None

### Utah Code Sections Affected:

ENACTS:

**26B-7-122**, Utah Code Annotated 1953

---

---

*Be it enacted by the Legislature of the state of Utah:*

Section 1. Section **26B-7-122** is enacted to read:

**26B-7-122. Maternal and child health services -- Information sharing within state agencies.**

(1) As used in this section:

(a) "~~{Evidence-based early childhood home visiting services}~~ means early childhood services delivered using a service delivery model that meets the United States Department of Health and Human Services criteria for an evidence-based early childhood home visiting service delivery model~~}~~**Division**" means the Division of Family Health.

(b) "Recipient" means an individual, or the individual's parent if the individual is a minor, who receives services from the ~~{Division of Family Health, including evidence-based early childhood home visiting services}~~**division**.

(c) "Universal consent form" means a form described in Subsection (4).

(2) The ~~{department}~~**division** shall ensure that a recipient is informed of any services offered by a state agency that the recipient may be eligible to receive.

(3) Subject to appropriation, the ~~{department}~~**division** shall develop a process that will allow the ~~{department}~~**division** to follow up directly or indirectly with a recipient to determine the degree to which the recipient's needs have been addressed by services provided by the department.

(4) (a) The ~~{department}~~**division** shall develop a universal consent form that complies with all relevant state and federal laws regarding information sharing for the facilitation of maternal and child health services.

(b) An individual may complete the universal consent form to authorize a state agency to share the individual's information with another state agency in order to facilitate ~~{providing}~~**access to** maternal and child health services.

(c) An individual may:

## **SB0141S02 compared with SB0141S01**

(i) limit which state agencies receive the individual's information; and

(ii) revoke the individual's consent for sharing the information at any time.

(d) A state agency, including a local education agency, shall:

(i) accept the form if the state agency offers maternal and child health services; and

(ii) share the individual's information with another state agency that offers maternal

and child health services in accordance with the individual's direction.

**Section 2. Effective date.**

This bill takes effect on May 1, 2024.
