50 (a) identify any federal regulation impacting that state agency for which:

51 (i) a federal agency issued the federal regulation to implement a federal statute; and

52 (ii) the federal agency received Chevron deference in the agency's interpretation of the  
53 federal statute; and

54 (b) report any federal regulation identified under Subsection (2)(a) to the Office of the  
55 Attorney General.

56 (3) The attorney general may file suit on behalf of the state challenging any federal

57 regulation impacted by Chevron deference if:

59 (i) holds that a court may not give Chevron deference to a federal agency's

60 interpretation of a federal statute; or

62 federal statute; and

63 (b) the attorney general determines that the state can successfully challenge the federal

64 regulation.
