57 Section 1. Section **10-2-403** is amended to read:

58 **10-2-403. Annexation petition -- Requirements -- Notice required before filing.**

59 (1) Except as provided in Section **10-2-418** and except for an automatic annexation
60 under Section **10-2-429**, the process to annex an unincorporated area to a municipality is
61 initiated by a petition as provided in this section.

62 (2) (a) (i) Before filing a petition under Subsection (1), the person or persons intending
63 to file a petition shall:

64 (A) file with the city recorder or town clerk of the proposed annexing municipality a
65 notice of intent to file a petition; and

66 (B) send a copy of the notice of intent to each affected entity.

67 (ii) Each notice of intent under Subsection (2)(a)(i) shall include an accurate map of the
68 area that is proposed to be annexed.

69 (b) (i) Subject to Subsection (2)(b)(ii), the county in which the area proposed to be
70 annexed is located shall:

71 (A) mail the notice described in Subsection (2)(b)(iii) to:

72 (I) each owner of real property located within the area proposed to be annexed; and

73 (II) each owner of real property located within 300 feet of the area proposed to be
74 annexed; and

75 (B) send to the proposed annexing municipality a copy of the notice and a certificate
76 indicating that the notice has been mailed as required under Subsection (2)(b)(i)(A).

77 (ii) The county shall mail the notice required under Subsection (2)(b)(i)(A) within 20
78 days after receiving from the person or persons who filed the notice of intent:

79 (A) a written request to mail the required notice; and

86 Records show that you own property within an area that is intended to be included in a
87 proposed annexation to (state the name of the proposed annexing municipality) or that is within

88 300 feet of that area. If your property is within the area proposed for annexation, you may be
89 asked to sign a petition supporting the annexation. You may choose whether to sign the

91 sign the petition but later change your mind about supporting the annexation, you may

93 of (state the name of the proposed annexing municipality) within 30 days after (state the name
94 of the proposed annexing municipality) receives notice that the petition has been certified.

95 There will be no public election on the proposed annexation because Utah law does not
96 provide for an annexation to be approved by voters at a public election. Signing or not signing
97 the annexation petition is the method under Utah law for the owners of property within the area
98 proposed for annexation to demonstrate their support of or opposition to the proposed
99 annexation.

100 You may obtain more information on the proposed annexation by contacting (state the
101 name, mailing address, telephone number, and email address of the official or employee of the
102 proposed annexing municipality designated to respond to questions about the proposed
103 annexation), (state the name, mailing address, telephone number, and email address of the

105 or (state the name, mailing address, telephone number, and email address of the person who
106 filed the notice of intent under Subsection (2)(a)(i)(A), or, if more than one person filed the
107 notice of intent, one of those persons). Once filed, the annexation petition will be available for
108 inspection and copying at the office of (state the name of the proposed annexing municipality)
109 located at (state the address of the municipal offices of the proposed annexing municipality).";

141 (d) contain on each signature page a notice in bold and conspicuous terms that states

157 area proposed for annexation to a municipality in a previously filed petition that has not been
158 denied, rejected, or granted.

159 (5) If practicable and feasible, the boundaries of an area proposed for annexation shall
160 be drawn:

161 (a) along the boundaries of existing special districts and special service districts for
162 sewer, water, and other services, along the boundaries of school districts whose boundaries

750 feasibility consultant shall project and report the expected annual revenue surplus to the contact
751 sponsor and the lieutenant governor.

752 (5) (a) Except as provided in Subsection (5)(b), if the results of the feasibility study, or

755 cost calculated under Subsection (3)(a)(iii) by more than 5%, the process to incorporate the
756 area that is the subject of the feasibility study or supplemental feasibility study may not
757 proceed.

758 (b) The process to incorporate an area described in Subsection (5)(a) may proceed if a

813 (i) the physical and other assets that will no longer be required by the municipal
814 services district to continue to provide the current level of service to the remainder of the
815 service area without the community council area if the community council area incorporates
816 and provides services directly or through contract with another service provider;

817 (j) the number and classification of municipal services district employees who will no

827 provider with which the community council municipality contracts for service; and

828 (l) any other factor that the feasibility consultant considers relevant to the cost of

831 (4) (a) For purposes of Subsections (3)(d) and (e):

832 (i) the feasibility consultant shall assume a level and quality of service to be provided
833 in the future to the community council municipality that fairly and reasonably approximates the
834 level and quality of service that the municipal services district provides to the community
835 council area at the time of the feasibility study;

836 (ii) in determining the present-value cost of a service that the municipal services

859 allocation or transfer would impair the municipal services district's ability to continue to
860 provide the current level of service to the remainder of the municipal services district's service
861 area without the community council area, unless the municipal services district consents to the
862 allocation or transfer.
