used in this Subsection (12), "contracting entity" means a person with
315 which a charter school contracts.

316 (b) A charter school shall provide to the charter school's authorizer any information or
317 documents requested by the authorizer, including documents held by a subsidiary of the charter
318 school or a contracting entity:

319 (i) to confirm the charter school's compliance with state or federal law governing the
320 charter school's finances or governance; or

321 (ii) to carry out the authorizer's statutory obligations, including liquidation and
322 assignment of assets, and payment of debt in accordance with state board rule, as described in
323 Section 53G-5-504.

324 (c) A charter school shall comply with a request described in Subsection (12)(b),
325 including after an authorizer recommends closure of the charter school or terminates the charter
326 school's contract.

327 (d) Documents held by a contracting entity or subsidiary of a charter school that are
328 necessary to demonstrate the charter school's compliance with state or federal law are the
329 property of the charter school.

330 (e) A charter school shall include in an agreement with a subsidiary of the charter
331 school or a contracting entity a provision that stipulates that documents held by the subsidiary
332 or a contracting entity, that are necessary to demonstrate the charter school's financial
333 compliance with federal or state law, are the property of the charter school.

334 (13) For each grading period and for each course in which a student is enrolled, a
335 charter school shall issue a grade or performance report to the student:

336 (a) that reflects the student's work, including the student's progress based on mastery,
337 for the grading period; and

338 (b) in accordance with the charter school's adopted grading or performance standards
339 and criteria.

340 (14) A charter school shall:

341 (a) (i) make curriculum that the charter school uses readily accessible and available for
342 a parent to view;

343 ~~[(b)]~~ (ii) annually notify a parent of a student enrolled in the charter school of how to
344 access the information described in Subsection (14)(a)(i); and

345 ~~[(c)]~~ (iii) include on the charter school's website information about how to access the
346 information described in Subsection ~~[(14)(a):]~~ (14)(a)(i);

347 (b) in selecting and approving instructional materials and curriculum resources for use
348 in the classroom:

349 (i) establish an open process, involving parents, to review and recommend resources
350 and materials for board approval: and

351 (ii) ensure that under the process described in Subsection (14)(b)(i), the charter school
352 governing board:

353 (A) posts recommendations online for a period of no less than 30 calendar days to
354 allow for public review;

355 (B) holds a public hearing on any recommendation, materials, or resources before
356 adopting the recommendation or approving the materials or resources that provides an
357 opportunity for parents to express views and opinions on the recommendations, materials, or
358 resources; and

359 (C) approves the materials or resources in an open and regular board meeting for which
360 prior notice is given to parents of students attending the school; and

361 (c) adopt a supplemental materials policy that provides guidance to educators on the
362 selection of materials or resources that the charter school governing board has not approved
363 under Subsection (14)(b), including whether any process or permission is required before
364 classroom use of the materials or resources.
