S.B. 152

SOCIAL MEDIA REGULATION AMENDMENTS

SENATE COMMITTEE AMENDMENTS

AMENDMENT 1 JANUARY 31, 2023 3:58 PM

Senator Michael K. McKell proposes the following amendments:

1. Pag	ge 6, Line 166 through Page 7, Line 201:
166	(10) (a) "Social media platform" means an online forum that a social media company
167	makes available for an account holder to:
168	(i) create a profile;
169	(ii) upload posts;
170	(iii) view the posts of other account holders; and
171	(iv) interact with other account holders or users.
172	(b) "Social media platform" does not include an online service, website, or application:
173	(i) where the predominant or exclusive function is:
174	(A) electronic mail;
175	(B) direct messaging consisting of messages, photos, or videos that are sent from one device to
	another through electronic means ;
176	(C) a streaming service that:
177	(I) provides only licensed media in a continuous flow from the service, website, or
178	application to the end user; and
179	(II) does not obtain a license to the media from a user by agreement to its terms of
180	service;
180	(D) news, sports, entertainment, or other content that is is preselected by the provider and not
180	
	(D) news, sports, entertainment, or other content that is is preselected by the provider and not user generated, if any chat, comment, or interactive functionality that is also provided is incidental to, directly related to, or dependent upon provision of the content;
181	(D) news, sports, entertainment, or other content that is is preselected by the provider and not user generated, if any chat, comment, or interactive functionality that is also provided is incidental to, directly related to, or dependent upon provision of the content; (D) (E) online shopping or e-commerce, if the interaction with other users or account
181 182	(D) news, sports, entertainment, or other content that is is preselected by the provider and not user generated, if any chat, comment, or interactive functionality that is also provided is incidental to, directly related to, or dependent upon provision of the content;
181 182 183	(D) news, sports, entertainment, or other content that is is preselected by the provider and not user generated, if any chat, comment, or interactive functionality that is also provided is incidental to, directly related to, or dependent upon provision of the content; (E) online shopping or e-commerce, if the interaction with other users or account holders is generally limited to: (I) the ability to post and comment on reviews;
181 182 183 184	(D) news, sports, entertainment, or other content that is is preselected by the provider and not user generated, if any chat, comment, or interactive functionality that is also provided is incidental to, directly related to, or dependent upon provision of the content; (E) online shopping or e-commerce, if the interaction with other users or account holders is generally limited to: (I) the ability to post and comment on reviews; (II) the ability to display lists or collections of goods for sale or wish lists; and
181 182 183 184 185	(D) news, sports, entertainment, or other content that is is preselected by the provider and not user generated, if any chat, comment, or interactive functionality that is also provided is incidental to, directly related to, or dependent upon provision of the content; (E) online shopping or e-commerce, if the interaction with other users or account holders is generally limited to: (I) the ability to post and comment on reviews; (II) the ability to display lists or collections of goods for sale or wish lists; and (III) other functions that are focused on online shopping or e-commerce rather than
181 182 183 184 185 186	(D) news, sports, entertainment, or other content that is is preselected by the provider and not user generated, if any chat, comment, or interactive functionality that is also provided is incidental to, directly related to, or dependent upon provision of the content; (E) online shopping or e-commerce, if the interaction with other users or account holders is generally limited to: (I) the ability to post and comment on reviews; (II) the ability to display lists or collections of goods for sale or wish lists; and (III) other functions that are focused on online shopping or e-commerce rather than interaction between users or account holders;
181 182 183 184 185 186 187	(D) news, sports, entertainment, or other content that is is preselected by the provider and not user generated, if any chat, comment, or interactive functionality that is also provided is incidental to, directly related to, or dependent upon provision of the content; (E) online shopping or e-commerce, if the interaction with other users or account holders is generally limited to: (I) the ability to post and comment on reviews; (II) the ability to display lists or collections of goods for sale or wish lists; and (III) other functions that are focused on online shopping or e-commerce rather than
181 182 183 184 185 186	(D) news, sports, entertainment, or other content that is is preselected by the provider and not user generated, if any chat, comment, or interactive functionality that is also provided is incidental to, directly related to, or dependent upon provision of the content; (E) online shopping or e-commerce, if the interaction with other users or account holders is generally limited to: (I) the ability to post and comment on reviews; (II) the ability to display lists or collections of goods for sale or wish lists; and (III) other functions that are focused on online shopping or e-commerce rather than interaction between users or account holders;
181 182 183 184 185 186 187 188	(D) news, sports, entertainment, or other content that is is preselected by the provider and not user generated, if any chat, comment, or interactive functionality that is also provided is incidental to, directly related to, or dependent upon provision of the content; {(D)} (E) online shopping or e-commerce, if the interaction with other users or account holders is generally limited to: (I) the ability to post and comment on reviews; (II) the ability to display lists or collections of goods for sale or wish lists; and (III) other functions that are focused on online shopping or e-commerce rather than interaction between users or account holders; (E) business to business software that is not accessible to the general public; (F) cloud storage or shared document collaboration; (G) cloud storage or shared document collaboration platforms, libraries, or
181 182 183 184 185 186 187 188 189	(D) news, sports, entertainment, or other content that is is preselected by the provider and not user generated, if any chat, comment, or interactive functionality that is also provided is incidental to, directly related to, or dependent upon provision of the content; {(B)} (E) online shopping or e-commerce, if the interaction with other users or account holders is generally limited to: (I) the ability to post and comment on reviews; (II) the ability to display lists or collections of goods for sale or wish lists; and (III) other functions that are focused on online shopping or e-commerce rather than interaction between users or account holders; (E) business to business software that is not accessible to the general public; (E) (G) cloud storage or shared document collaboration; (G) providing access to or interacting with data visualization platforms, libraries, or hubs;
181 182 183 184 185 186 187 188	(D) news, sports, entertainment, or other content that is is preselected by the provider and not user generated, if any chat, comment, or interactive functionality that is also provided is incidental to, directly related to, or dependent upon provision of the content; {(D)} (E) online shopping or e-commerce, if the interaction with other users or account holders is generally limited to: (I) the ability to post and comment on reviews; (II) the ability to display lists or collections of goods for sale or wish lists; and (III) other functions that are focused on online shopping or e-commerce rather than interaction between users or account holders; (E) business to business software that is not accessible to the general public; (F) cloud storage or shared document collaboration; (G) cloud storage or shared document collaboration platforms, libraries, or

193	{ (J) for the purpose of providing or obtaining technical support for the social media
194	<u>company's</u> platform <u>, products, or services</u> ; <u>or</u>
	(K) academic or scholarly research;
195	(ii) where:
196	(A) the majority of the content that is posted or created is posted or created by the
197	provider of the online service, website, or application; and
198	(B) the ability to chat, comment, or interact with other account holders is directly
199	related to the provider's content; or
200	(iii) that is a classified ad service that only permits the sale of goods and prohibits the
201	solicitation of personal services.
