

3rd Sub. H.B. 425

ENERGY SECURITY AMENDMENTS

SENATE FLOOR AMENDMENTS

AMENDMENT 2

MARCH 1, 2023 7:01 AM

Senator **Nate Blouin** proposes the following amendments:

1. Page 6, Lines 152 through 163:

- 152 (a) affordable, reliable, dispatchable, clean, and secure energy resources are important to the
153 health, safety, and welfare of the state's citizens;
- 154 (b) the state has invested substantial resources in the development of affordable,
155 reliable, dispatchable, clean, and secure energy resources within the state;
- 156 (c) the early retirement of an electrical generation facility that provides affordable,
157 reliable, dispatchable, clean, and secure energy is a threat to the health, safety, and welfare of the
158 state's citizens;
- 159 (d) the state's police powers, reserved to the state by the United States Constitution,
160 provide the state with sovereign authority to make and enforce laws for the protection of the
161 health, safety, and welfare of the state's citizens;
- 162 (e) the state has a duty to defend the production and supply of affordable, reliable,
163 dispatchable, clean, and secure energy from external regulatory interference; and
