(1) The Indian Child Welfare Act, 25 U.S.C. [~~Secs. {1901-1963}~~] Sec. 1901[-1963], ~~{Sec. 1901}~~ et seq., and Title 80, Chapter 2c, Utah Indian Child Welfare Act, provides that Indian tribes may develop and implement tribal foster home standards.

(2) The office shall give full faith and credit to an Indian tribe's certification or licensure of a tribal foster home for an Indian child and siblings of that Indian child, both on and off Indian country, according to standards developed and approved by the Indian tribe, pursuant to the Indian Child Welfare Act, [~~25 U.S.C. Secs. 1901-1963~~] 25 U.S.C. Sec. 1901 et seq., and Title 80 Chapter 2c, Utah Indian Child Welfare Act.

(3) If the Indian tribe has not developed standards, the office shall license tribal foster homes pursuant to this chapter.

Section 4. Section **78B-6-102** is amended to read:

78B-6-102. Legislative intent and findings -- Best interest of child -- Interests of each party.

(1) It is the intent and desire of the Legislature that in every adoption the best interest of the child should govern and be of foremost concern in the court's determination.

(2) The court shall make a specific finding regarding the best interest of the child, taking into consideration information provided to the court pursuant to the requirements of this chapter relating to the health, safety, and welfare of the child and the moral climate of the potential adoptive placement.

(3) The Legislature finds that the rights and interests of all parties affected by an adoption proceeding must be considered and balanced in determining what constitutional protections and processes are necessary and appropriate.

(4) The Legislature specifically finds that it is not in a child's best interest to be adopted by a person or persons who are cohabiting in a relationship that is not a legally valid and binding marriage under the laws of this state. Nothing in this section limits or prohibits the

HB0040S01 compared with HB0040

court's placement of a child with a single adult who is not cohabiting or a person who is a relative of the child or a recognized placement under the Indian Child Welfare Act, 25 U.S.C. Sec. 1901 et seq., or Title 80, Chapter 2c, Utah Indian Child Welfare Act.

(5) The Legislature also finds that:

(a) the state has a compelling interest in providing stable and permanent homes for adoptive children in a prompt manner, in preventing the disruption of adoptive placements, and in holding parents accountable for meeting the needs of children;

(b) an unmarried mother, faced with the responsibility of making crucial decisions about the future of a newborn child, is entitled to privacy, and has the right to make timely and appropriate decisions regarding her future and the future of the child, and is entitled to assurance regarding the permanence of an adoptive placement;

(c) adoptive children have a right to permanence and stability in adoptive placements;

(d) adoptive parents have a constitutionally protected liberty and privacy interest in retaining custody of an adopted child;

(e) an unmarried biological father has an inchoate interest that acquires constitutional protection only when he demonstrates a timely and full commitment to the responsibilities of parenthood, both during pregnancy and upon the child's birth; and

(f) the state has a compelling interest in requiring unmarried biological fathers to demonstrate commitment by providing appropriate medical care and financial support and by establishing legal paternity, in accordance with the requirements of this chapter.

(6) (a) In enacting this chapter, the Legislature has prescribed the conditions for determining whether an unmarried biological father's action is sufficiently prompt and substantial to require constitutional protection.

(b) If an unmarried biological father fails to grasp the opportunities to establish a relationship with his child that are available to him, his biological parental interest may be lost entirely, or greatly diminished in constitutional significance by his failure to timely exercise it, or by his failure to strictly comply with the available legal steps to substantiate it.

(c) A certain degree of finality is necessary in order to facilitate the state's compelling interest. The Legislature finds that the interests of the state, the mother, the child, and the adoptive parents described in this section outweigh the interest of an unmarried biological father who does not timely grasp the opportunity to establish and demonstrate a relationship

HB0040S01 compared with HB0040

with his child in accordance with the requirements of this chapter.

(d) The Legislature finds no practical way to remove all risk of fraud or misrepresentation in adoption proceedings, and has provided a method for absolute protection of an unmarried biological father's rights by compliance with the provisions of this chapter. In balancing the rights and interests of the state, and of all parties affected by fraud, specifically the child, the adoptive parents, and the unmarried biological father, the Legislature has determined that the unmarried biological father is in the best position to prevent or ameliorate the effects of fraud and that, therefore, the burden of fraud shall be borne by him.

(e) An unmarried biological father has the primary responsibility to protect his rights.

(f) An unmarried biological father is presumed to know that the child may be adopted without his consent unless he strictly complies with the provisions of this chapter, manifests a prompt and full commitment to his parental responsibilities, and establishes paternity.

(7) The Legislature finds that an unmarried mother has a right of privacy with regard to her pregnancy and adoption plan, and therefore has no legal obligation to disclose the identity of an unmarried biological father prior to or during an adoption proceeding, and has no obligation to volunteer information to the court with respect to the father.

(b) remove a child from a foster home before the child is placed with the foster parents for two years.

(8) The division may not remove a foster child from a foster parent who is a relative of the child on the basis of the age or health of the foster parent without determining:

(5) A court may not order a foster care placement in a foster care proceeding in the absence of a determination, supported by clear and convincing evidence, including testimony of qualified expert witnesses, that the continued custody of the Indian child by the parent or Indian custodian is likely to result in serious emotional or physical damage to the Indian child.

(ii) After the day on which the time period described in Subsection (7)(b)(i) expires, the division or the juvenile court may not grant preferential consideration to a relative or friend, who has not obtained custody or asserted an interest in the child.

(ii) is required to consider no more than one friend designated by each parent of the child and one friend designated by the child if the child is of sufficient maturity to articulate the child's wishes in relation to a placement;

(iii) may limit the number of designated friends to two, one of whom shall be a friend designated by the child if the child is of sufficient maturity to articulate the child's wishes in relation to a placement; and

- (A) the child is of sufficient maturity to articulate the child's wishes; and
- (B) the basis for removing the child under Section 80-3-301 is sexual abuse of the

child.

(f) (i) If a parent of the child or the child, if the child is of sufficient maturity to articulate the child's wishes in relation to a placement, is not able to designate a friend who is a licensed foster parent for placement of the child, but is able to identify a friend who is willing to become licensed as a foster parent, the department shall fully cooperate to expedite the licensing process for the friend.

(ii) If the friend described in Subsection (7)(f)(i) becomes licensed as a foster parent within the time frame described in Subsection (7)(b), the juvenile court shall determine

(B) the safety and appropriateness of placement with the relative or friend; and

(ii) may not consider a request for guardianship or adoption of the child by an individual who is not a relative of the child, or prevent the division from placing the child in the custody of a relative of the child in accordance with this part, until after the day on which the juvenile court makes the findings under Subsection (8)(a)(i).

(b) In making the finding described in Subsection (8)(a), the juvenile court shall, at a minimum, order the division to:

(i) if the child may be placed with a relative, conduct a background check that includes:

(A) completion of a nonfingerprint-based, Utah Bureau of Criminal Identification background check of the relative;

(B) a completed search, relating to the relative, of the Management Information System; and

(C) a background check that complies with the criminal background check provisions described in Section 80-3-305, of each nonrelative of the child who resides in the household where the child may be placed;

(vi) report the division's findings in writing to the juvenile court; and

(9) (a) The juvenile court may place a child described in Subsection (2)(a) in the temporary custody of the division, pending the division's investigation under Subsection (8), and the juvenile court's determination regarding the appropriateness of the placement.

(b) The juvenile court shall ultimately base the juvenile court's determination regarding the appropriateness of a placement with a relative or friend on the best interest of the child.

(10) If a juvenile court places a child described in Subsection (6) with the child's relative or friend:

(12) The time limitations described in Section 80-3-406, with regard to reunification efforts, apply to a child placed with a previously noncustodial parent under Subsection (2) or with a relative or friend under Subsection (6).

(A) take the child into physical custody; and

(B) within three days, excluding weekends and holidays, after the day on which the child is taken into physical custody under Subsection (13)(a)(ii)(A), give written notice to the

HB0040S01 compared with HB0040

juvenile court, and all parties to the proceedings, of the division's action.

(b) Subsection (13)(a) does not prohibit the division from placing a child with a relative, pending the results of the background check described in Subsection (13)(a) on the relative.

(14) If the juvenile court orders that a child be removed from the custody of the child's parent and does not award custody and guardianship to another parent, relative, or friend under this section, the juvenile court shall order that the child be placed in the temporary custody of the division, to proceed to adjudication and disposition and to be provided with care and services in accordance with this chapter, Chapter 2, Child Welfare Services, and Chapter 2a, Removal and Protective Custody of a Child.

(15) (a) If a child reenters the temporary custody or the custody of the division and is placed in foster care, the division shall:

(i) notify the child's former foster parents; and

(ii) upon a determination of the former foster parents' willingness and ability to safely and appropriately care for the child, give the former foster parents preference for placement of the child.

(b) If, after the shelter hearing, the child is placed with an individual who is not a parent, a relative, a friend, or a former foster parent of the child, priority shall be given to a foster placement with a married couple, unless it is in the best interests of the child to place the child with a single foster parent.

(16) In determining the placement of a child, the juvenile court and the division may not take into account, or discriminate against, the religion of an individual with whom the child may be placed, unless the purpose of taking religion into account is to place the child with an individual or family of the same religion as the child.

(17) If the juvenile court's decision differs from a child's express wishes if the child is of sufficient maturity to articulate the wishes in relation to the child's placement, the juvenile court shall make findings explaining why the juvenile court's decision differs from the child's wishes.

(18) This section does not guarantee that an identified relative or friend will receive custody of the child.

Section ~~33~~34. Section **80-3-502** is amended to read:

HB0040S01 compared with HB0040

80-3-502. Review of foster care removal -- Foster parent's standing.

(1) With regard to a minor in the custody of the division who is the subject of a petition alleging abuse, neglect, or dependency, and who has been placed in foster care with a foster family, the Legislature finds that:

(a) except with regard to the minor's natural parents, a foster family has a very limited but recognized interest in its familial relationship with the minor; and

(b) minors in the custody of the division are experiencing multiple changes in foster care placements with little or no documentation, and that numerous studies of child growth and development emphasize the importance of stability in foster care living arrangements.

(2) For the reasons described in Subsection (1), the Legislature finds that, except with regard to the minor's natural parents, procedural due process protections must be provided to a foster family prior to removal of a foster minor from the foster home.

(3) (a) A foster parent who has had a foster minor in the foster parent's home for 12 months or longer may petition the juvenile court for a review and determination of the appropriateness of a decision by the division to remove the minor from the foster home, unless the removal was for the purpose of:

(i) returning the minor to the minor's natural parent or legal guardian;

(ii) immediately placing the minor in an approved adoptive home;

(iii) placing the minor with a relative who obtained custody or asserted an interest in the minor within the preference period described in Subsection 80-3-302(8); or

(iv) placing an Indian child in accordance with placement preferences and other requirements described in the Indian Child Welfare Act, 25 U.S.C. Sec. 1915~~(f)~~, or Section 80-2c-205.

(b) The foster parent may petition the juvenile court under this section without exhausting administrative remedies within the division.

(c) The juvenile court may order the division to place the minor in a specified home, and shall base the juvenile court's determination on the best interest of the minor.

(4) The requirements of this section do not apply to the removal of a minor based on a foster parent's request for that removal.

Section ~~34~~35. Section **80-4-305** is amended to read:

80-4-305. Court disposition of child upon termination of parental rights --

HB0040S01 compared with HB0040

Posttermination reunification.

(1) Except as provided in Subsection (7), as used in this section, "relative" means:

(a) an adult who is a grandparent, great-grandparent, aunt, great aunt, uncle, great uncle, brother-in-law, sister-in-law, stepparent, first cousin, sibling, or stepsibling of a child; and

(b) in the case of a child who is an Indian child, an extended family member as defined in the Indian Child Welfare Act, 25 U.S.C. Sec. 1903, or Section 80-2c-101.

(2) Upon entry of an order under this chapter, the juvenile court may:

(a) place the child in the legal custody and guardianship of a child-placing agency or the division for adoption; or

(b) make any other disposition of the child authorized under Section 80-3-405.

(3) Subject to Subsections (4) and (6), the division shall place all adoptable children placed in the custody of the division for adoption.

(4) If the parental rights of all parents of an adoptable child placed in the custody of the division are terminated and a suitable adoptive placement is not already available, the juvenile court:

(a) shall determine whether there is a relative who desires to adopt the child;

(b) may order the division to conduct a reasonable search to determine whether there is a relative who is willing to adopt the child; and

(c) shall, if a relative desires to adopt the child:

(i) make a specific finding regarding the fitness of the relative to adopt the child; and

(ii) place the child for adoption with the relative unless the juvenile court finds that adoption by the relative is not in the best interest of the child.

(5) If an individual who is not a relative of the child desires to adopt the child, the juvenile court shall, before entering an order for adoption of the child, determine whether due weight was given to the relative's preferential consideration under Subsection 80-3-302(7)(a)(i).

(6) This section does not guarantee that a relative will be permitted to adopt the child.

(7) A parent whose rights are terminated under this chapter, or a relative of the child, as defined by Section 80-3-102, may petition for guardianship of the child if:

(a) (i) following an adoptive placement, the child's adoptive parent returns the child to

the custody of the division; or

(ii) the child is in the custody of the division for one year following the day on which the parent's rights were terminated, and no permanent placement has been found or is likely to be found; and

(b) reunification with the child's parent, or guardianship by the child's relative, is in the best interest of the child.
