36	Be it enacted by the Legislature of the state of Utah:
37	Section 1. Section 13-44-202 is amended to read:
38	13-44-202. Personal information Disclosure of system security breach.
39	(1) (a) A person who owns or licenses computerized data that includes personal
40	information concerning a Utah resident shall, when the person becomes aware of a breach of
41	system security, conduct in good faith a reasonable and prompt investigation to determine the
42	likelihood that personal information has been or will be misused for identity theft or fraud
43	purposes.
44	(b) If an investigation under Subsection (1)(a) reveals that the misuse of personal
45	information for identity theft or fraud purposes has occurred, or is reasonably likely to occur,
46	the person shall provide notification to each affected Utah resident.
47	(c) If an investigation under Subsection (1)(a) reveals that the misuse of personal
48	information relating to 500 or more Utah residents, for identity theft or fraud purposes, has
49	occurred or is reasonably likely to occur, the person shall, in addition to the notification
50	required in Subsection (1)(b), provide notification to:
51	(i) the Office of the Attorney General; and
52	(ii) the Utah Cyber Center created in Section [$63A-16-510$] $63A-16-1102$.
53	(d) If an investigation under Subsection (1)(a) reveals that the misuse of personal
54	information relating to 1,000 or more Utah residents, for identity theft or fraud purposes, has
55	occurred or is reasonably likely to occur, the person shall, in addition to the notification
56	required in Subsections (1)(b) and (c), provide notification to each consumer reporting agency

57	that compiles and maintains files on consumers on a nationwide basis, as defined in 15 U.S.C.
58	Sec. 1681a.
59	(2) A person required to provide notification under Subsection (1) shall provide the
60	notification in the most expedient time possible without unreasonable delay:
61	(a) considering legitimate investigative needs of law enforcement, as provided in
62	Subsection (4)(a);
63	(b) after determining the scope of the breach of system security; and
64	(c) after restoring the reasonable integrity of the system.
65	(3) (a) A person who maintains computerized data that includes personal information
66	that the person does not own or license shall notify and cooperate with the owner or licensee of
67	the information of any breach of system security immediately following the person's discovery
68	of the breach if misuse of the personal information occurs or is reasonably likely to occur.
69	(b) Cooperation under Subsection (3)(a) includes sharing information relevant to the
70	breach with the owner or licensee of the information.
71	(4) (a) Notwithstanding Subsection (2), a person may delay providing notification
72	under Subsection (1)(b) at the request of a law enforcement agency that determines that
73	notification may impede a criminal investigation.
74	(b) A person who delays providing notification under Subsection (4)(a) shall provide
75	notification in good faith without unreasonable delay in the most expedient time possible after
76	the law enforcement agency informs the person that notification will no longer impede the
77	criminal investigation.
78	(5) (a) A notification required by Subsection (1)(b) may be provided:
79	(i) in writing by first-class mail to the most recent address the person has for the
80	resident;
81	(ii) electronically, if the person's primary method of communication with the resident is
82	by electronic means, or if provided in accordance with the consumer disclosure provisions of
83	15 U.S.C. Section 7001;
84	(iii) by telephone, including through the use of automatic dialing technology not
85	prohibited by other law; or
86	(iv) for residents of the state for whom notification in a manner described in
87	Subsections (5)(a)(i) through (iii) is not feasible, by publishing notice of the breach of system

88	security:
89	(A) in a newspaper of general circulation; and
90	(B) as required in Section 45-1-101.
91	(b) If a person maintains the person's own notification procedures as part of an
92	information security policy for the treatment of personal information the person is considered
93	to be in compliance with the notification requirement in Subsection (1)(b) if the procedures are
94	otherwise consistent with this chapter's timing requirements and the person notifies each
95	affected Utah resident in accordance with the person's information security policy in the event
96	of a breach.
97	(c) A person who is regulated by state or federal law and maintains procedures for a
98	breach of system security under applicable law established by the primary state or federal
99	regulator is considered to be in compliance with this part if the person notifies each affected
100	Utah resident in accordance with the other applicable law in the event of a breach.
101	(6) (a) [If a person providing a notification under Subsection (1)(c) to the Office of the
102	Attorney General or the Utah Cyber Center submits the information required under Subsection
103	63G-2-309(1)(a)(i), records submitted to the Office of the Attorney General or the Utah Cyber
104	Center under Subsection (1)(c) and information produced by the Office of the Attorney General
105	or the Utah Cyber Center for any coordination or assistance provided to the person are
106	presumed to be confidential and are a protected record under Subsections 63G-2-305(1) and
107	(2).] The following information may be deemed confidential and classified as a protected
108	record under Subsections 63G-2-305(1) and (2) if the requirements of Subsection
109	<u>63G-2-309(1)(a)(i) are met:</u>
110	(i) a notification submitted under Subsection (1)(c), including supporting information
111	provided under Subsection (6)(b); and
112	(ii) information produced by the Office of the Attorney General or the Utah Cyber
113	Center in providing coordination or assistance to person providing notification under
114	Subsection (1)(c).
115	(b) A person providing notification under Subsection (1)(c) to the Office of the
116	Attorney General or the Utah Cyber Center of a breach of system security shall include the
117	following information in the notification, to the extent the information is known or available at
118	the time the person provides the notification:

119	(i) the date the breach of system security occurred;
120	(ii) the date the breach of system security was discovered;
121	(iii) the total number of people affected by the breach of system security, including the
122	total number of Utah residents affected;
123	(iv) the type of personal information involved in the breach of system security; and
124	(v) a short description of the breach of system security that occurred.
125	[(b) The department may disclose information provided by a person under Subsection
126	(1)(c) or produced as described in Subsection (6)(a) only if:]
127	[(i) disclosure is necessary to prevent imminent and substantial harm; or]
128	[(ii) the information is anonymized or aggregated in a manner that makes it unlikely
129	that information that is a trade secret, as defined in Section 13-24-2, will be disclosed.]
130	(7) A waiver of this section is contrary to public policy and is void and unenforceable.
131	Section 2. Section 63A-16-1101 is enacted to read:
