509 **30-3-34.5. Supervised parent-time.**

510 (1) Considering the fundamental liberty interests of parents and children, it is the
511 policy of this state that divorcing parents have unrestricted and unsupervised access to their
512 children. When necessary to protect a child and no less restrictive means is reasonably
513 available however, a court may order supervised parent-time if the court finds evidence that the
514 child would be subject to physical or emotional harm or child abuse, as described in [Section
515 [76-5-109](#)] [Sections 76-5-109, 76-5-109.2, 76-5-109.3, and 76-5-114](#), from the noncustodial
516 parent if left unsupervised with the noncustodial parent.

517 (2) A court that orders supervised parent-time shall give preference to persons
518 suggested by the parties to supervise, including relatives. If the court finds that the persons
519 suggested by the parties are willing to supervise, and are capable of protecting the children
520 from physical or emotional harm, or child abuse, the court shall authorize the persons to
521 supervise parent-time.

522 (3) If the court is unable to authorize any persons to supervise parent-time pursuant to
523 Subsection (2), the court may require that the noncustodial parent seek the services of a

524 professional individual or agency to exercise their supervised parent-time.

525 (4) At the time supervised parent-time is imposed, the court shall consider:

526 (a) whether the cost of professional or agency services is likely to prevent the
527 noncustodial parent from exercising parent-time; and

528 (b) whether the requirement for supervised parent-time should expire after a set period
529 of time.

530 (5) The court shall, in its order for supervised parent-time, provide specific goals and
531 expectations for the noncustodial parent to accomplish before unsupervised parent-time may be
532 granted. The court shall schedule one or more follow-up hearings to revisit the issue of
533 supervised parent-time.

534 (6) A noncustodial parent may, at any time, petition the court to modify the order for
535 supervised parent-time if the noncustodial parent can demonstrate that the specific goals and
536 expectations set by the court in Subsection (5) have been accomplished.

537 Section 8. Section **30-5a-103** is amended to read:

538 **30-5a-103. Custody and visitation for individuals other than a parent.**

543 interests.

544 (2) A court may find the presumption in Subsection (1) rebutted and grant custodial or

549 parent-child type relationship;

550 (c) the individual substantially contributed emotionally or financially to the child's well
551 being;

552 (d) the assumption of the parental role is not the result of a financially compensated
553 surrogate care arrangement;

554 (e) the continuation of the relationship between the individual and the child is in the

555 child's best interest;

556 (f) the loss or cessation of the relationship between the individual and the child would
557 substantially harm the child; and

560 (ii) is found by a court to have abused or neglected the child.

561 (3) A proceeding under this chapter may be commenced by filing a verified petition, or

563 court in the county where the child:

580 (d) the guardian ad litem, if one has been appointed;

581 (e) an individual or agency that has physical custody of the child or that claims to have
582 custody or visitation rights; and

583 (f) any other individual or agency that has previously appeared in any action regarding
584 custody of or visitation with the child.

585 (8) The court may order a custody evaluation to be conducted in any action brought

586 under this chapter.

588 pending the entry of final orders.

589 (10) Except as provided in Subsection (11), a court may not grant custody of a child
590 under this section to an individual who is not the parent of the child and who, before a custody
591 order is issued, is convicted, pleads guilty, or pleads no contest to a felony or attempted felony
592 involving conduct that constitutes any of the following:

593 (a) child abuse, as described in [~~Section 76-5-109~~] Sections 76-5-109, 76-5-109.2,

608 listed in Subsection (10) that prevents a court from granting custody except as provided in this
609 Subsection (11).

610 (b) An individual described in Subsection (10) may only be considered for custody of a

623 time in the future when considering all of the following:

624 (A) the child's age;

625 (B) the child's gender;

627 (D) the nature and seriousness of the disqualifying offense;

637 (vii) (A) there is no other responsible relative known to the court who has or likely
638 could develop an emotional bond with the child and does not have a disqualifying offense; or

643 visitation if custody were given to the relative with no disqualifying offense described in
644 Subsection (11)(d).

645 (c) The individual with the disqualifying offense bears the burden of proof regarding
646 why placement with that individual is in the best interest of the child over another responsible
647 relative or equally situated individual who does not have a disqualifying offense.

648 (d) If, as provided in Subsection (11)(b)(vii)(B), there is a responsible relative known
649 to the court who does not have a disqualifying offense:

650 (i) preference for custody is given to a relative who does not have a disqualifying

1571 (ii) Imposition or execution of the sentence may not be suspended, and the person is
1572 not eligible for probation.

1573 (c) If the classification that would otherwise have been established would have been
1574 less than a first degree felony but for this Subsection (4), a person convicted under this

1586 violation of Subsection (4)(a)(ix).

1587 (e) It is not a defense to a prosecution under this Subsection (4) that:

1588 (i) the actor mistakenly believed the individual to be 18 years old or older at the time of
1589 the offense or was unaware of the individual's true age; or

1590 (ii) the actor mistakenly believed that the location where the act occurred was not as
1591 described in Subsection (4)(a) or was unaware that the location where the act occurred was as
1592 described in Subsection (4)(a).

1593 (5) A violation of this chapter for which no penalty is specified is a class B
1594 misdemeanor.

1595 (6) (a) For purposes of penalty enhancement under Subsections (1) and (2), a plea of
1596 guilty or no contest to a violation or attempted violation of this section or a plea which is held
1597 in abeyance under Title 77, Chapter 2a, Pleas in Abeyance, is the equivalent of a conviction,
1598 even if the charge has been subsequently reduced or dismissed in accordance with the plea in
1599 abeyance agreement.

1600 (b) A prior conviction used for a penalty enhancement under Subsection (2) shall be a
1601 conviction that is:

1602 (i) from a separate criminal episode than the current charge; and

1603 (ii) from a conviction that is separate from any other conviction used to enhance the
1604 current charge.

1608 of, a civil or administrative penalty or sanction authorized by law.

1609 (b) When a violation of this chapter violates a federal law or the law of another state,
1610 conviction or acquittal under federal law or the law of another state for the same act is a bar to
1611 prosecution in this state.

1612 (9) In any prosecution for a violation of this chapter, evidence or proof that shows a
1613 person or persons produced, manufactured, possessed, distributed, or dispensed a controlled
1614 substance or substances, is prima facie evidence that the person or persons did so with
1615 knowledge of the character of the substance or substances.

1616 (10) This section does not prohibit a veterinarian, in good faith and in the course of the
1617 veterinarian's professional practice only and not for humans, from prescribing, dispensing, or
1618 administering controlled substances or from causing the substances to be administered by an
1619 assistant or orderly under the veterinarian's direction and supervision.

1620 (11) Civil or criminal liability may not be imposed under this section on:

1625 employment.

1628 traditional ceremonial purposes in connection with the practice of a traditional Indian religion
1629 as defined in Section 58-37-2.

1630 (b) In a prosecution alleging violation of this section regarding peyote as defined in
1631 Section 58-37-4, it is an affirmative defense that the peyote was used, possessed, or transported
1632 by an Indian for bona fide traditional ceremonial purposes in connection with the practice of a
1633 traditional Indian religion.

1634 (c) (i) The defendant shall provide written notice of intent to claim an affirmative
1635 defense under this Subsection (12) as soon as practicable, but not later than 10 days before
1636 trial.

1637 (ii) The notice shall include the specific claims of the affirmative defense.

1638 (iii) The court may waive the notice requirement in the interest of justice for good
1639 cause shown, if the prosecutor is not unfairly prejudiced by the lack of timely notice.

1640 (d) The defendant shall establish the affirmative defense under this Subsection (12) by
1641 a preponderance of the evidence. If the defense is established, it is a complete defense to the
1642 charges.

1643 (13) (a) It is an affirmative defense that the person produced, possessed, or
1644 administered a controlled substance listed in Section 58-37-4.2 if the person was:

1645 (i) engaged in medical research; and

1646 (ii) a holder of a valid license to possess controlled substances under Section 58-37-6.

1647 (b) It is not a defense under Subsection (13)(a) that the person prescribed or dispensed
1648 a controlled substance listed in Section 58-37-4.2.

1649 (14) It is an affirmative defense that the person possessed, in the person's body, a
1650 controlled substance listed in Section 58-37-4.2 if:

1651 (a) the person was the subject of medical research conducted by a holder of a valid
1652 license to possess controlled substances under Section 58-37-6; and

1653 (b) the substance was administered to the person by the medical researcher.

1654 (15) The application of any increase in penalty under this section to a violation of
1655 Subsection (2)(a)(i) may not result in any greater penalty than a second degree felony. This
1656 Subsection (15) takes precedence over any conflicting provision of this section.

1657 (16) (a) It is an affirmative defense to an allegation of the commission of an offense
1658 listed in Subsection (16)(b) that the person or bystander:

1659 (i) reasonably believes that the person or another person is experiencing an overdose
1660 event due to the ingestion, injection, inhalation, or other introduction into the human body of a
1661 controlled substance or other substance;

1662 (ii) reports, or assists a person who reports, in good faith the overdose event to a
1663 medical provider, an emergency medical service provider as defined in Section 26-8a-102, a
1664 law enforcement officer, a 911 emergency call system, or an emergency dispatch system, or the
1665 person is the subject of a report made under this Subsection (16);

1666 (iii) provides in the report under Subsection (16)(a)(ii) a functional description of the
1667 actual location of the overdose event that facilitates responding to the person experiencing the
1668 overdose event;

1670 responding law enforcement officer or emergency medical service provider arrives, or remains

1671 at the medical care facility where the person experiencing an overdose event is located until a
1672 responding law enforcement officer arrives;

1673 (v) cooperates with the responding medical provider, emergency medical service
1674 provider, and law enforcement officer, including providing information regarding the person
1675 experiencing the overdose event and any substances the person may have injected, inhaled, or
1676 otherwise introduced into the person's body; and

1677 (vi) is alleged to have committed the offense in the same course of events from which
1678 the reported overdose arose.

1680 (i) the possession or use of less than 16 ounces of marijuana;

1681 (ii) the possession or use of a scheduled or listed controlled substance other than
1682 marijuana; and

1683 (iii) any violation of Chapter 37a, Utah Drug Paraphernalia Act, or Chapter 37b,
1684 Imitation Controlled Substances Act.

1685 (c) As used in this Subsection (16) and in Section 76-3-203.11, "good faith" does not
1686 include seeking medical assistance under this section during the course of a law enforcement
1687 agency's execution of a search warrant, execution of an arrest warrant, or other lawful search.

1688 (17) If any provision of this chapter, or the application of any provision to any person
1689 or circumstances, is held invalid, the remainder of this chapter shall be given effect without the
1690 invalid provision or application.

1691 (18) A legislative body of a political subdivision may not enact an ordinance that is
1692 less restrictive than any provision of this chapter.

1693 (19) If a minor who is under 18 years old is found by a court to have violated this
1694 section, the court may order the minor to complete:

1695 (a) a screening as defined in Section 41-6a-501;

1696 (b) an assessment as defined in Section 41-6a-501 if the screening indicates an
1697 assessment to be appropriate; and

2847 or any other benefit to a beneficiary designated in a governing instrument.

2848 (b) "Disqualifying homicide" means a homicide established by a preponderance of the

2849 evidence that meets the elements of any felony homicide offense in Title 76, Chapter 5,
2850 Offenses Against the ~~[Person]~~ Individual, except automobile homicide, applying the same
2851 principles of culpability and defenses as in Title 76, Utah Criminal Code, including but not
2852 limited to Chapter 2, Principles of Criminal Responsibility.

2853 (c) "Governing instrument" means a governing instrument executed by the decedent.

2854 (d) "Killer" means a person who commits a disqualifying homicide.

2855 (e) "Revocable," with respect to a disposition, appointment, provision, or nomination,
2856 means one under which the decedent, at the time of or immediately before death, was alone
2857 empowered, by law or under the governing instrument, to cancel the designation, in favor of
2858 the killer, whether or not the decedent was then empowered to designate himself in place of his
2859 killer and whether or not the decedent then had capacity to exercise the power.

2860 (2) An individual who commits a disqualifying homicide of the decedent forfeits all
2861 benefits under this chapter with respect to the decedent's estate, including an intestate share, an
2862 elective share, an omitted spouse's or child's share, a homestead allowance, exempt property,
2863 and a family allowance. If the decedent died intestate, the decedent's intestate estate passes as
2864 if the killer disclaimed his intestate share.

2865 (3) The killing of the decedent by means of a disqualifying homicide:

2866 (a) revokes any revocable:

2867 (i) disposition or appointment of property made by the decedent to the killer in a

2870 appointment on the killer; and

2871 (iii) nomination of the killer in a governing instrument, nominating or appointing the
2872 killer to serve in any fiduciary or representative capacity, including a personal representative,
2873 executor, trustee, or agent; and

2876 decedent and killer into tenancies in common.

2877 (4) A severance under Subsection (3)(b) does not affect any third-party interest in
2878 property acquired for value and in good faith reliance on an apparent title by survivorship in the
2879 killer unless a writing declaring the severance has been noted, registered, filed, or recorded in

2880 records appropriate to the kind and location of the property which are relied upon, in the
2881 ordinary course of transactions involving such property, as evidence of ownership.

2882 (5) Provisions of a governing instrument are given effect as if the killer disclaimed all

2884 representative capacity, as if the killer predeceased the decedent.

2885 (6) A wrongful acquisition of property or interest by one who kills another under
2886 circumstances not covered by this section shall be treated in accordance with the principle that
2887 one who kills cannot profit from his wrong.

2888 (7) The court, upon the petition of an interested person, shall determine whether, under
2889 the preponderance of evidence standard, the individual has committed a disqualifying homicide
2890 of the decedent. If the court determines that, under that standard, the individual has committed
2891 a disqualifying homicide of the decedent, the determination conclusively establishes that
2892 individual as having committed a disqualifying homicide for purposes of this section, unless
2893 the court finds that the act of disinheritance would create a manifest injustice. A judgment of
2894 criminal conviction for a disqualifying homicide of the decedent, after all direct appeals have
2895 been exhausted, conclusively establishes that the convicted individual has committed the
2896 disqualifying homicide for purposes of this section.

2897 (8) (a) A payor or other third party is not liable for having made a payment or

4201 (a) child sexual abuse is a crime that hurts the most vulnerable in our society and
4202 destroys lives;

4203 (b) research over the last 30 years has shown that it takes decades for children and
4204 adults to pull their lives back together and find the strength to face what happened to them;

4205 (c) often the abuse is compounded by the fact that the perpetrator is a member of the
4206 victim's family and when such abuse comes out, the victim is further stymied by the family's
4207 wish to avoid public embarrassment;

4208 (d) even when the abuse is not committed by a family member, the perpetrator is rarely
4209 a stranger and, if in a position of authority, often brings pressure to bear on the victim to ensure
4210 silence;

4211 (e) in 1992, when the Legislature enacted the statute of limitations requiring victims to
4212 sue within four years of majority, society did not understand the long-lasting effects of abuse

4213 on the victim and that it takes decades for the healing necessary for a victim to seek redress;

4214 (f) the Legislature, as the policy-maker for the state, may take into consideration
4215 advances in medical science and understanding in revisiting policies and laws shown to be
4216 harmful to the citizens of this state rather than beneficial; and

4217 (g) the Legislature has the authority to change old laws in the face of new information,

4227 sexual desire of any individual, touches the anus, buttocks, pubic area, or genitalia of any child,
4228 or the breast of a female child, or takes indecent liberties with a child as defined in Section
4229 ~~[76-5-416]~~ 76-5-401.1.

4230 (e) "Negligently" means a failure to act to prevent the child sexual abuse from further
4231 occurring or to report the child sexual abuse to law enforcement when the adult who could act
4232 knows or reasonably should know of the child sexual abuse and is the victim's parent,
4233 stepparent, adoptive parent, foster parent, legal guardian, ancestor, descendant, brother, sister,
4234 uncle, aunt, first cousin, nephew, niece, grandparent, stepgrandparent, or any individual
4235 cohabiting in the child's home.

4237 (g) "Sexual abuse" means acts or attempted acts of sexual intercourse, sodomy, or
4238 molestation by an adult directed towards a child.

4239 (h) "Victim" means an individual who was intentionally or negligently sexually abused.
4240 It does not include individuals whose claims are derived through another individual who was
4241 sexually abused.

4242 (3) (a) A victim may file a civil action against a perpetrator for intentional or negligent
4243 sexual abuse suffered as a child at any time.

4244 (b) A victim may file a civil action against a non-perpetrator for intentional or
4245 negligent sexual abuse suffered as a child:

4246 (i) within four years after the individual attains the age of 18 years; or

4247 (ii) if a victim discovers sexual abuse only after attaining the age of 18 years, that
4248 individual may bring a civil action for such sexual abuse within four years after discovery of
4249 the sexual abuse, whichever period expires later.

4250 (4) The victim need not establish which act in a series of continuing sexual abuse
4251 incidents caused the injury complained of, but may compute the date of discovery from the date
4252 of discovery of the last act by the same perpetrator which is part of a common scheme or plan
4253 of sexual abuse.

4254 (5) The knowledge of a custodial parent or guardian may not be imputed to an
4255 individual under the age of 18 years.

4256 (6) A civil action may be brought only against a living individual who:

4257 (a) intentionally perpetrated the sexual abuse;

4258 (b) would be criminally responsible for the sexual abuse in accordance with Section
4259 [76-2-202](#); or

4260 (c) negligently permitted the sexual abuse to occur.

4261 (7) A civil action against an individual described in Subsection (6)(a) or (b) for sexual
4262 abuse that was time barred as of July 1, 2016, may be brought within 35 years of the victim's
4263 18th birthday, or within three years of the effective date of this Subsection (7), whichever is
4264 longer.

4265 (8) A civil action may not be brought as provided in Subsection (7) for:

4266 (a) any claim that has been litigated to finality on the merits in a court of competent
4267 jurisdiction prior to July 1, 2016, however termination of a prior civil action on the basis of the
4268 expiration of the statute of limitations does not constitute a claim that has been litigated to
4269 finality on the merits; and

4270 (b) any claim where a written settlement agreement was entered into between a victim
4271 and a defendant or perpetrator, unless the settlement agreement was the result of fraud, duress,
4272 or unconscionability. There is a rebuttable presumption that a settlement agreement signed by
4273 the victim when the victim was not represented by an attorney admitted to practice law in this
4274 state at the time of the settlement was the result of fraud, duress, or unconscionability.

4275 Section 59. Section **78B-6-117** is amended to read:

4276 **78B-6-117. Who may adopt -- Adoption of minor.**

4288 family structure, when a child in the custody of the division is placed for adoption, the division
4289 or child-placing agency shall place the child with a married couple, unless:

4290 (a) there are no qualified married couples who:

4324 [~~(k)~~] (n) an offense in another state that, if committed in this state, would constitute an
4325 offense described in this Subsection (5).

4326 (6) (a) For purpose of this Subsection (6), "disqualifying offense" means an offense
4327 listed in Subsection (5) that prevents a court from considering an individual for adoption of a
4328 child except as provided in this Subsection (6).

4329 (b) An individual described in Subsection (5) may only be considered for adoption of a
4330 child if the following criteria are met by clear and convincing evidence:

4331 (i) at least 10 years have elapsed from the day on which the individual is successfully
4332 released from prison, jail, parole, or probation related to a disqualifying offense;

4333 (ii) during the 10 years before the day on which the individual files a petition with the

- 4352 (A) the relationship with the child is of long duration;
 - 4353 (B) that an emotional bond exists with the child; and
 - 4354 (C) that adoption by the individual who has committed the disqualifying offense
4355 ensures the best interests of the child are met; and
- 4356 (vi) the adoption is by:
- 4357 (A) a stepparent whose spouse is the adoptee's parent and consents to the adoption; or
 - 4358 (B) subject to Subsection (6)(d), a relative of the child as defined in Section 80-3-102

- 4360 (c) The individual with the disqualifying offense bears the burden of proof regarding
4361 why adoption with that individual is in the best interest of the child over another responsible
4362 relative or equally situated individual who does not have a disqualifying offense.
- 4363 (d) If there is an alternative responsible relative who does not have a disqualifying
4364 offense filing an adoption petition, the following applies:

4366 disqualifying offense; and
 - 4367 (ii) before the court may grant adoption to the individual who has the disqualifying

4368 offense over another responsible, willing, and able relative:

4369 (A) an impartial custody evaluation shall be completed; and

4370 (B) a guardian ad litem shall be assigned.

4371 (7) Subsections (5) and (6) apply to a case pending on March 25, 2017, for which a

4529 (1) A person who has been convicted of a felony offense may petition the district court
4530 in the county in which the person was convicted for a hearing to establish that the person is
4531 factually innocent of the crime or crimes of which the person was convicted.

4532 (2) (a) The petition shall contain an assertion of factual innocence under oath by the
4533 petitioner and shall aver, with supporting affidavits or other credible documents, that:

4534 (i) newly discovered material evidence exists that, if credible, establishes that the
4535 petitioner is factually innocent;

4536 (ii) the specific evidence identified by the petitioner in the petition establishes
4537 innocence;

4538 (iii) the material evidence is not merely cumulative of evidence that was known;

4539 (iv) the material evidence is not merely impeachment evidence; and

4540 (v) viewed with all the other evidence, the newly discovered evidence demonstrates
4541 that the petitioner is factually innocent.

4542 (b) (i) The court shall review the petition in accordance with the procedures in
4543 Subsection (9)(b), and make a finding that the petition has satisfied the requirements of
4544 Subsection (2)(a).

4545 (ii) If the court finds the petition does not meet all the requirements of Subsection
4546 (2)(a), the court shall dismiss the petition without prejudice and send notice of the dismissal to
4547 the petitioner and the attorney general.

4548 (3) (a) The petition shall also contain an averment that:

4549 (i) neither the petitioner nor the petitioner's counsel knew of the evidence at the time of
4550 trial or sentencing or in time to include the evidence in any previously filed post-trial motion or
4551 postconviction motion, and the evidence could not have been discovered by the petitioner or
4552 the petitioner's counsel through the exercise of reasonable diligence; or

4553 (ii) a court has found ineffective assistance of counsel for failing to exercise reasonable

4554 diligence in uncovering the evidence.

4555 (b) (i) Upon entry of a finding that the petition is sufficient under Subsection (2)(a), the
4556 court shall then review the petition to determine if Subsection (3)(a) has been satisfied.

4557 (ii) If the court finds that the requirements of Subsection (3)(a) have not been satisfied,
4558 the court may dismiss the petition without prejudice and give notice to the petitioner and the
4559 attorney general of the dismissal, or the court may waive the requirements of Subsection (3)(a)
4560 if the court finds the petition should proceed to hearing based upon the strength of the petition,
4561 and that there is other evidence that could have been discovered through the exercise of

4562 reasonable diligence by the petitioner or the petitioner's counsel at trial, and the other evidence:

4563 (A) was not discovered by the petitioner or the petitioner's counsel;

4564 (B) is material upon the issue of factual innocence; and

4565 (C) has never been presented to a court.

4566 (4) (a) If the conviction for which the petitioner asserts factual innocence was based
4567 upon a plea of guilty, the petition shall contain the specific nature and content of the evidence
4568 that establishes factual innocence.

4569 (b) The court shall review the evidence and may dismiss the petition at any time in the
4570 course of the proceedings, if the court finds that the evidence of factual innocence relies solely
4571 upon the recantation of testimony or prior statements made by a witness against the petitioner,
4572 and the recantation appears to the court to be equivocal or self serving.

4573 (5) A person who has already obtained postconviction relief that vacated or reversed
4574 the person's conviction or sentence may also file a petition under this part in the same manner
4575 and form as described above, if no retrial or appeal regarding this offense is pending.

4576 (6) If some or all of the evidence alleged to be exonerating is biological evidence
4577 subject to DNA testing, the petitioner shall seek DNA testing in accordance with Section
4578 [78B-9-301](#).

4579 (7) Except as provided in Subsection (9), the petition and all subsequent proceedings
4580 shall be in compliance with and governed by Utah Rules of Civil Procedure, Rule 65C and
4581 shall include the underlying criminal case number.

4582 (8) After a petition is filed under this section, prosecutors, law enforcement officers,
4583 and crime laboratory personnel shall cooperate in preserving evidence and in determining the
4584 sufficiency of the chain of custody of the evidence which is the subject of the petition.

4585 (9) (a) A person who files a petition under this section shall serve notice of the petition
4586 and a copy of the petition upon the office of the prosecutor who obtained the conviction and
4587 upon the Utah attorney general.

4588 (b) (i) The assigned judge shall conduct an initial review of the petition.

4589 (ii) If it is apparent to the court that the petitioner is either merely relitigating facts,
4590 issues, or evidence presented in previous proceedings or presenting issues that appear frivolous
4591 or speculative on their face, the court shall dismiss the petition, state the basis for the dismissal,
4592 and serve notice of dismissal upon the petitioner and the attorney general.
