Section 2. Section 53E-3-1001 is enacted to read:

53E-3-1001. Statewide goal -- Emphasis on early literacy.
To achieve a strenuous statewide goal of 70% in third grade-level proficiency on the state-administered reading assessment by July 1, 2027, the state board shall:
(1) analyze, align, and target resources, including digital software and tools, in existing state programs and the programs enacted in this bill, as appropriate, to support early literacy within the state; and
(2) identify opportunities to incentivize and support LEAs and elementary schools to analyze data, align plans, and target resources from existing local and LEA programs to support early literacy within the state, resulting in a comprehensive statewide alignment of early literacy plans.
Section 3. Section 53E-3-1002 is enacted to read:

53E-3-1002. Literacy coaching -- Professional learning.

(1) Subject to legislative appropriations, the state board shall provide, train, and assign literacy coaches to schools with low literacy achievement performance to provide early literacy coaching to teachers in kindergarten through grade 3, in accordance with this section.

(2) The state board shall make rules, in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, to:

(a) establish criteria to determine which schools qualify for early literacy coaching, prioritizing coaching among:

(i) schools that participate in partnerships that receive grants under Title 53F, Chapter 5, Part 4, Partnerships for Student Success Grant Program; and

(ii) schools that fall within the bottom 25% of all schools in literacy achievement performance, as the state board further defines;

(b) establish minimum qualifications for early literacy coach positions to ensure adequate preparation with necessary expertise; and

(c) define lines of authority and responsibility between a literacy coach, the school principal, the LEA, and the state board.

(3) The state board shall:

(a) ensure that one staff position supervises early literacy coaches statewide; and

(b) annually review coaching placements and adjust placements as necessary, based on the school's literacy achievement performance and the criteria established under Subsection (2).

(4) The state board shall provide professional learning support in early literacy by:

(a) facilitating professional learning opportunities to support literacy coaches statewide that includes knowledge and skill development in adult learning practices, job-embedded coaching, and family engagement;

(b) providing professional learning regional consultants to:

(i) support LEAs and regional education service agencies in designing, facilitating, monitoring, and adjusting professional learning in early literacy that aligns with the professional learning standards described in Section 53G-11-303; and

(ii) serve a cohort of LEAs within a geographic region of the state; and

(c) providing statewide professional learning to support the use of collective efficacy,
including the implementation of professional learning communities and school leadership teams through 2027.

Section 4. Section 53E-3-1003 is enacted to read:

**53E-3-1003. Science of reading panel.**

(1) As used in this section:

(a) "Educator preparation program" means:

(i) a university teacher education program; or

(ii) a program that prepares individuals using an alternative pathway to licensure, as the state board provides.

(b) "Panel" means the science of reading panel that the state board establishes in accordance with this section.

(c) "University teacher preparation program" means a program described in Section 53E-6-302.

(2) The state board shall establish an expert science of reading panel consisting of up to six experts who have:

(a) knowledge and a research background in the science of reading and the science of reading instruction; and

(b) experience translating the science of reading into effective reading instructional practices.

(3) The panel shall:

(a) meet no less than once every two months;

(b) provide expertise to and advise the state board on implementation of:

(i) the early literacy emphases described in Section 53E-3-1001; and

(ii) educator preparation programs;

(c) provide advanced professional learning opportunities in the science of reading and the science of reading instruction for public schools and educator preparation programs as needed to expand statewide capacity;

(d) partner with ULEAD, as that term is defined in Section 53E-10-701, to develop and implement an online repository of digital science of reading and science of reading instruction resources that is accessible to public school teachers, school leaders, parents, and educator preparation programs and associated faculty;
(e) develop professional learning modules to support teachers and school leaders to pass the literary preparation assessment, as that term is defined in Section 53E-6-302;

(f) coordinate with educator preparation programs, university teacher preparation program faculty, deans of education, and literacy leadership fellows to advance the science of reading and the science of reading instruction; and

(g) take part in the hiring of the additional faculty members described in Subsection 53E-6-302(6) with two panel members participating in the hiring process.

(4) The state board may assign panel members to conduct periodic reviews of:

(a) student outcome data;

(b) science of reading and science of reading instruction implementation fidelity in public schools and educator preparation programs through onsite visits; and

(c) advise LEAs regarding the science of reading and the science of reading instruction curriculum and intervention programs.

(5) (a) The salary and expenses of a council member who is a legislator shall be paid in accordance with Section 36-2-2 and Legislative Joint Rules, Title 5, Chapter 3, Legislator Compensation.

(b) A panel member who is not a legislator:

(i) may not receive compensation or benefits for the member's service on the panel; and

(ii) may receive per diem and reimbursement for travel expenses that the panel member incurs as a panel member at the rates that the Division of Finance establishes under:

(A) Sections 63A-3-106 and 63A-3-107; and

(B) rules that the Division of Finance makes under Sections 63A-3-106 and 63A-3-107.

(6) (a) A majority of the panel members constitutes a quorum.

(b) The action of a majority of a quorum constitutes an action of the panel.

(7) The state board shall provide staff support to the panel.

Section 5. Section 53E-3-1004 is enacted to read:

53E-3-1004. Community engagement for early literacy.

(1) The state board shall:

(a) partner with a private business or nonprofit organization to annually provide personal, home-use, age-appropriate printed books or digital books with accompanying
(i) who attend:
   (A) a school that participates in partnerships that receive grants under Title 53F, Chapter 5, Part 4, Partnerships for Student Success Grant Program; or
   (B) a Title I school, as that term is defined in Section 53F-2-523; and
(ii) at a minimum, in kindergarten through grade 3; and
   (b) provide students a choice of language where possible.
(2) The state board shall develop and promote a website that provides resources for teachers and other educational support personnel to support targeted activities and strategies for parents to support at-home reading.
   (3) The state board shall contract with one or more organizations that have expertise in coordinating community resources to:
      (a) provide training and coaching to community, school, and parent engagement coordinators; and
      (b) for a school that is not participating in a partnership that receives a grant under Title 53F, Chapter 5, Part 4, Partnerships for Student Success Grant Program:
         (i) assess the presence of existing community school infrastructure; and
         (ii) provide necessary supports for parent, community, and business engagement, including services and coordination support.
Section 6. Section 53E-4-307 is amended to read:

   (1) As used in this section[, "competency"]:
      (a) "Competency" means a demonstrable acquisition of a specified knowledge, skill, or ability that has been organized into a hierarchical arrangement leading to higher levels of knowledge, skill, or ability.
      (b) "Diagnostic assessment" means an assessment that measures key literacy skills, including phonemic awareness, sound-symbol recognition, alphabet knowledge, decoding and encoding skills, and comprehension, to determine a student's specific strengths and weaknesses in a skill area.
      (c) "Evidence-based" means the same as that term is defined in Section 53G-11-303.
      (d) "Evidence-informed" means the same as that term is defined in Section
(2) The state board shall approve a benchmark assessment for use statewide by school
districts and charter schools to assess the reading competency of students in grades 1 through 6
as provided by this section.

(3) A school district or charter school shall:

(a) administer benchmark assessments to students in grades 1, 2, and 3 at the
beginning, middle, and end of the school year using the benchmark assessment approved by the
state board; and

(b) after administering a benchmark assessment, report the results to a student's parent.

(4) If a benchmark assessment or supplemental reading assessment indicates a student
lacks competency in a reading skill, or is lagging behind other students in the student's grade in
acquiring a reading skill, the school district or charter school shall:

(a) administer diagnostic assessments to the student;

(b) using data from the diagnostic assessment, provide specific, focused, and
individualized intervention to develop the reading skill;

(c) administer formative assessments and progress monitoring at recommended
levels for the benchmark assessment to measure the success of the focused intervention;

(d) inform the student's parent of activities that the parent may engage in with the
student to assist the student in improving reading proficiency; and

(e) provide information to the parent regarding appropriate interventions available
to the student outside of the regular school day that may include tutoring, before and after
school programs, or summer school; and

(f) provide instructional materials that are evidence-informed for core instruction and
evidence-based for intervention and supplemental instruction.

(5) (a) In accordance with Section 53F-4-201 and except as provided in Subsection
(b), the state board shall contract with one or more educational technology providers for a
benchmark assessment system for reading for students in kindergarten through grade 6.
(b) If revenue is insufficient for the benchmark assessment system for the grades
described in Subsection (5)(a), the state board shall first prioritize funding a benchmark
assessment for students in kindergarten through grade 3.

Section 7. Section 53E-6-301 is amended to read:
53E-6-301. Qualifications of applicants for licenses -- Changes in qualifications.

(1) As used in this section "literacy":

(a) "Literacy preparation assessment" means an examination that evaluates an individual's knowledge of the science of reading, related to literacy instruction for an individual who teaches preschool, elementary school, or special education.

(b) "Required literacy preparation assessment" means a literacy preparation assessment that the state board uses to determine the qualifications of license applicants.

(2) The state board shall establish by rule made in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, the scholarship, training, and experience required of license applicants.

(3) (a) The state board shall announce any increase in the requirements when made.

(b) An increase in requirements shall become effective not less than one year from the date of the announcement.

(4) The state board may determine by examination or otherwise the qualifications of license applicants.

(5) If the state board uses a required literacy preparation assessment under Subsection (4) [that is a literacy preparation assessment]:

(a) (i) the state board shall make rules to allow an LEA to hire a license applicant who does not successfully pass the required literacy preparation assessment for a limited duration pending successful passage; and

[(b)] (ii) the license applicant is not eligible for a professional educator license described in Section 53E-6-201 until the license applicant successfully passes the required literacy preparation assessment[.]; and

(b) the state board may make rules in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, to:

(i) establish exemptions for the required literacy preparation assessment; and

(ii) develop a pathway to demonstrate early literacy competency as an exception to the requirement to pass the required literacy preparation assessment.

Section 8. Section 53E-6-302 is amended to read:

53E-6-302. Teacher preparation programs.

(1) As used in this section, "required literacy preparation assessment" means the same
as that term is defined in Section 53E-6-301.

[(1)] (2) In accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, the state board shall make rules that establish standards for approval of a preparation program.

[(2)] (3) The state board shall ensure that standards adopted under Subsection [(1)] (2):

(a) meet or exceed generally recognized national standards for preparation of educators;

(b) include requirements for preparation programs to:

(i) provide instruction in the science of reading; and

(ii) prepare license applicants to pass the required literacy preparation assessment at no cost to the applicants, including providing ongoing support for up to three total attempts of the required literacy preparation assessment.

[(3)] (4) The state board shall designate an employee of the state board's staff to:

(a) work with education deans of state institutions of higher education to coordinate on-site monitoring of teacher preparation programs that may include:

(i) monitoring courses for teacher preparation programs;

(ii) working with course instructors for teacher preparation programs; and

(iii) interviewing students admitted to teacher preparation programs;

(b) act as a liaison between:

(i) the state board;

(ii) local school boards or charter school governing boards; and

(iii) representatives of teacher preparation programs; and

(c) report the employee's findings and recommendations for the improvement of teacher preparation programs to:

(i) the state board; and

(ii) education deans of state institutions of higher education.

[(4)] (5) The state board shall:

(a) in good faith, consider the findings and recommendations described in Subsection [(3)] (4)(c); and

(b) in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, make rules, as the state board determines is necessary, to implement recommendations.
(6) Subject to legislative appropriations, the Utah Board of Higher Education shall:
(a) provide matching funds to each of the state's institutions of higher education with a
teacher preparation program:
   (i) to hire an additional faculty member who has training in the science of reading and
   the science of reading instruction; and
   (ii) in an amount equal to 75% of the cost of making the hire described in Subsection
(6)(a) if the institution provides 25% of the cost; and
(b) consult the state superintendent regarding:
   (i) criteria for the hire described in Subsection (6)(a) that would qualify for a
distribution of funding; and
   (ii) an individual institution's fulfillment of the criteria described in Subsection
(6)(b)(i) before distributing funding.
(7) An institution that hires an additional faculty member shall coordinate with the
science of reading panel described in Section 53E-3-1003 to include two members of the panel
in the institution's hiring process.
(8) The state board shall:
(a) monitor accreditation of university programs regarding the science of reading
preparation described in Subsection (3)(b) at the institutions described in Subsection (6)(a); and
(b) (i) develop strategies to provide support for preparation programs with low rates of
passage on the required literacy preparation assessment; and
   (ii) provide increasing levels of support to a preparation program with low rates of
passage on the required literacy preparation assessment for two consecutive years.

Section 9. Section 53F-5-214 is amended to read:
53F-5-214. Grant for professional learning.
(1) Subject to legislative appropriations, the state board shall award grants to:
(a) LEAs to provide teachers in pre-kindergarten, kindergarten, and grades 1 through 3
with professional learning opportunities in early literacy and mathematics[; and
(b) the required early literacy professional learning opportunity described in Subsection
(6).
(2) The state board shall award a grant described in this section to an LEA that submits
400 to the state board a completed application, as provided by the state board, that includes a
401 description of the evidence-based, based on assessment data, professional learning
402 opportunities the LEA will provide that are:
403 (a) aligned with the professional learning standards described in Section 53G-11-303;
404 and
405 (b) targeted to attaining the local and state early learning goals described in Section
406 53G-7-218.
407 (3) An LEA that receives a grant described in this section shall use the grant for the
408 purposes described in Subsection (2).
409 (4) In accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, the
410 state board shall make rules to establish:
411 (a) required elements of the professional learning opportunities described in Subsection
412 (2); [and]
413 (b) a formula to determine an LEA's grant amount under this section[], including
414 identifying the amount an LEA receives for:
415 (i) professional learning opportunities under Subsection (2); and
416 (ii) the required early literacy professional learning opportunity described in Subsection
417 (6); and
418 (c) specifications regarding the LEA's provision of the required early literacy
419 professional learning opportunity described in Subsection (6).
420 (5) The state board shall annually report to the Education Interim Committee on or
421 before the November interim committee meeting regarding the administration and outcomes of
422 the grant described in this section.
423 (6) (a) As used in this Subsection (6), "early literacy professional learning opportunity"
424 means the early literacy opportunity that the majority of recipients of grant funding under this
425 section used before the effective date of this bill to provide professional learning opportunities
426 in early literacy.
427 (b) (i) Except as described in Subsection (6)(b)(ii), the following shall complete the
428 early literacy professional learning opportunity before July 1, 2025, each:

(A) an educator who has already completed the early literacy professional learning
program;
(B) dual language immersion educators who teach in the target language;
(C) special education teachers who serve students with significant cognitive
disabilities;
(D) teachers within one year of retirement; and
(E) other similar educator roles as the state board identifies in board rule, made in
accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act.

(c)(i) Before the 2022-2023 school year, each LEA shall apply for grant funding under
this subsection (6) to provide the early literacy professional learning opportunity to each
individual described in Subsection (6)(b)(i) within the LEA.

(ii) An LEA that receives a grant for use under this Subsection (6) shall:
(A) use the grant to provide the early literacy professional learning opportunity for each
educator described in Subsection (6)(b)(i) within the LEA; and
(B) provide the early literacy professional learning opportunity as part of the educator's
contracted time or daily rate.

(d) In awarding grant funding under this section for the required early literacy
professional learning opportunity, the state board shall award funding to an LEA to provide the
opportunity to each individual described in Subsection (6)(c)(i), prioritizing applicants that
have not yet participated in the early literacy professional learning opportunity.

Section 10. Section 53F-5-215 is amended to read:

(1) As used in this section:

(a) "License" means a license that:

(i) is described in Section 53E-6-102; and

(ii) qualifies an individual to teach elementary school.
(b) ["Literacy"] "Required literacy preparation assessment" means the same as that term is defined in Section 53E-6-301.

(2) Beginning September 1, 2021, subject to legislative appropriations, the state board shall award grants to institutions of higher education for the cost of the initial attempt of the required literacy preparation assessment for license applicants graduating from the institution during the year relevant to the grant.

(3) In accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, the state board may make rules to establish the license, type of license, or license concentration eligible for the grant described in this section.

(4) [An institution of higher education] An educator preparation program, as that term is defined in Section 53E-3-1003, may apply for a grant described in this section by submitting to the state board an application, as provided by the state board, including an estimate of the number and names of prospective license applicants expected to graduate in the year relevant to the grant application.

(5) Notwithstanding Subsections (2) and (4), beginning July 1, 2020, and ending August 31, 2021, the state board may award grants under this section to institutions of higher education to pilot test a required literacy preparation assessment.

(6) The state board shall annually report to the Education Interim Committee on or before the November interim committee meeting regarding the administration and outcomes of the grant described in this section.

Section 11. Section 53F-5-402 is amended to read:

53F-5-402. Partnerships for Student Success Grant Program established.

(1) There is created the Partnerships for Student Success Grant Program to improve educational outcomes for low income students through the formation of cross sector partnerships that use data to align and improve efforts focused on student success.

(2) Subject to legislative appropriations, the state board shall award grants to eligible partnerships that enter into a memorandum of understanding between the members of the eligible partnership to plan or implement a partnership that:

(a) establishes shared goals, outcomes, and measurement practices based on unique community needs and interests that:

[(i)] are aligned with the recommendations of the five- and ten-year plan to address
intergenerational poverty described in Section §35A-9-303; and]

(ii) accountability for shared goals and outcomes; and

(d) commits to providing matching funds as described in Section §53F-5-403.

(3) In making grant award determinations, the state board shall prioritize funding for an eligible partnership that:

(a) focus on early literacy and mathematics;

[(a)] (b) includes a low performing school as determined by the state board; or
[(b)] (c) addresses parent and community engagement.

(4) In awarding grants under this part, the state board:

(a) shall distribute funds to the lead applicant designated by the eligible partnership as described in Section §53F-5-401; and
524 (b) may not award more than $500,000 per fiscal year to an eligible partnership.
525
Section 12. Section 53G-10-306 is enacted to read:
526
527 Each LEA shall adopt science of reading curriculum and intervention programs as
528 advised by the science of reading panel described in Section 53E-3-1003.
529
Section 13. Section 53G-11-303 is amended to read:
531 (1) As used in this section, "professional":
532 (a) "Evidence-based" means that a strategy demonstrates a statistically significant
533 effect, of at least a 0.40 effect size, on improving student outcomes based on:
534 (i) strong evidence from at least one well-designed and well-implemented experimental
535 study, as the state board further defines; or
536 (ii) moderate evidence from at least one well-designed and well-implemented
537 quasi-experimental study, as the state board further defines.
538 (b) "Evidence-informed" means that a strategy:
539 (i) is developed using high-quality research outside of a controlled setting in the given
540 field, as the state board further defines; and
541 (ii) includes strategies and activities with a strong scientific basis for use, as the state
542 board further defines.
543 (c) "Professional learning" means a comprehensive, sustained, and evidence-based
544 approach to improving teachers' and principals' effectiveness in raising student achievement.
545 (2) A school district or charter school shall implement high quality professional
546 learning that meets the following standards:
547 (a) professional learning occurs within learning communities committed to continuous
548 improvement, individual and collective responsibility, and goal alignment;
549 (b) professional learning requires skillful leaders who develop capacity, advocate, and
550 create support systems, for professional learning;
551 (c) professional learning requires prioritizing, monitoring, and coordinating resources
552 for educator learning;
553 (d) professional learning uses a variety of sources and types of student, educator, and
554 system data to plan, assess, and evaluate professional learning;
(e) professional learning integrates theories, research, and models of human learning to achieve its intended outcomes;

(f) professional learning applies research on change and sustains support for implementation of professional learning for long-term change;

(g) professional learning aligns its outcomes with:

(i) performance standards for teachers and school administrators as described in rules of the state board; and

(ii) performance standards for students as described in the core standards for Utah public schools adopted by the state board pursuant to Section 53E-4-202; [and]

(h) professional learning:

(i) incorporates the use of technology in the design, implementation, and evaluation of high quality professional learning practices; and

(ii) includes targeted professional learning on the use of technology devices to enhance the teaching and learning environment and the integration of technology in content delivery; [and]

(i) professional learning uses evidence-informed core materials and evidence-based instructional practices and intervention materials.

(3) School districts and charter schools shall use money appropriated by the Legislature for professional learning or federal grant money awarded for professional learning to implement professional learning that meets the standards specified in Subsection (2).

(4) The state board, ULEAD, as that term is defined in Section 53E-10-701, and the Center for the School of the Future, established in Section 53B-18-801, shall jointly, in collaboration with an independent university-based research center, develop and maintain a repository of evidence-based practice and evidence-informed intervention materials to support school districts and charter schools in meeting the standards described in Subsection (2).

(5) (a) In the fall of 2014, the state board, through the state superintendent, and in collaboration with an independent consultant acquired through a competitive bid process, shall conduct a statewide survey of school districts and charter schools to:

(i) determine the current state of professional learning for educators as aligned with the standards specified in Subsection (2);

(ii) determine the effectiveness of current professional learning practices; and
(iii) identify resources to implement professional learning as described in Subsection (2).

(b) The state board shall select a consultant from bidders who have demonstrated successful experience in conducting a statewide analysis of professional learning.

(c) (i) Annually in the fall, beginning in 2015 through 2020, the state board, through the state superintendent, in conjunction with school districts and charter schools, shall gather and use data to determine the impact of professional learning efforts and resources.

(ii) Data used to determine the impact of professional learning efforts and resources under Subsection [(4)] (5)(c)(i) shall include:

(A) student achievement data;

(B) educator evaluation data; and

(C) survey data.

Section 14. Section 53G-11-305 is enacted to read:

53G-11-305. Literacy preparation assessment for principals.

(1) As used in this section:

(a) "Current elementary school principal" means an individual who is serving as an elementary school principal on the effective date of this bill.

(b) "Prospective elementary school principal" means an individual who is not serving as an elementary school principal on the effective date of this bill.

(c) "Required literacy preparation assessment" means the same as that term is defined in Section 53E-6-301.

(2) (a) Except as provided in Subsection (2)(b):

(i) each current elementary school principal shall pass the required literacy preparation assessment before April 1, 2027; and

(ii) a prospective elementary school principal shall pass the required literacy preparation assessment before becoming an elementary school principal.

(b) (i) An individual’s passage of the required literacy preparation assessment to obtain an educator license under Section 53E-6-301 satisfies the assessment requirement in Subsection (2)(a).

(ii) An individual is exempt from the assessment requirement in Subsection (2)(a) if the individual completes the demonstrated competency pathway described in Subsection (3)(b).
The state board shall make rules, in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, to:

(a) establish requirements and procedures for satisfying the requirement described in Subsection (2)(a);

(b) establish a pathway for current and prospective elementary school principals to demonstrate literacy competency in lieu of satisfying the assessment requirement in Subsection (2)(a); and

(c) establish a process to fund the required literacy preparation assessment for:

(i) certain current elementary school principals; and

(ii) prospective elementary school principals.

Section 15. Revisor instructions.

The Legislature intends that the Office of Legislative Research and General Counsel, in preparing the Utah Code database for publication, replace the following references:

(1) in Section 53E-3-1003, from "this bill" to the bill's designated chapter number in the Laws of Utah; and

(2) in Section 53G-11-305, from "the effective date of this bill" to the bill's actual effective date.
