28 *Be it enacted by the Legislature of the state of Utah:*

29 Section 1. Section **78B-12-205** is amended to read:

30 **78B-12-205. Calculation of obligations.**

31 (1) Each parent's child support obligation shall be established in proportion to their  
32 adjusted gross incomes, unless the low income table is applicable. Except during periods of  
33 court-ordered parent-time as set forth in Section **78B-12-216**, the parents are obligated to pay  
34 their proportionate shares of the base combined child support obligation. If physical custody of  
35 the child changes from that assumed in the original order, modification of the order is not  
36 necessary, even if only one parent is specifically ordered to pay in the order.

37 (2) Except in cases of joint physical custody and split custody as defined in Section  
38 **78B-12-102** and in cases where the obligor's adjusted gross income is [~~\$1,050~~] \$2,450 or less  
39 monthly, the base child support award shall be determined as follows:

40 (a) combine the adjusted gross incomes of the parents and determine the base  
41 combined child support obligation using the base combined child support obligation table; and

42 (b) calculate each parent's proportionate share of the base combined child support  
43 obligation by multiplying the combined child support obligation by each parent's percentage of  
44 combined adjusted gross income.

45 (3) In the case of an incapacitated adult child, any amount that the incapacitated adult  
46 child can contribute to the incapacitated adult child's support may be considered in the  
47 determination of child support and may be used to justify a reduction in the amount of support  
48 ordered, except that in the case of orders involving multiple children, the reduction shall not be  
49 greater than the effect of reducing the total number of children by one in the child support table  
50 calculation.

51 (4) (a) In cases where the monthly adjusted gross income of either parent is [~~between~~  
52 ~~\$650 and \$1,050~~] \$2,450 or less, the base child support award shall be the lesser of the amount  
53 calculated in accordance with Subsection (2) and the amount calculated using the low income  
54 table.

55 (b) If the income and number of children is found in an area of the low income table in  
56 which no amount is shown, the base combined child support obligation table is to be used but  
57 the base child support may not be less than \$30.

58 (5) The base combined child support obligation table provides combined child support

59 obligations for up to six children. For more than six children, additional amounts may be  
 60 added to the base child support obligation shown. Unless rebutted by Subsection  
 61 78B-12-210(3), the amount ordered may not be less than the amount which would be ordered  
 62 for up to six children.

63 ~~[(6) If the monthly adjusted gross income of either parent is \$649 or less, the tribunal~~  
 64 ~~shall determine the amount of the child support obligation on a case-by-case basis, but the base~~  
 65 ~~child support award may not be less than \$30.]~~

66 (6) A base child support award may not be less than \$30.

67 (7) The amount shown on the table is the support amount for the total number of  
 68 children, not an amount per child.

69 (8) For all worksheets, income and support award figures shall be rounded to the  
 70 nearest dollar.

71 Section 2. Section 78B-12-301 is repealed and reenacted to read:

72 **78B-12-301. Based combined child support obligation table -- Both parents.**

73 The following table shall be used to:

74 (1) establish a child support order entered for the first time on or after January 1, 2023;

75 (2) modify a child support order entered for the first time on or after January 1, 2023;

76 (3) modify a temporary judicial child support order established on or before December  
 77 31, 2022, if the new order is entered on or after January 1, 2023; or

78 (4) modify a final child support order entered on or before December 31, 2022, if the  
 79 modification is made on or after January 1, 2025.
