Be it enacted by the Legislature of the state of Utah:

Section 1. Section **17C-1-603** is amended to read:

17C-1-603. Reporting requirements -- Governor's Office of Economic

Opportunity to maintain a database.

(1) On or before June 1, 2022, the Governor's Office of Economic Opportunity shall:

- (a) create a database to track information for each agency located within the state; and
- (b) make the database publicly accessible from the office's website.

(2) (a) The Governor's Office of Economic Opportunity may:

- (i) contract with a third party to create and maintain the database described in

Subsection (1); and

(ii) charge a fee for a county, city, or agency to provide information to the database described in Subsection (1).

(b) The Governor's Office of Economic Opportunity shall make rules, in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, to establish a fee schedule for the fee described in Subsection (2)(a)(ii).

(3) Beginning in 2022, on or before June 30 of each calendar year, an agency shall, for each active project area for which the project area funds collection period has not expired, provide to the database described in Subsection (1) the following information:

(a) an assessment of the change in marginal value, including:

- (i) the base year;
- (ii) the base taxable value;
- (iii) the prior year's assessed value;
- (iv) the estimated current assessed value;
- (v) the percentage change in marginal value; and
- (vi) a narrative description of the relative growth in assessed value;

(b) the amount of project area funds the agency received for each year of the project area funds collection period, including:

(i) a comparison of the actual project area funds received for each year to the amount of project area funds forecasted for each year when the project area was created, if available;

SB0153S03 compared with SB0153

(ii) (A) the agency's historical receipts of project area funds, including the tax year for which the agency first received project area funds from the project area; or

(B) if the agency has not yet received project area funds from the project area, the year in which the agency expects each project area funds collection period to begin;

(iii) a list of each taxing entity that levies or imposes a tax within the project area and a description of the benefits that each taxing entity receives from the project area; and

(iv) the amount paid to other taxing entities under Section 17C-1-410, if applicable;

(c) a description of current and anticipated project area development, including:

(i) a narrative of any significant project area development, including infrastructure development, site development, participation agreements, or vertical construction; and

(ii) other details of development within the project area, including:

(A) the total developed acreage;

(B) the total undeveloped acreage;

(C) the percentage of residential development; and

(D) the total number of housing units authorized, if applicable;

(d) the project area budget, if applicable, or other project area funds analyses,

including:

(i) each project area funds collection period, including:

(A) the start and end date of the project area funds collection period; and

(B) the number of years remaining in each project area funds collection period;

(ii) the amount of project area funds the agency is authorized to receive from the project area cumulatively and from each taxing entity, including:

(A) the total dollar amount; and

(B) the percentage of the total amount of project area funds generated within the project area;

(iii) the remaining amount of project area funds the agency is authorized to receive from the project area cumulatively and from each taxing entity; and

(iv) the amount of project area funds the agency is authorized to use to pay for the agency's administrative costs, as described in Subsection 17C-1-409(1), including:

(A) the total dollar amount; and

(B) the percentage of the total amount of all project area funds;

SB0153S03 compared with SB0153

(e) the estimated amount of project area funds that the agency is authorized to receive from the project area for the current calendar year;

(f) the estimated amount of project area funds to be paid to the agency for the next calendar year;

(g) a map of the project area; and

(h) any other relevant information the agency elects to provide.

~~[(4)(a) Until the Governor's Office of Economic Opportunity creates a database as required in Subsection (1), an agency shall, on or before November 1 of each calendar year, electronically submit a report to:]~~

~~[(i) the community in which the agency operates;]~~

~~[(ii) the county auditor;]~~

~~[(iii) the State Tax Commission;]~~

Section ~~{15}~~ 21. Section **63N-13-101** is amended to read:

63N-13-101. Title -- Projects to assist companies to secure new business with federal, state, and local governments.

(1) This chapter is known as "Procurement Programs."

(2) The Legislature recognizes that:

(a) many Utah companies provide products and services which are routinely procured by a myriad of governmental entities at all levels of government, but that attempting to understand and comply with the numerous certification, registration, proposal, and contract requirements associated with government procurement often raises significant barriers for those companies with no government contracting experience;

(b) the costs associated with obtaining a government contract for products or services often prevent most small businesses from working in the governmental procurement market;

(c) currently a majority of federal procurement opportunities are contracted to businesses located outside of the state;

SB0153S03 compared with SB0153

(d) the office currently administers programs and initiatives that help create and grow companies in Utah and recruit companies to Utah through the use of state employees, public-private partnerships, and contractual services; and

(e) there exists a significant opportunity for Utah companies to secure new business with federal, state, and local governments.

(3) The office, through its executive director:

(a) shall manage and direct the administration of state and federal programs and initiatives whose purpose is to procure federal, state, and local governmental contracts;

(b) may require program accountability measures; and

(c) may receive and distribute legislative appropriations and public and private grants for projects and programs that:

(i) are focused on growing Utah companies and positively impacting statewide revenues by helping these companies secure new business with federal, state, and local governments;

(ii) provide guidance to Utah companies interested in obtaining new business with federal, state, and local governmental entities;

(iii) would facilitate marketing, business development, and expansion opportunities for Utah companies in cooperation with the office's [~~Procurement Technical Assistance Center Program~~] APEX accelerator program and with public, nonprofit, or private sector partners such as local chambers of commerce, trade associations, or private contractors as determined by the office's director to successfully match Utah businesses with government procurement opportunities; and

(iv) may include the following components:

(A) recruitment, individualized consultation, and an introduction to government contracting;

(B) specialized contractor training for companies located in Utah;

(C) a Utah contractor matching program for government requirements;

(D) experienced proposal and bid support; and

(E) specialized support services.

(4) (a) The office, through its executive director, shall make any distribution referred to in Subsection (3) on a semiannual basis.

SB0153S03 compared with SB0153

(b) A recipient of money distributed under this section shall provide the office with a set of standard monthly reports, the content of which shall be determined by the office to include at least the following information:

- (i) consultive meetings with Utah companies;
- (ii) seminars or training meetings held;
- (iii) government contracts awarded to Utah companies;
- (iv) increased revenues generated by Utah companies from new government contracts;
- (v) jobs created;
- (vi) salary ranges of new jobs; and
