22                   *Be it resolved by the Legislature of the state of Utah, the Governor concurring therein:*

23                   WHEREAS, before the government-mandated economic shutdowns during the  
24                   COVID-19 pandemic, the Tax Cuts and Jobs Act of 2017 spurred steady economic expansion  
25                   and allowed the spirit of entrepreneurship to flourish while creating new jobs and opportunities  
26                   for millions of Americans;

27                   WHEREAS, the tax cuts of 2017 resulted in a \$1.5 trillion net tax cut and were  
28                   followed by historically low unemployment rates, an increase in business investment, and a  
29                   \$6,000 increase in real median household income over two years, which included raises and

30 bonuses for workers immediately after the 2017 tax cuts were adopted;

31 WHEREAS, more than 100 million American taxpayers from all income groups,  
32 particularly middle and working class Americans, have enjoyed real tax relief due to the Tax  
33 Cuts and Jobs Act;

34 WHEREAS, twenty-three provisions of the 2017 tax cuts directly relating to individual  
35 income taxes, such as the reductions in personal income tax rates, the near doubling of the  
36 standard deduction, and the substantial reduction of the Alternative Minimum Tax (AMT) will  
37 expire after December 31, 2025;

38 WHEREAS, the 2017 tax cuts reduced federal tax rates for households across every  
39 income level, and this relief resulted in a tax cut of more than \$1,500 for the average  
40 middle-income earner;

41 WHEREAS, before the 2017 tax cuts, the top corporate income tax rate in the United  
42 States was 35%, the highest among all nations in the Organization for Economic Co-operation  
43 and Development (OECD);

44 WHEREAS, the 2017 tax cuts reduced the business tax rate from 35% to 21%, bringing  
45 the United States back to average among OECD member nations and enhancing American  
46 competitiveness;

47 WHEREAS, the 2017 tax cuts set an annual cap of \$10,000 on the state and local tax  
48 (SALT) deduction, thereby broadening the tax base at the federal level and in many states,  
49 which caused state level budget surpluses and resulted in many states offering substantial tax  
50 relief;

51 WHEREAS, if the current \$10,000 cap on the SALT deduction is allowed to expire  
52 after December 31, 2025, the federal tax base will be narrowed;

53 WHEREAS, returning to an unlimited SALT deduction would be an incentive for many  
54 states to once again implement higher taxes and spend at higher levels;

55 WHEREAS, a majority of Americans support making the 2017 tax cuts permanent; and

56 WHEREAS, allowing the Tax Cuts and Jobs Act of 2017 to expire would result in a tax  
57 increase on hardworking American taxpayers, a significant decline in American

58 competitiveness, fewer jobs, reduced wage income for workers, and higher prices:

59           NOW, THEREFORE, BE IT RESOLVED that the Legislature of the state of Utah, the  
60 Governor concurring therein, urges the United States Congress to permanently extend the Tax  
61 Cuts and Jobs Act of 2017 with commensurate spending cuts to avoid increasing the federal  
62 debt burden.

63           BE IT FURTHER RESOLVED that a copy of this resolution be sent to the members of  
64 Utah's congressional delegation.
