Section 1. Section 80-2-602 is amended to read:

80-2-602. Child abuse and neglect reporting requirements -- Exceptions.
(1) Except as provided in Subsection (3), if a person, including an individual licensed...
under Title 58, Chapter 31b, Nurse Practice Act, or Title 58, Chapter 67, Utah Medical Practice
Act, has reason to believe that a child is, or has been, the subject of abuse or neglect, or
observes a child being subjected to conditions or circumstances that would reasonably result in
abuse or neglect, the person shall immediately report the suspected abuse or neglect to the
division or to the nearest peace officer or law enforcement agency.

(2) (a) (i) If a peace officer or law enforcement agency receives a report under
Subsection (1), the peace officer or law enforcement agency shall immediately notify the
nearest office of the division.
(ii) If the division receives a report under Subsection (1), the division shall
immediately notify the appropriate local law enforcement agency.

(b) (i) The division shall, in addition to the division's own investigation in accordance
with Section 80-2-701, coordinate with the law enforcement agency on an investigation
undertaken by the law enforcement agency to investigate the report of abuse or neglect under
Subsection (1).
(ii) If a law enforcement agency undertakes an investigation of a report under
Subsection (1), the law enforcement agency shall provide a final investigatory report to the
division upon request.

(3) Subject to Subsection (4), the reporting requirement described in Subsection (1)
does not apply to:
(a) a member of the clergy, with regard to any confession made to the member of the
clergy while functioning in the ministerial capacity of the member of the clergy and without the
consent of the individual making the confession, if:
(i) the perpetrator made the confession directly to the member of the clergy; and
(ii) the member of the clergy is, under canon law or church doctrine or practice, bound
to maintain the confidentiality of the confession; or
(b) an attorney, or an individual employed by the attorney, if the knowledge or belief of
the suspected abuse or neglect of a child arises from the representation of a client, unless the
attorney is permitted to reveal the suspected abuse or neglect of the child to prevent reasonably
certain death or substantial bodily harm in accordance with Utah Rules of Professional
Conduct, Rule 1.6.

(4) (a) Notwithstanding the exemption in Subsection (3)(a), a member of the clergy
may report suspected child abuse or neglect.

(b) When a member of the clergy receives information about abuse or neglect from any source other than confession of the perpetrator, the member of the clergy is required to report the information even if the member of the clergy also received information about the abuse or neglect from the confession of the perpetrator.

[(b)] (c) Exemption of the reporting requirement for an individual described in Subsection (3) does not exempt the individual from any other efforts required by law to prevent further abuse or neglect by the perpetrator.

(5) The physician-patient privilege does not:

(a) excuse an individual who is licensed under Title 58, Chapter 67, Utah Medical Practice Act, or Title 58, Chapter 68, Utah Osteopathic Medical Practice Act, from reporting under this section; or

(b) constitute grounds for excluding evidence regarding the child's injuries, or the cause of the child's injuries, in a judicial or administrative proceeding resulting from a report under this section.

Section 2. **Effective date.**

This bill takes effect on May 1, 2024.
