

**Senator Jerry W. Stevenson** proposes the following substitute bill:

**CARDIOPULMONARY RESUSCITATION IN SCHOOLS**

2022 GENERAL SESSION

STATE OF UTAH

**Chief Sponsor: Jerry W. Stevenson**

House Sponsor: Stephen G. Handy

---

---

**LONG TITLE**

**General Description:**

This bill addresses cardiopulmonary resuscitation training for high school students.

**Highlighted Provisions:**

This bill:

- ▶ defines terms;
- ▶ requires the State Board of Education to make rules to develop and implement cardiopulmonary resuscitation (CPR) training as part of the health curriculum for students;
- ▶ requires a local education agency (LEA) to offer CPR training for students as part of the health curriculum;
- ▶ with certain exceptions, requires a student to complete CPR training at least once while the student is in high school; and
- ▶ creates a grant program to assist LEAs with providing CPR training to students.

**Money Appropriated in this Bill:**

This bill appropriates in fiscal year 2023:

- ▶ to the State Board of Education, as an ongoing appropriation:
  - from the Education Fund, Ongoing, \$270,000; and
- ▶ to the State Board of Education, as a one-time appropriation:

- from the Education Fund, One-time, \$200,000.

Other Special Clauses:

None

Utah Code Sections Affected:

ENACTS:

53G-10-408, Utah Code Annotated 1953

Be it enacted by the Legislature of the state of Utah:

Section 1. Section 53G-10-408 is enacted to read:

**53G-10-408. Cardiopulmonary resuscitation instruction -- Grant program.**

(1) As used in this section:

(a) "Board" means the State Board of Education.

(b) "Cardiopulmonary resuscitation" or "CPR" means artificial ventilation or external chest compression applied to a person who is unresponsive and not breathing.

(c) "Individualized education program" or "IEP" means the same as that term is defined in Section 53E-1-102.

(d) "Local education agency" or "LEA" means a school district or charter school that serves students in grade 9, 10, 11, or 12.

(e) "Psychomotor skills" means sequences of physical actions that are practiced in a manner that supports cognitive learning.

(2) In accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, and the requirements of this section, the board shall make rules to develop and implement CPR training as part of the core curriculum standards for instruction in health.

(3) The state board may consult with the American Heart Association, the American Red Cross, or other similar organizations to make the rules described in Subsection (2).

(4) Rules made under Subsection (2) shall include:

(a) a requirement that CPR training be based on current national evidence-based emergency cardiovascular care guidelines for cardiopulmonary resuscitation;

(b) except for a participant who is enrolled in an online-only school, a requirement that CPR training include the use of psychomotor skills with appropriate CPR training equipment; and

57 (c) a requirement that a student complete CPR training at least once during the period  
58 that begins with the beginning of grade 9 and ends at the end of grade 12, except as provided in  
59 Subsection (7).

60 (5) Beginning with the 2022-23 school year, and in accordance with the rules made  
61 under Subsection (2), an LEA shall offer CPR training for students.

62 (6) Rules made under Subsection (2) may not allow an LEA to issue a CPR  
63 certification to a student, but may allow a student to receive CPR certification from an  
64 individual who provides the CPR training if the individual is authorized to issue a CPR  
65 certification by the American Heart Association, American Red Cross, or other similar  
66 organization.

67 (7) A student is exempt from completing CPR training if:

68 (a) the student's parent or legal guardian requests that the student be exempt from CPR  
69 training;

70 (b) the student provides documentation to the LEA showing that the student has  
71 previously received CPR training or has a current CPR certification; or

72 (c) the student has an IEP and the CPR training is inconsistent with the IEP.

73 (8) An LEA may accept a donation of materials, equipment, or services related to CPR  
74 training if the materials, equipment, or services are in compliance with rules made pursuant to  
75 Subsection (2).

76 (9) (a) There is created the CPR Training Grant Program.

77 (b) Subject to legislative appropriations, the board shall award grants to LEAs to  
78 provide the CPR training described in this section, which may include engaging a qualified  
79 CPR instructor or replacing materials and equipment used in CPR training.

80 (c) In accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, the  
81 state board may make rules to establish:

82 (i) application and eligibility requirements for an LEA that seeks a grant under this  
83 section; or

84 (ii) specific materials or equipment that may be purchased using a grant awarded under  
85 this section.

86 **Section 2. Appropriation.**

87 The following sums of money are appropriated for the fiscal year beginning July 1,

88 2022, and ending June 30, 2023. These are additions to amounts previously appropriated for  
89 fiscal year 2023. Under the terms and conditions of Title 63J, Chapter 1, Budgetary Procedures  
90 Act, the Legislature appropriates the following sums of money from the funds or accounts  
91 indicated for the use and support of the government of the state of Utah.

92 ITEM 1

93 To State Board of Education -- System Standards and Accountability

94 From Education Fund, Ongoing \$270,000

95 From Education Fund, One-time \$200,000

96 Schedule of Programs:

97 CPR Training Grant Program \$470,000

98 (1) The Legislature intends that the State Board of Education use ongoing  
99 appropriations under this item to fund grants for LEAs related to the CPR instruction described  
100 in Section [53G-10-408](#).

101 (2) The Legislature further intends that the State Board of Education use one-time  
102 appropriations under this item to fund grants for LEAs to replace currently outdated or missing  
103 materials and equipment related to the CPR instruction described in Section [53G-10-408](#).
