3493 modified by an appropriate authority in the remote state as may be defined in the rules of the
3494 commission.
- 3495 D. Except as provided in Section 4 subsection C, an individual practicing in a remote
3496 state will be subject to the remote state's authority and laws. A remote state may, in accordance
3497 with due process and that state's laws, restrict, suspend, or revoke an individual's privilege to

3498 practice in the remote state and may take any other necessary actions to protect the health and
3499 safety of its citizens. If a remote state takes action it shall promptly notify the home state and
3500 the Commission.

3501 E. If an individual's license in any home state is restricted or suspended, the individual
3502 shall not be eligible to practice in a remote state under the privilege to practice until the
3503 individual's home state license is restored.

3504 F. If an individual's privilege to practice in any remote state is restricted, suspended, or
3505 revoked the individual shall not be eligible to practice in any remote state until the individual's
3506 privilege to practice is restored.

3516 that remote state;

3517 4. The individual enters a remote state to pick up a patient and provide care and
3518 transport to a third member state;

3519 5. Other conditions as determined by rules promulgated by the commission.

3520 SECTION 6. RELATIONSHIP TO EMERGENCY

3521 MANAGEMENT ASSISTANCE COMPACT

3522 Upon a member state's governor's declaration of a state of emergency or disaster that
3523 activates the Emergency Management Assistance Compact (EMAC), all relevant terms and
3524 provisions of EMAC shall apply and to the extent any terms or provisions of this Compact
3525 conflicts with EMAC, the terms of EMAC shall prevail with respect to any individual
3526 practicing in the remote state in response to such declaration.

3527 SECTION 7. VETERANS, SERVICE MEMBERS SEPARATING
3528 FROM ACTIVE DUTY MILITARY, AND THEIR SPOUSES

3529 A. Member states shall consider a veteran, active military service member, and
3530 member of the National Guard and Reserves separating from an active duty tour, and a spouse
3531 thereof, who holds a current valid and unrestricted NREMT certification at or above the level
3532 of the state license being sought as satisfying the minimum training and examination
3533 requirements for such licensure.

3534 B. Member states shall expedite the processing of licensure applications submitted by
3535 veterans, active military service members, and members of the National Guard and Reserves
3536 separating from an active duty tour, and their spouses.

3537 C. All individuals functioning with a privilege to practice under this Section remain
3538 subject to the Adverse Actions provisions of Section VIII.

3539 SECTION 8. ADVERSE ACTIONS

3540 A. A home state shall have exclusive power to impose adverse action against an
3541 individual's license issued by the home state.

3542 B. If an individual's license in any home state is restricted or suspended, the individual
3543 shall not be eligible to practice in a remote state under the privilege to practice until the
3544 individual's home state license is restored.

3545 1. All home state adverse action orders shall include a statement that the individual's
3546 compact privileges are inactive. The order may allow the individual to practice in remote states
3547 with prior written authorization from both the home state and remote state's EMS authority.

3548 2. An individual currently subject to adverse action in the home state shall not practice
3549 in any remote state without prior written authorization from both the home state and remote
3550 state's EMS authority.

3551 C. A member state shall report adverse actions and any occurrences that the
3552 individual's compact privileges are restricted, suspended, or revoked to the Commission in
3553 accordance with the rules of the Commission.

3554 D. A remote state may take adverse action on an individual's privilege to practice
3555 within that state.

3556 E. Any member state may take adverse action against an individual's privilege to
3557 practice in that state based on the factual findings of another member state, so long as each
3558 state follows its own procedures for imposing such adverse action.

3559 F. A home state's EMS authority shall investigate and take appropriate action with

3560 respect to reported conduct in a remote state as it would if such conduct had occurred within
3561 the home state. In such cases, the home state's law shall control in determining the appropriate
3562 adverse action.

3563 G. Nothing in this Compact shall override a member state's decision that participation
3564 in an alternative program may be used in lieu of adverse action and that such participation shall
3565 remain non-public if required by the member state's laws. Member states must require
3566 individuals who enter any alternative programs to agree not to practice in any other member
3567 state during the term of the alternative program without prior authorization from such other
3568 member state.

3569 SECTION 9. ADDITIONAL POWERS INVESTED
3570 IN A MEMBER STATE'S EMS AUTHORITY

3571 A member state's EMS authority, in addition to any other powers granted under state
3572 law, is authorized under this compact to:

3573 1. Issue subpoenas for both hearings and investigations that require the attendance and
3574 testimony of witnesses and the production of evidence. Subpoenas issued by a member state's
3575 EMS authority for the attendance and testimony of witnesses, and/or the production of
3576 evidence from another member state, shall be enforced in the remote state by any court of
3577 competent jurisdiction, according to that court's practice and procedure in considering
3578 subpoenas issued in its own proceedings. The issuing state EMS authority shall pay any
3579 witness fees, travel expenses, mileage, and other fees required by the service statutes of the
3580 state where the witnesses and/or evidence are located; and

3581 2. Issue cease and desist orders to restrict, suspend, or revoke an individual's privilege
3582 to practice in the state.

3583 SECTION 10. ESTABLISHMENT OF THE INTERSTATE
3584 COMMISSION FOR EMS PERSONNEL PRACTICE

3585 A. The Compact states hereby create and establish a joint public agency known as the
3586 Interstate Commission for EMS Personnel Practice.

3587 1. The Commission is a body politic and an instrumentality of the Compact states.

3588 2. Venue is proper and judicial proceedings by or against the Commission shall be
3589 brought solely and exclusively in a court of competent jurisdiction where the principal office of
3590 the Commission is located. The Commission may waive venue and jurisdictional defenses to

3591 the extent it adopts or consents to participate in alternative dispute resolution proceedings.

3592 3. Nothing in this Compact shall be construed to be a waiver of sovereign immunity.

3593 B. Membership, Voting, and Meetings

3594 1. Each member state shall have and be limited to one (1) delegate. The responsible
3595 official of the state EMS authority or his designee shall be the delegate to this Compact for
3596 each member state. Any delegate may be removed or suspended from office as provided by the
3597 law of the state from which the delegate is appointed. Any vacancy occurring in the
3598 Commission shall be filled in accordance with the laws of the member state in which the
3599 vacancy exists. In the event that more than one board, office, or other agency with the
3600 legislative mandate to license EMS personnel at and above the level of EMT exists, the
3601 Governor of the state will determine which entity will be responsible for assigning the delegate.

3602 2. Each delegate shall be entitled to one (1) vote with regard to the promulgation of
3603 rules and creation of bylaws and shall otherwise have an opportunity to participate in the
3604 business and affairs of the Commission. A delegate shall vote in person or by such other
3605 means as provided in the bylaws. The bylaws may provide for delegates' participation in
3606 meetings by telephone or other means of communication.

3607 3. The Commission shall meet at least once during each calendar year. Additional
3608 meetings shall be held as set forth in the bylaws.

3609 4. All meetings shall be open to the public, and public notice of meetings shall be
3610 given in the same manner as required under the rulemaking provisions in Section XII.

3611 5. The Commission may convene in a closed, non-public meeting if the Commission
3612 must discuss:

- 3613 a. Non-compliance of a member state with its obligations under the Compact;
- 3614 b. The employment, compensation, discipline or other personnel matters, practices or
3615 procedures related to specific employees or other matters related to the Commission's internal
3616 personnel practices and procedures;

- 3620 f. Disclosure of trade secrets or commercial or financial information that is privileged
3621 or confidential;

3622 g. Disclosure of information of a personal nature where disclosure would constitute a
3623 clearly unwarranted invasion of personal privacy;

3624 h. Disclosure of investigatory records compiled for law enforcement purposes;

3625 i. Disclosure of information related to any investigatory reports prepared by or on
3626 behalf of or for use of the Commission or other committee charged with responsibility of
3627 investigation or determination of compliance issues pursuant to the compact; or

3628 j. Matters specifically exempted from disclosure by federal or member state statute.

3629 6. If a meeting, or portion of a meeting, is closed pursuant to this provision, the
3630 Commission's legal counsel or designee shall certify that the meeting may be closed and shall
3631 reference each relevant exempting provision. The Commission shall keep minutes that fully
3632 and clearly describe all matters discussed in a meeting and shall provide a full and accurate
3633 summary of actions taken, and the reasons therefore, including a description of the views
3634 expressed. All documents considered in connection with an action shall be identified in such
3635 minutes. All minutes and documents of a closed meeting shall remain under seal, subject to
3636 release by a majority vote of the Commission or order of a court of competent jurisdiction.

3637 C. The Commission shall, by a majority vote of the delegates, prescribe bylaws and/or
3638 rules to govern its conduct as may be necessary or appropriate to carry out the purposes and
3639 exercise the powers of the compact, including but not limited to:

3640 1. Establishing the fiscal year of the Commission;

3641 2. Providing reasonable standards and procedures:

3642 a. for the establishment and meetings of other committees; and

3646 Commission, ensuring reasonable advance notice of all meetings, and providing an opportunity
3647 for attendance of such meetings by interested parties, with enumerated exceptions designed to
3648 protect the public's interest, the privacy of individuals, and proprietary information, including
3649 trade secrets. The Commission may meet in closed session only after a majority of the
3650 membership votes to close a meeting in whole or in part. As soon as practicable, the
3651 Commission must make public a copy of the vote to close the meeting revealing the vote of
3652 each member with no proxy votes allowed;

3653 4. Establishing the titles, duties and authority, and reasonable procedures for the
3654 election of the officers of the Commission;

3655 5. Providing reasonable standards and procedures for the establishment of the
3656 personnel policies and programs of the Commission. Notwithstanding any civil service or
3657 other similar laws of any member state, the bylaws shall exclusively govern the personnel
3658 policies and programs of the Commission;

3659 6. Promulgating a code of ethics to address permissible and prohibited activities of
3660 Commission members and employees;

3661 7. Providing a mechanism for winding up the operations of the Commission and the
3662 equitable disposition of any surplus funds that may exist after the termination of the Compact
3663 after the payment and/or reserving of all of its debts and obligations;

3664 8. The Commission shall publish its bylaws and file a copy thereof, and a copy of any
3665 amendment thereto, with the appropriate agency or officer in each of the member states, if
3666 any[-];

3667 9. The Commission shall maintain its financial records in accordance with the
3668 bylaws[-]; and

3669 10. The Commission shall meet and take such actions as are consistent with the
3670 provisions of this Compact and the bylaws.

3671 D. The Commission shall have the following powers:

3672 1. The authority to promulgate uniform rules to facilitate and coordinate
3673 implementation and administration of this Compact. The rules shall have the force and effect
3674 of law and shall be binding in all member states;

3675 2. To bring and prosecute legal proceedings or actions in the name of the Commission,
3676 provided that the standing of any state EMS authority or other regulatory body responsible for
3677 EMS personnel licensure to sue or be sued under applicable law shall not be affected;

3678 3. To purchase and maintain insurance and bonds;

3679 4. To borrow, accept, or contract for services of personnel, including, but not limited
3680 to, employees of a member state;

3684 qualifications of personnel, and other related personnel matters;

3685 6. To accept any and all appropriate donations and grants of money, equipment,
3686 supplies, materials and services, and to receive, utilize and dispose of the same; provided that
3687 at all times the Commission shall strive to avoid any appearance of impropriety and/or conflict
3688 of interest;

3689 7. To lease, purchase, accept appropriate gifts or donations of, or otherwise to own,
3690 hold, improve or use, any property, real, personal or mixed; provided that at all times the
3691 Commission shall strive to avoid any appearance of impropriety;

3692 8. To sell convey, mortgage, pledge, lease, exchange, abandon, or otherwise dispose of
3693 any property real, personal, or mixed;

3694 9. To establish a budget and make expenditures;

3695 10. To borrow money;

3696 11. To appoint committees, including advisory committees comprised of members,
3697 state regulators, state legislators or their representatives, and consumer representatives, and
3698 such other interested persons as may be designated in this compact and the bylaws;

3699 12. To provide and receive information from, and to cooperate with, law enforcement
3700 agencies;

3701 13. To adopt and use an official seal; and

3702 14. To perform such other functions as may be necessary or appropriate to achieve the
3703 purposes of this Compact consistent with the state regulation of EMS personnel licensure and
3704 practice.

3705 E. Financing of the Commission

3706 1. The Commission shall pay, or provide for the payment of, the reasonable expenses
3707 of its establishment, organization, and ongoing activities.

3710 3. The Commission may levy on and collect an annual assessment from each member
3711 state or impose fees on other parties to cover the cost of the operations and activities of the
3712 Commission and its staff, which must be in a total amount sufficient to cover its annual budget
3713 as approved each year for which revenue is not provided by other sources. The aggregate
3714 annual assessment amount shall be allocated based upon a formula to be determined by the

3715 Commission, which shall promulgate a rule binding upon all member states.

3716 4. The Commission shall not incur obligations of any kind prior to securing the funds
3717 adequate to meet the same; nor shall the Commission pledge the credit of any of the member
3718 states, except by and with the authority of the member state.

3720 The receipts and disbursements of the Commission shall be subject to the audit and accounting
3721 procedures established under its bylaws. However, all receipts and disbursements of funds
3722 handled by the Commission shall be audited yearly by a certified or licensed public accountant,
3723 and the report of the audit shall be included in and become part of the annual report of the
3724 Commission.

3725 F. Qualified Immunity, Defense, and Indemnification

3726 1. The members, officers, executive director, employees and representatives of the
3727 Commission shall be immune from suit and liability, either personally or in their official
3728 capacity, for any claim for damage to or loss of property or personal injury or other civil
3729 liability caused by or arising out of any actual or alleged act, error or omission that occurred, or
3730 that the person against whom the claim is made had a reasonable basis for believing occurred
3731 within the scope of Commission employment, duties or responsibilities; provided that nothing
3732 in this paragraph shall be construed to protect any such person from suit and/or liability for any
3733 damage, loss, injury, or liability caused by the intentional or willful or wanton misconduct of
3734 that person.

3735 2. The Commission shall defend any member, officer, executive director, employee or
3736 representative of the Commission in any civil action seeking to impose liability arising out of
3737 any actual or alleged act, error, or omission that occurred within the scope of Commission
3738 employment, duties, or responsibilities, or that the person against whom the claim is made had
3739 a reasonable basis for believing occurred within the scope of Commission employment, duties,
3740 or responsibilities; provided that nothing herein shall be construed to prohibit that person from
3741 retaining his or her own counsel; and provided further, that the actual or alleged act, error, or
3742 omission did not result from that person's intentional or willful or wanton misconduct.

3743 3. The Commission shall indemnify and hold harmless any member, officer, executive
3744 director, employee, or representative of the Commission for the amount of any settlement or
3745 judgment obtained against that person arising out of any actual or alleged act, error or omission

3747 such person had a reasonable basis for believing occurred within the scope of Commission
3748 employment, duties, or responsibilities, provided that the actual or alleged act, error, or
3749 omission did not result from the intentional or willful or wanton misconduct of that person.

3750 SECTION 11. COORDINATED DATABASE

3751 A. The Commission shall provide for the development and maintenance of a
3752 coordinated database and reporting system containing licensure, adverse action, and significant
3753 investigatory information on all licensed individuals in member states.

3754 B. Notwithstanding any other provision of state law to the contrary, a member state
3755 shall submit a uniform data set to the coordinated database on all individuals to whom this
3756 compact is applicable as required by the rules of the Commission, including:

- 3757 1. Identifying information;
- 3758 2. Licensure data;
- 3759 3. Significant investigatory information;
- 3760 4. Adverse actions against an individual's license;

3762 revoked;
- 3763 6. Non-confidential information related to alternative program participation;
- 3764 7. Any denial of application for licensure, and the reason(s) for such denial; and
- 3765 8. Other information that may facilitate the administration of this Compact, as
3766 determined by the rules of the Commission.

3767 C. The coordinated database administrator shall promptly notify all member states of
3768 any adverse action taken against, or significant investigative information on, any individual in a
3769 member state.

3770 D. Member states contributing information to the coordinated database may designate
3771 information that may not be shared with the public without the express permission of the
3772 contributing state.

3773 E. Any information submitted to the coordinated database that is subsequently required
3774 to be expunged by the laws of the member state contributing the information shall be removed
3775 from the coordinated database.

3776 SECTION 12. RULEMAKING

3777 A. The Commission shall exercise its rulemaking powers pursuant to the criteria set
3778 forth in this Section and the rules adopted thereunder. Rules and amendments shall become
3779 binding as of the date specified in each rule or amendment.

3780 B. If a majority of the legislatures of the member states rejects a rule, by enactment of a
3781 statute or resolution in the same manner used to adopt the Compact, then such rule shall have
3782 no further force and effect in any member state.

3783 C. Rules or amendments to the rules shall be adopted at a regular or special meeting of
3784 the Commission.

3785 D. Prior to promulgation and adoption of a final rule or rules by the Commission, and
3786 at least sixty (60) days in advance of the meeting at which the rule will be considered and voted
3787 upon, the Commission shall file a Notice of Proposed Rulemaking:

- 3788 1. On the website of the Commission; and
3789 2. On the website of each member state EMS authority or the publication in which each
3790 state would otherwise publish proposed rules.

3791 E. The Notice of Proposed Rulemaking shall include:

- 3792 1. The proposed time, date, and location of the meeting in which the rule will be
3793 considered and voted upon;
3794 2. The text of the proposed rule or amendment and the reason for the proposed rule;
3795 3. A request for comments on the proposed rule from any interested person; and
3796 4. The manner in which interested persons may submit notice to the Commission of
3797 their intention to attend the public hearing and any written comments.

3798 F. Prior to adoption of a proposed rule, the Commission shall allow persons to submit
3799 written data, facts, opinions, and arguments, which shall be made available to the public.

3800 G. The Commission shall grant an opportunity for a public hearing before it adopts a
3801 rule or amendment if a hearing is requested by:

- 3802 1. At least twenty-five (25) persons;
3803 2. A governmental subdivision or agency; or
3804 3. An association having at least twenty-five (25) members.

3805 H. If a hearing is held on the proposed rule or amendment, the Commission shall
3806 publish the place, time, and date of the scheduled public hearing.

- 3807 1. All persons wishing to be heard at the hearing shall notify the executive director of

3808 the Commission or other designated member in writing of their desire to appear and testify at
3809 the hearing not less than five (5) business days before the scheduled date of the hearing.

3810 2. Hearings shall be conducted in a manner providing each person who wishes to
3811 comment a fair and reasonable opportunity to comment orally or in writing.

3812 3. No transcript of the hearing is required, unless a written request for a transcript is
3813 made, in which case the person requesting the transcript shall bear the cost of producing the
3814 transcript. A recording may be made in lieu of a transcript under the same terms and
3815 conditions as a transcript. This subsection shall not preclude the Commission from making a
3816 transcript or recording of the hearing if it so chooses.

3817 4. Nothing in this section shall be construed as requiring a separate hearing on each
3818 rule. Rules may be grouped for the convenience of the Commission at hearings required by
3819 this section.

3820 I. Following the scheduled hearing date, or by the close of business on the scheduled
3821 hearing date if the hearing was not held, the Commission shall consider all written and oral
3822 comments received.

3823 J. The Commission shall, by majority vote of all members, take final action on the
3824 proposed rule and shall determine the effective date of the rule, if any, based on the rulemaking
3825 record and the full text of the rule.

3826 K. If no written notice of intent to attend the public hearing by interested parties is
3827 received, the Commission may proceed with promulgation of the proposed rule without a
3828 public hearing.

3829 L. Upon determination that an emergency exists, the Commission may consider and
3830 adopt an emergency rule without prior notice, opportunity for comment, or hearing, provided
3831 that the usual rulemaking procedures provided in the Compact and in this section shall be
3832 retroactively applied to the rule as soon as reasonably possible, in no event later than ninety
3833 (90) days after the effective date of the rule. For the purposes of this provision, an emergency
3834 rule is one that must be adopted immediately in order to:

- 3835 1. Meet an imminent threat to public health, safety, or welfare;
- 3836 2. Prevent a loss of Commission or member state funds;
- 3837 3. Meet a deadline for the promulgation of an administrative rule that is established by
3838 federal law or rule; or

3839 4. Protect public health and safety.

3840 M. The Commission or an authorized committee of the Commission may direct
3841 revisions to a previously adopted rule or amendment for purposes of correcting typographical
3842 errors, errors in format, errors in consistency, or grammatical errors. Public notice of any
3843 revisions shall be posted on the website of the Commission. The revision shall be subject to
3844 challenge by any person for a period of thirty (30) days after posting. The revision may be
3845 challenged only on grounds that the revision results in a material change to a rule. A challenge
3846 shall be made in writing, and delivered to the chair of the Commission prior to the end of the
3847 notice period. If no challenge is made, the revision will take effect without further action. If
3848 the revision is challenged, the revision may not take effect without the approval of the
3849 Commission.

3850 SECTION 13. OVERSIGHT, DISPUTE RESOLUTION, AND ENFORCEMENT

3851 A. Oversight

3852 1. The executive, legislative, and judicial branches of state government in each
3853 member state shall enforce this compact and take all actions necessary and appropriate to
3854 effectuate the compact's purposes and intent. The provisions of this compact and the rules
3855 promulgated hereunder shall have standing as statutory law.

3856 2. All courts shall take judicial notice of the compact and the rules in any judicial or
3857 administrative proceeding in a member state pertaining to the subject matter of this compact
3858 which may affect the powers, responsibilities or actions of the Commission.

3859 3. The Commission shall be entitled to receive service of process in any such
3860 proceeding, and shall have standing to intervene in such a proceeding for all purposes. Failure
3861 to provide service of process to the Commission shall render a judgment or order void as to the
3862 Commission, this Compact, or promulgated rules.

3863 B. Default, Technical Assistance, and Termination

3864 1. If the Commission determines that a member state has defaulted in the performance
3865 of its obligations or responsibilities under this compact or the promulgated rules, the
3866 Commission shall:

3867 a. Provide written notice to the defaulting state and other member states of the nature
3868 of the default, the proposed means of curing the default and/or any other action to be taken by
3869 the Commission; and

3870 b. Provide remedial training and specific technical assistance regarding the default.

3871 2. If a state in default fails to cure the default, the defaulting state may be terminated
3872 from the Compact upon an affirmative vote of a majority of the member states, and all rights,
3873 privileges and benefits conferred by this compact may be terminated on the effective date of
3874 termination. A cure of the default does not relieve the offending state of obligations or
3875 liabilities incurred during the period of default.

3876 3. Termination of membership in the compact shall be imposed only after all other
3877 means of securing compliance have been exhausted. Notice of intent to suspend or terminate
3878 shall be given by the Commission to the governor, the majority and minority leaders of the

3882 beyond the effective date of termination.

3883 5. The Commission shall not bear any costs related to a state that is found to be in

3889 including reasonable attorney's fees.

3890 C. Dispute Resolution

3891 1. Upon request by a member state, the Commission shall attempt to resolve disputes
3892 related to the compact that arise among member states and between member and non-member
3893 states.

3894 2. The Commission shall promulgate a rule providing for both mediation and binding
3895 dispute resolution for disputes as appropriate.

3896 D. Enforcement

3897 1. The Commission, in the reasonable exercise of its discretion, shall enforce the
3898 provisions and rules of this compact.

3899 2. By majority vote, the Commission may initiate legal action in the United States
3900 District Court for the District of Columbia or the federal district where the Commission has its

3901 principal offices against a member state in default to enforce compliance with the provisions of
3902 the compact and its promulgated rules and bylaws. The relief sought may include both
3903 injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing
3904 member shall be awarded all costs of such litigation, including reasonable attorney's fees.

3906 Commission may pursue any other remedies available under federal or state law.

3908 COMMISSION FOR EMS PERSONNEL PRACTICE AND
3909 ASSOCIATED RULES, WITHDRAWAL, AND AMENDMENT

3917 law in that state. Any rule that has been previously adopted by the Commission shall have the
3918 full force and effect of law on the day the compact becomes law in that state.

3919 C. Any member state may withdraw from this compact by enacting a statute repealing
3920 the same.

3921 1. A member state's withdrawal shall not take effect until six (6) months after
3922 enactment of the repealing statute.

3923 2. Withdrawal shall not affect the continuing requirement of the withdrawing state's
3924 EMS authority to comply with the investigative and adverse action reporting requirements of
3925 this act prior to the effective date of withdrawal.

3926 D. Nothing contained in this compact shall be construed to invalidate or prevent any
3927 EMS personnel licensure agreement or other cooperative arrangement between a member state
3928 and a non-member state that does not conflict with the provisions of this compact.

3929 E. This Compact may be amended by the member states. No amendment to this
3930 Compact shall become effective and binding upon any member state until it is enacted into the
3931 laws of all member states.

3932 SECTION 15. CONSTRUCTION AND SEVERABILITY

3934 this compact shall be held contrary to the constitution of any state member thereto, the compact
3935 shall remain in full force and effect as to the remaining member states. Nothing in this
3936 compact supersedes state law or rules related to licensure of EMS agencies.

4361 (b) (i) A person convicted under this Subsection (4) is guilty of a first degree felony
4362 and shall be imprisoned for a term of not less than five years if the penalty that would
4363 otherwise have been established but for this Subsection (4) would have been a first degree
4364 felony.

4365 (ii) Imposition or execution of the sentence may not be suspended, and the person is

4366 not eligible for probation.

4367 (c) If the classification that would otherwise have been established would have been
4368 less than a first degree felony but for this Subsection (4), a person convicted under this
4369 Subsection (4) is guilty of one degree more than the maximum penalty prescribed for that

4371 (d) (i) If the violation is of Subsection (4)(a)(ix):

4379 requests, commands, coerces, encourages, or intentionally aids another person to commit a
4380 violation of Subsection (4)(a)(ix).

4381 (e) It is not a defense to a prosecution under this Subsection (4) that:

4382 (i) the actor mistakenly believed the individual to be 18 years old or older at the time of
4383 the offense or was unaware of the individual's true age; or

4384 (ii) the actor mistakenly believed that the location where the act occurred was not as
4385 described in Subsection (4)(a) or was unaware that the location where the act occurred was as
4386 described in Subsection (4)(a).

4387 (5) A violation of this chapter for which no penalty is specified is a class B
4388 misdemeanor.

4389 (6) (a) For purposes of penalty enhancement under Subsections (1) and (2), a plea of
4390 guilty or no contest to a violation or attempted violation of this section or a plea which is held
4391 in abeyance under Title 77, Chapter 2a, Pleas in Abeyance, is the equivalent of a conviction,
4392 even if the charge has been subsequently reduced or dismissed in accordance with the plea in
4393 abeyance agreement.

4394 (b) A prior conviction used for a penalty enhancement under Subsection (2) shall be a
4395 conviction that is:

4396 (i) from a separate criminal episode than the current charge; and

4397 (ii) from a conviction that is separate from any other conviction used to enhance the
4398 current charge.

4402 of, a civil or administrative penalty or sanction authorized by law.

4403 (b) When a violation of this chapter violates a federal law or the law of another state,
4404 conviction or acquittal under federal law or the law of another state for the same act is a bar to
4405 prosecution in this state.

4406 (9) In any prosecution for a violation of this chapter, evidence or proof that shows a
4407 person or persons produced, manufactured, possessed, distributed, or dispensed a controlled
4408 substance or substances, is prima facie evidence that the person or persons did so with
4409 knowledge of the character of the substance or substances.

4410 (10) This section does not prohibit a veterinarian, in good faith and in the course of the
4411 veterinarian's professional practice only and not for humans, from prescribing, dispensing, or
4412 administering controlled substances or from causing the substances to be administered by an
4413 assistant or orderly under the veterinarian's direction and supervision.

4414 (11) Civil or criminal liability may not be imposed under this section on:

4422 traditional ceremonial purposes in connection with the practice of a traditional Indian religion
4423 as defined in Section 58-37-2.

4424 (b) In a prosecution alleging violation of this section regarding peyote as defined in
4425 Section 58-37-4, it is an affirmative defense that the peyote was used, possessed, or transported
4426 by an Indian for bona fide traditional ceremonial purposes in connection with the practice of a
4427 traditional Indian religion.

4428 (c) (i) The defendant shall provide written notice of intent to claim an affirmative
4429 defense under this Subsection (12) as soon as practicable, but not later than 10 days before
4430 trial.

4431 (ii) The notice shall include the specific claims of the affirmative defense.

4432 (iii) The court may waive the notice requirement in the interest of justice for good
4433 cause shown, if the prosecutor is not unfairly prejudiced by the lack of timely notice.

4434 (d) The defendant shall establish the affirmative defense under this Subsection (12) by
4435 a preponderance of the evidence. If the defense is established, it is a complete defense to the
4436 charges.

4437 (13) (a) It is an affirmative defense that the person produced, possessed, or
4438 administered a controlled substance listed in Section 58-37-4.2 if the person was:

4439 (i) engaged in medical research; and

4440 (ii) a holder of a valid license to possess controlled substances under Section 58-37-6.

4441 (b) It is not a defense under Subsection (13)(a) that the person prescribed or dispensed
4442 a controlled substance listed in Section 58-37-4.2.

4443 (14) It is an affirmative defense that the person possessed, in the person's body, a
4444 controlled substance listed in Section 58-37-4.2 if:

4445 (a) the person was the subject of medical research conducted by a holder of a valid
4446 license to possess controlled substances under Section 58-37-6; and

4447 (b) the substance was administered to the person by the medical researcher.

4448 (15) The application of any increase in penalty under this section to a violation of
4449 Subsection (2)(a)(i) may not result in any greater penalty than a second degree felony. This
4450 Subsection (15) takes precedence over any conflicting provision of this section.

4451 (16) (a) It is an affirmative defense to an allegation of the commission of an offense
4452 listed in Subsection (16)(b) that the person or bystander:

4453 (i) reasonably believes that the person or another person is experiencing an overdose
4454 event due to the ingestion, injection, inhalation, or other introduction into the human body of a
4455 controlled substance or other substance;

4456 (ii) reports, or assists a person who reports, in good faith the overdose event to a
4457 medical provider, an emergency medical service provider as defined in Section [26-8a-102]
4458 53-2d-101, a law enforcement officer, a 911 emergency call system, or an emergency dispatch

4459 system, or the person is the subject of a report made under this Subsection (16);

4460 (iii) provides in the report under Subsection (16)(a)(ii) a functional description of the
4461 actual location of the overdose event that facilitates responding to the person experiencing the
4462 overdose event;

4463 (iv) remains at the location of the person experiencing the overdose event until a
4464 responding law enforcement officer or emergency medical service provider arrives, or remains
4465 at the medical care facility where the person experiencing an overdose event is located until a
4466 responding law enforcement officer arrives;

4467 (v) cooperates with the responding medical provider, emergency medical service
4468 provider, and law enforcement officer, including providing information regarding the person
4469 experiencing the overdose event and any substances the person may have injected, inhaled, or
4470 otherwise introduced into the person's body; and

4471 (vi) is alleged to have committed the offense in the same course of events from which
4472 the reported overdose arose.

4474 (i) the possession or use of less than 16 ounces of marijuana;

4475 (ii) the possession or use of a scheduled or listed controlled substance other than
4476 marijuana; and

4477 (iii) any violation of Chapter 37a, Utah Drug Paraphernalia Act, or Chapter 37b,
4478 Imitation Controlled Substances Act.

4479 (c) As used in this Subsection (16) and in Section [76-3-203.11](#), "good faith" does not
4480 include seeking medical assistance under this section during the course of a law enforcement
4481 agency's execution of a search warrant, execution of an arrest warrant, or other lawful search.

4482 (17) If any provision of this chapter, or the application of any provision to any person
4483 or circumstances, is held invalid, the remainder of this chapter shall be given effect without the
4484 invalid provision or application.

4485 (18) A legislative body of a political subdivision may not enact an ordinance that is
4486 less restrictive than any provision of this chapter.

4487 (19) If a minor who is under 18 years old is found by a court to have violated this
4488 section or Subsection [76-5-102.1\(2\)\(b\)](#) or [76-5-207\(2\)\(b\)](#), the court may order the minor to
4489 complete:

- 4490 (a) a screening as defined in Section [41-6a-501](#);
