ENACTS:

41-1a-523, Utah Code Annotated 1953

72-7-111, Utah Code Annotated 1953

Be it enacted by the Legislature of the state of Utah:

Section 1. Section **17B-2a-804** is amended to read:

17B-2a-804. Additional public transit district powers.

(1) In addition to the powers conferred on a public transit district under Section 17B-1-103, a public transit district may:

(a) provide a public transit system for the transportation of passengers and their incidental baggage;

(b) notwithstanding Subsection 17B-1-103(2)(g) and subject to Section 17B-2a-817, levy and collect property taxes only for the purpose of paying:

(i) principal and interest of bonded indebtedness of the public transit district; or

(ii) a final judgment against the public transit district if:

SB0179S04 compared with SB0179S03

(A) the amount of the judgment exceeds the amount of any collectable insurance or indemnity policy; and

(B) the district is required by a final court order to levy a tax to pay the judgment;

(c) insure against:

(i) loss of revenues from damage to or destruction of some or all of a public transit system from any cause;

(ii) public liability;

(iii) property damage; or

(iv) any other type of event, act, or omission;

(d) subject to Section [~~72-1-202~~] 72-1-203 pertaining to fixed guideway capital development within a large public transit district, acquire, contract for, lease, construct, own, operate, control, or use:

(i) a right-of-way, rail line, monorail, bus line, station, platform, switchyard, terminal, parking lot, or any other facility necessary or convenient for public transit service; or

(ii) any structure necessary for access by persons and vehicles;

(e) (i) hire, lease, or contract for the supplying or management of a facility, operation, equipment, service, employee, or management staff of an operator; and

(ii) provide for a sublease or subcontract by the operator upon terms that are in the public interest;

(f) operate feeder bus lines and other feeder or ridesharing services as necessary;

(g) accept a grant, contribution, or loan, directly through the sale of securities or equipment trust certificates or otherwise, from the United States, or from a department, instrumentality, or agency of the United States;

(h) study and plan transit facilities in accordance with any legislation passed by Congress;

(i) cooperate with and enter into an agreement with the state or an agency of the state or otherwise contract to finance to establish transit facilities and equipment or to study or plan transit facilities;

(j) subject to Subsection [~~17B-2a-808.1(5)~~], 17B-2a-808.1(4), issue bonds as provided in and subject to Chapter 1, Part 11, Special District Bonds, to carry out the purposes of the district;

SB0179S04 compared with SB0179S03

(k) from bond proceeds or any other available funds, reimburse the state or an agency of the state for an advance or contribution from the state or state agency;

(l) do anything necessary to avail itself of any aid, assistance, or cooperation available under federal law, including complying with labor standards and making arrangements for employees required by the United States or a department, instrumentality, or agency of the United States;

(m) sell or lease property;

(n) except as provided in Subsection (2)(b), assist in or operate transit-oriented or transit-supportive developments;

(o) subject to Subsections (2) and (3), establish, finance, participate as a limited partner or member in a development with limited liabilities in accordance with Subsection (1)(p), construct, improve, maintain, or operate transit facilities, equipment, and, in accordance with Subsection (3), transit-oriented developments or transit-supportive developments; and

(p) subject to the restrictions and requirements in Subsections (2) and (3), assist in a transit-oriented development or a transit-supportive development in connection with project area development as defined in Section 17C-1-102 by:

(i) investing in a project as a limited partner or a member, with limited liabilities; or

(ii) subordinating an ownership interest in real property owned by the public transit district.

(2) (a) A public transit district may only assist in the development of areas under Subsection (1)(p) that have been approved by the board of trustees, and in the manners described in Subsection (1)(p).

(b) A public transit district may not invest in a transit-oriented development or transit-supportive development as a limited partner or other limited liability entity under the provisions of Subsection (1)(p)(i), unless the partners, developer, or other investor in the entity, makes an equity contribution equal to no less than 25% of the appraised value of the property to be contributed by the public transit district.

(c) (i) For transit-oriented development projects, a public transit district shall adopt transit-oriented development policies and guidelines that include provisions on affordable housing.

(ii) For transit-supportive development projects, a public transit district shall work with

SB0179S04 compared with SB0179S03

the metropolitan planning organization and city and county governments where the project is located to collaboratively seek to create joint plans for the areas within one-half mile of transit stations, including plans for affordable housing.

(d) A current board member of a public transit district to which the board member is appointed may not have any interest in the transactions engaged in by the public transit district pursuant to Subsection (1)(p)(i) or (ii), except as may be required by the board member's fiduciary duty as a board member.

(3) For any transit-oriented development or transit-supportive development authorized in this section, the public transit district shall:

(a) perform a cost-benefit analysis of the monetary investment and expenditures of the development, including effect on:

- (i) service and ridership;
- (ii) regional plans made by the metropolitan planning agency;
- (iii) the local economy;
- (iv) the environment and air quality;
- (v) affordable housing; and
- (vi) integration with other modes of transportation;

(b) provide evidence to the public of a quantifiable positive return on investment, including improvements to public transit service; and

(c) coordinate with the Department of Transportation in accordance with Section ~~[72-1-202]~~ 72-2-203 pertaining to fixed guideway capital development and associated parking facilities within a station area plan for a transit oriented development within a large public transit district.

(4) For any fixed guideway capital development project with oversight by the Department of Transportation as described in Section ~~[72-1-202]~~ 72-2-203, a large public transit district shall coordinate with the Department of Transportation in all aspects of the project, including planning, project development, outreach, programming, environmental studies and impact statements, impacts on public transit operations, and construction.

(5) A public transit district may participate in a transit-oriented development only if:

- (a) for a transit-oriented development involving a municipality:
 - (i) the relevant municipality has developed and adopted a station area plan; and

SB0179S04 compared with SB0179S03

(ii) the municipality is in compliance with Sections 10-9a-403 and 10-9a-408 regarding the inclusion of moderate income housing in the general plan and the required reporting requirements; or

(b) for a transit-oriented development involving property in an unincorporated area of a county, the county is in compliance with Sections 17-27a-403 and 17-27a-408 regarding inclusion of moderate income housing in the general plan and required reporting requirements.

(6) A public transit district may be funded from any combination of federal, state, local, or private funds.

(7) A public transit district may not acquire property by eminent domain.

Section 2. Section **17B-2a-806** is amended to read:

17B-2a-806. Authority of the state or an agency of the state with respect to a public transit district -- Counties and municipalities authorized to provide funds to public transit district -- Equitable allocation of resources within the public transit district.

(1) The state or an agency of the state may:

(a) make public contributions to a public transit district as in the judgment of the Legislature or governing board of the agency are necessary or proper;

(b) authorize a public transit district to perform, or aid and assist a public transit district in performing, an activity that the state or agency is authorized by law to perform; or

(c) perform any action that the state agency is authorized by law to perform for the benefit of a public transit district.

(2) (a) A county or municipality involved in the establishment and operation of a public transit district may provide funds necessary for the operation and maintenance of the district.

(b) A county's use of property tax funds to establish and operate a public transit district within any part of the county is a county purpose under Section 17-53-220.

(3) (a) To allocate resources and funds for development and operation of a public transit district, whether received under this section or from other sources, and subject to Section [~~72-1-202~~] 72-1-203 pertaining to fixed guideway capital development within a large public transit district, a public transit district may:

(i) give priority to public transit services that feed rail fixed guideway services; and

SB0179S04 compared with SB0179S03

(ii) allocate funds according to population distribution within the public transit district.

(b) The comptroller of a public transit district shall report the criteria and data supporting the allocation of resources and funds in the statement required in Section 17B-2a-812.

Section 3. Section **17B-2a-807.2** is amended to read:

17B-2a-807.2. Existing large public transit district board of trustees -- Appointment -- Quorum -- Compensation -- Terms.

(1) (a) (i) For a large public transit district created before January 1, 2019, and except as provided in Subsection (7), the board of trustees shall consist of three members appointed as described in Subsection (1)(b).

(ii) For purposes of a large public transit district created before January 1, 2019, the nominating regions are as follows:

(A) a central region that is Salt Lake County;

(B) a southern region that is comprised of Utah County and the portion of Tooele County that is part of the large public transit district; and

(C) a northern region that is comprised of Davis County, Weber County, and the portion of Box Elder County that is part of the large public transit district.

(iii) (A) If a large public transit district created before January 1, 2019, annexes an additional county into the large public transit district pursuant to Section 17B-1-402, following the issuance of the certificate of annexation by the lieutenant governor, the political subdivisions making up the large public transit district shall submit to the Legislature for approval a proposal for the creation of three regions for nominating members to the board of trustees of the large public transit district.

(B) If a large public transit district created before January 1, 2019, has a change to the boundaries of the large public transit district, the Legislature, after receiving and considering the proposal described in Subsection (1)(a)(iii)(A), shall designate the three regions for nominating members to the board of trustees of the large public transit district.

(b) (i) Except as provided in Subsection (5), the governor, with advice and consent of the Senate, shall appoint the members of the board of trustees, making:

(A) one appointment from individuals nominated from the central region as described in Subsection (2);

SB0179S04 compared with SB0179S03

(B) one appointment from individuals nominated from the southern region described in Subsection (3); and

(C) one appointment from individuals nominated from the northern region described in Subsection (4).

(2) For the appointment from the central region, the governor shall appoint one individual selected from five individuals nominated as follows:

(a) two individuals nominated by the council of governments of Salt Lake County; and

(b) three individuals nominated by the mayor of Salt Lake County, with approval of the Salt Lake County council.

(3) For the appointment from the southern region, the governor shall appoint one individual selected from five individuals nominated as follows:

(a) two individuals nominated by the council of governments of Utah County;

(b) two individuals nominated by the county commission of Utah County; and

(c) one individual nominated by the county [~~commission~~] legislative body of Tooele County.

(4) For the appointment from the northern region, the governor shall appoint one individual selected from five individuals nominated as follows:

(a) one individual nominated by the council of governments of Davis County;

(b) one individual nominated by the council of governments of Weber County;

(c) one individual nominated by the county commission of Davis County;

(d) one individual nominated by the county commission of Weber County; and

(e) one individual nominated by the county commission of Box Elder County.

(5) (a) The nominating counties described in Subsections (2) through (4) shall ensure that nominations are submitted to the governor no later than June 1 of each respective nominating year.

(b) If the governor fails to appoint one of the individuals nominated as described in Subsection (2), (3), or (4), as applicable, within 60 days of the nominations, the following appointment procedures apply:

(i) for an appointment for the central region, the Salt Lake County council shall appoint an individual, with confirmation by the Senate;

(ii) for an appointment for the southern region, the Utah County commission shall

SB0179S04 compared with SB0179S03

appoint an individual, in consultation with the Tooele County [~~commission~~] legislative body, with confirmation by the Senate; and

(iii) for an appointment for the northern region, the Davis County commission and the Weber County commission, collectively, and in consultation with the Box Elder County commission, shall appoint an individual, with confirmation by the Senate.

(6) (a) Each nominee shall be a qualified executive with technical and administrative experience and training appropriate for the position.

(b) The board of trustees of a large public transit district shall be full-time employees of the public transit district.

(c) The compensation package for the board of trustees shall be determined by the local advisory council as described in Section 17B-2a-808.2.

(d) (i) Subject to Subsection (6)(d)(iii), for a board of trustees of a large public transit district, "quorum" means at least two members of the board of trustees.

(ii) Action by a majority of a quorum constitutes an action of the board of trustees.

(iii) A meeting of a quorum of a board of trustees of a large public transit district is subject to Section 52-4-103 regarding convening of a three-member board of trustees and what constitutes a public meeting.

(7) (a) Subject to Subsection (8), each member of the board of trustees of a large public transit district shall serve for a term of four years.

(b) A member of the board of trustees may serve an unlimited number of terms.

(c) Notwithstanding Subsection (2), (3), or (4), as applicable, at the expiration of a term of a member of the board of trustees, if the respective nominating entities and individuals for the respective region described in Subsection (2), (3), or (4), unanimously agree to retain the existing member of the board of trustees, the respective nominating individuals or bodies described in Subsection (2), (3), or (4) are not required to make nominations to the governor, and the governor may reappoint the existing member to the board of trustees.

(8) Each member of the board of trustees of a large public transit district shall serve at the pleasure of the governor.

(9) Subject to Subsections (7) and (8), a board of trustees of a large public transit district that is in place as of February 1, 2019, may remain in place.

(10) The governor shall designate one member of the board of trustees as chair of the

SB0179S04 compared with SB0179S03

board of trustees.

(11) (a) If a vacancy occurs, the nomination and appointment procedures to replace the individual shall occur in the same manner described in Subsection (2), (3), or (4), and, if applicable, Subsection (5), for the respective member of the board of trustees creating the vacancy.

(b) If a vacancy occurs on the board of trustees of a large public transit district, the respective nominating region shall nominate individuals to the governor as described in this section within 60 days after the vacancy occurs.

(c) If the respective nominating region does not nominate to fill the vacancy within 60 days, the governor shall appoint an individual to fill the vacancy.

(d) A replacement board member shall serve for the remainder of the unexpired term, but may serve an unlimited number of terms as provided in Subsection (7)(b).

Section 4. Section **17B-2a-808.1** is amended to read:

17B-2a-808.1. Large public transit district board of trustees powers and duties -- Adoption of ordinances, resolutions, or orders -- Effective date of ordinances.

(1) The powers and duties of a board of trustees of a large public transit district stated in this section are in addition to the powers and duties stated in Section 17B-1-301.

(2) The board of trustees of each large public transit district shall:

(a) hold public meetings and receive public comment;

(b) ensure that the policies, procedures, and management practices established by the public transit district meet state and federal regulatory requirements and federal grantee eligibility;

(c) [~~subject to Subsection (8),~~] create and approve an annual budget, including the issuance of bonds and other financial instruments, after consultation with the local advisory council;

(vi) (A) to a government entity, including any court or law enforcement agency, to fulfill the government entity's functions; or

(B) to a private person acting on behalf of a government entity to fulfill the government entity's functions, if the division determines disclosure of the information is in the interest of public safety.

(2) (a) A person who receives personal identifying information shall be advised by the division that the person may not:

(i) disclose the personal identifying information from that record to any other person;

or

(ii) use the personal identifying information from that record for advertising or solicitation purposes.

(b) Any use of personal identifying information by an insurer or insurance support organization, or by a self-insured entity or its agents, employees, or contractors not authorized by Subsection (1)(b)(ii) is:

(i) an unfair marketing practice under Section 31A-23a-402; or

(ii) an unfair claim settlement practice under Subsection 31A-26-303(3).

(3) (a) Notwithstanding the provisions of Subsection (1)(b), the division or its designee may disclose portions of a driving record, in accordance with this Subsection (3), to:

(i) an insurer as defined under Section 31A-1-301, or a designee of an insurer, for purposes of assessing driving risk on the insurer's current motor vehicle insurance policyholders;

(ii) an employer or a designee of an employer, for purposes of monitoring the driving record and status of current employees who drive as a responsibility of the employee's employment if the requester demonstrates that the requester has obtained the written consent of the individual to whom the information pertains; and

(iii) an employer or the employer's agents to obtain or verify information relating to a holder of a commercial driver license that is required under 49 U.S.C. Chapter 313.

(b) A disclosure under Subsection (3)(a)(i) shall:

(i) include the licensed driver's name, driver license number, date of birth, and an indication of whether the driver has had a moving traffic violation that is a reportable violation, as defined under Section 53-3-102 during the previous month;

(ii) be limited to the records of drivers who, at the time of the disclosure, are covered under a motor vehicle insurance policy of the insurer; and

(iii) be made under a contract with the insurer or a designee of an insurer.

(c) A disclosure under Subsection (3)(a)(ii) or (iii) shall:

(i) include the licensed driver's name, driver license number, date of birth, and an indication of whether the driver has had a moving traffic violation that is a reportable violation, as defined under Section 53-3-102, during the previous month;

(ii) be limited to the records of a current employee of an employer;

(iii) be made under a contract with the employer or a designee of an employer; and

(iv) include an indication of whether the driver has had a change reflected in the driver's:

(A) driving status;

(B) license class;

(C) medical self-certification status; or

(D) medical examiner's certificate under 49 C.F.R. Sec. 391.45.

(d) The contract under Subsection (3)(b)(iii) or (c)(iii) shall specify:

(i) the criteria for searching and compiling the driving records being requested;

(ii) the frequency of the disclosures;

(iii) the format of the disclosures, which may be in bulk electronic form; and

(iv) a reasonable charge for the driving record disclosures under this Subsection (3).

(4) (a) Notwithstanding Subsection (1)(a), the division may provide a "yes" or "no" response to an electronically submitted request to verify information from a driver license or identification card issued by the division if:

(i) the request is made by a private entity operating under the Transportation Security Administration Registered Traveler program;

(ii) the private entity implements the Transportation Security Administration enrollment standards; and

(iii) the program participant:

(A) voluntarily provides the participant's division-issued identification to confirm the participant's identity; and

(B) consents to verification of the participant's name, date of birth, and home address.

72-1-304. Written project prioritization process for new transportation capacity projects -- Rulemaking.

(1) (a) The Transportation Commission, in consultation with the department and the metropolitan planning organizations as defined in Section 72-1-208.5, shall develop a written prioritization process for the prioritization of:

(i) new transportation capacity projects that are or will be part of the state highway system under Chapter 4, Part 1, State Highways;

(ii) paved pedestrian or paved nonmotorized transportation projects described in Section 72-2-124;

(iii) public transit projects that directly add capacity to the public transit systems within the state, not including facilities ancillary to the public transit system; and

(iv) pedestrian or nonmotorized transportation projects that provide connection to a public transit system.

(b) (i) A local government or public transit district may nominate a project for prioritization in accordance with the process established by the commission in rule.

(ii) If a local government or public transit district nominates a project for prioritization by the commission, the local government or public transit district shall provide data and evidence to show that:

(A) the project will advance the purposes and goals described in Section 72-1-211;

(B) for a public transit project, the local government or public transit district has an ongoing funding source for operations and maintenance of the proposed development; and

(C) the local government or public transit district will provide the percentage of the costs for the project as required by Subsection 72-2-124(4)(a)(viii) or 72-2-124(9)(e).

(2) The following shall be included in the written prioritization process under Subsection (1):

SB0179S04 compared with SB0179S03

- (a) a description of how the strategic initiatives of the department adopted under Section 72-1-211 are advanced by the written prioritization process;
 - (b) a definition of the type of projects to which the written prioritization process applies;
 - (c) specification of a weighted criteria system that is used to rank proposed projects and how it will be used to determine which projects will be prioritized;
 - (d) specification of the data that is necessary to apply the weighted ranking criteria; and
 - (e) any other provisions the commission considers appropriate, which may include consideration of:
 - (i) regional and statewide economic development impacts, including improved local access to:
 - (A) employment;
 - (B) educational facilities;
 - (C) recreation;
 - (D) commerce; and
 - (E) residential areas, including moderate income housing as demonstrated in the local government's or public transit district's general plan pursuant to Section 10-9a-403 or 17-27a-403;
 - (ii) the extent to which local land use plans relevant to a project support and accomplish the strategic initiatives adopted under Section 72-1-211; and
 - (iii) any matching funds provided by a political subdivision or public transit district in addition to the percentage of costs required by Subsections 72-2-124(4)(a)(viii) and 72-2-124(9)(e).
- (3) (a) When prioritizing a public transit project that increases capacity, the commission:
- (i) may give priority consideration to projects that are part of a transit-oriented development or transit-supportive development as defined in Section 17B-2a-802; and
 - (ii) shall give priority consideration to projects that are within the boundaries of a housing and transit reinvestment zone created pursuant to Title 63N, Chapter 3, Part 6, Housing and Transit Reinvestment Zone Act.
- (b) When prioritizing a transportation project that increases capacity, the commission

SB0179S04 compared with SB0179S03

may give priority consideration to projects that are:

(i) part of a transportation reinvestment zone created under Section 11-13-227 if:

(A) the state is a participant in the transportation reinvestment zone; or

(B) the commission finds that the transportation reinvestment zone provides a benefit to the state transportation system; or

(ii) within the boundaries of a housing and transit reinvestment zone created pursuant to Title 63N, Chapter 3, Part 6, Housing and Transit Reinvestment Zone Act.

(c) If the department receives a notice of prioritization for a municipality as described in Subsection 10-9a-408(5), or a notice of prioritization for a county as described in Subsection 17-27a-408(5), the commission may give priority consideration to transportation projects that are within the boundaries of the municipality or the unincorporated areas of the county until the department receives notification from the Housing and Community Development Division within the Department of Workforce Services that the municipality or county no longer qualifies for prioritization under this Subsection (3)(c).

(4) In developing the written prioritization process, the commission:

(a) shall seek and consider public comment by holding public meetings at locations throughout the state; and

(b) may not consider local matching dollars as provided under Section 72-2-123 unless the state provides an equal opportunity to raise local matching dollars for state highway improvements within each county.

(5) In accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, the Transportation Commission, in consultation with the department, shall make rules establishing the written prioritization process under Subsection (1).

(6) The commission shall submit the proposed rules under this section to a committee or task force designated by the Legislative Management Committee for review prior to taking final action on the proposed rules or any proposed amendment to the rules described in Subsection (5).

Section ~~16~~18. Section **72-2-124** is amended to read:

72-2-124. Transportation Investment Fund of 2005.

Section ~~{22}~~24. Section **72-5-104** is amended to read:

72-5-104. Public use constituting dedication -- Scope.

(1) As used in this section, "highway," "street," or "road" does not include an area principally used as a parking lot.

(2) A highway is dedicated and abandoned to the use of the public when it has been continuously used as a public thoroughfare for a period of 10 years.

(3) The requirement of continuous use under Subsection (2) is satisfied if the use is as frequent as the public finds convenient or necessary and may be seasonal or follow some other

SB0179S04 compared with SB0179S03

pattern.

(4) Continuous use as a public thoroughfare under Subsection (2) is interrupted when:

(a) the person or entity interrupting the continuous use gives not less than 72 hours advance written notice of the interruption to the highway authority having jurisdiction of the highway, street, or road;

(b) the property owner undertakes an overt act which is intended to interrupt the use of the highway, street, or road as a public thoroughfare; and

(c) the overt act described in Subsection (4)(b) is reasonably calculated to interrupt the regularly established pattern and frequency of public use for the given highway, street, or road for a period of no less than 24 hours.

(5) Installation of gates and posting of no trespassing signs are relevant forms of evidence but are not solely determinative of whether an interruption under Subsection (4) has occurred.

(6) A property owner's interruption under Subsection (4) of a highway, street, or road where the requirement of continuous use under Subsection (2) is not satisfied restarts the running of the 10-year period of continuous use required for dedication under Subsection (2).

(7) (a) The burden of proving dedication under Subsection (2) is on the party asserting the dedication.

(b) The burden of proving interruption under Subsection (4) is on the party asserting the interruption.

(8) (a) The dedication and abandonment creates a right-of-way held by the state or a local highway authority in accordance with Sections 72-3-102, 72-3-103, 72-3-104, 72-3-105, and 72-5-103.

(b) A property owner's interruption under Subsection (4) of a right-of-way claimed by the state or local highway authority in accordance with Subsection (8)(a) or R.S. 2477 has no effect on the validity of the state's or local highway authority's claim to the right-of-way and does not return the right-of-way to the property owner.

(9) The scope of a right-of-way described in Subsection (8)(a) is that which is reasonable and necessary to ensure safe travel according to the facts and circumstances.

(10) The provisions of this section apply to any claim under this section for which a court of competent jurisdiction has not issued a final unappealable judgment or order.

(11) (a) Before a person may file an action in district court to determine or challenge whether a highway, street, or road has been dedicated to the public as described in this section, the person shall first provide 30-day written notice to the relevant highway authority.

(b) In an action described in Subsection (11)(a), the person shall name as a defendant the highway authority that would have jurisdiction over the highway, street, or road.

Section ~~23~~25. Section **72-6-118** is amended to read:

72-6-118. Definitions -- Establishment and operation of tollways -- Imposition and collection of tolls -- Amount of tolls -- Rulemaking.

(1) As used in this section:

(a) "High occupancy toll lane" means a high occupancy vehicle lane designated under Section 41-6a-702 that may be used by an operator of a vehicle carrying less than the number of persons specified for the high occupancy vehicle lane if the operator of the vehicle pays a toll or fee.

(b) "Toll" means any tax, fee, or charge assessed for the specific use of a tollway.

(c) "Toll lane" means a designated new highway or additional lane capacity that is constructed, operated, or maintained for which a toll is charged for its use.

(d) (i) "Tollway" means a highway, highway lane, bridge, path, tunnel, or right-of-way designed and used as a transportation route that is constructed, operated, or maintained through the use of toll revenues.

(ii) "Tollway" includes a high occupancy toll lane and a toll lane.

(e) "Tollway development agreement" has the same meaning as defined in Section 72-6-202.

(2) Subject to the provisions of Subsection (3), the department may:

(a) establish, expand, and operate tollways and related facilities for the purpose of funding in whole or in part the acquisition of right-of-way and the design, construction, reconstruction, operation, enforcement, and maintenance of or impacts from a transportation route for use by the public;

(b) enter into contracts, agreements, licenses, franchises, tollway development agreements, or other arrangements to implement this section;

(c) impose and collect tolls on any tollway established under this section, including collection of past due payment of a toll or penalty;

SB0179S04 compared with SB0179S03

(d) grant exclusive or nonexclusive rights to a private entity to impose and collect tolls pursuant to the terms and conditions of a tollway development agreement;

(e) use technology to automatically monitor a tollway and collect payment of a toll, including:

(i) license plate reading technology; and

(ii) photographic or video recording technology; and

(f) in accordance with Subsection (5), request that the Division of Motor Vehicles deny a request for registration of a motor vehicle if the motor vehicle owner has failed to pay a toll or penalty imposed for usage of a tollway involving the motor vehicle for which registration renewal has been requested.

(3) (a) The department may establish or operate a tollway on an existing highway if approved by the commission in accordance with the terms of this section.

(b) To establish a tollway on an existing highway, the department shall submit a proposal to the commission including:

(i) a description of the tollway project;

(ii) projected traffic on the tollway;

(iii) the anticipated amount of the toll to be charged; and

(iv) projected toll revenue.

(4) (a) For a tollway established under this section, the department may:

(i) according to the terms of each tollway, impose the toll upon the owner of a motor vehicle using the tollway according to the terms of the tollway;

(ii) send correspondence to the owner of the motor vehicle to inform the owner of:

(A) an unpaid toll and the amount of the toll to be paid to the department;

(B) the penalty for failure to pay the toll timely; and

(C) a hold being placed on the owner's registration for the motor vehicle if the toll and penalty are not paid timely, which would prevent the renewal of the motor vehicle's registration;

(iii) require that the owner of the motor vehicle pay the toll to the department within 30 days of the date when the department sends written notice of the toll to the owner; and

(iv) impose a penalty for failure to pay a toll timely.

(b) The department shall mail the correspondence and notice described in Subsection

SB0179S04 compared with SB0179S03

(4)(a) to the owner of the motor vehicle according to the terms of a tollway.

(5) (a) The Division of Motor Vehicles and the department shall share and provide access to information pertaining to a motor vehicle and tollway enforcement including:

(i) registration and ownership information pertaining to a motor vehicle;

(ii) information regarding the failure of a motor vehicle owner to timely pay a toll or penalty imposed under this section; and

(iii) the status of a request for a hold on the registration of a motor vehicle.

(b) If the department requests a hold on the registration in accordance with this section, the Division of Motor Vehicles may not renew the registration of a motor vehicle under Title 41, Chapter 1a, Part 2, Registration, if the owner of the motor vehicle has failed to pay a toll or penalty imposed under this section for usage of a tollway involving the motor vehicle for which registration renewal has been requested until the department withdraws the hold request.

(6) (a) Except as provided in Subsection (6)(b), in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, the commission shall:

(i) set the amount of any toll imposed or collected on a tollway on a state highway; and

(ii) for tolls established under Subsection (6)(b), set:

(A) an increase in a toll rate or user fee above an increase specified in a tollway development agreement; or

(B) an increase in a toll rate or user fee above a maximum toll rate specified in a tollway development agreement.

(b) A toll or user fee and an increase to a toll or user fee imposed or collected on a tollway on a state highway that is the subject of a tollway development agreement shall be set in the tollway development agreement.

(7) (a) In accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, the department shall make rules:

(i) necessary to establish and operate tollways on state highways;

(ii) that establish standards and specifications for automatic tolling systems and automatic tollway monitoring technology; and

(iii) to set the amount of a penalty for failure to pay a toll under this section.

(b) The rules shall:

(i) include minimum criteria for having a tollway; and

SB0179S04 compared with SB0179S03

(ii) conform to regional and national standards for automatic tolling.

(8) (a) The commission may provide funds for public or private tollway pilot projects or high occupancy toll lanes from General Fund money appropriated by the Legislature to the commission for that purpose.

(b) The commission may determine priorities and funding levels for tollways designated under this section.

(9) (a) Except as provided in Subsection (9)(b), all revenue generated from a tollway on a state highway shall be deposited into the Tollway Special Revenue Fund created in Section 72-2-120 and used for any state transportation purpose.

(b) Revenue generated from a tollway that is the subject of a tollway development agreement shall be deposited into the Tollway Special Revenue Fund and used in accordance with Subsection (9)(a) unless:

(i) the revenue is to a private entity through the tollway development agreement; or

(ii) the revenue is identified for a different purpose under the tollway development agreement.

(10) Data described in Subsection (2)(e) obtained for the purposes of this section:

(a) in accordance with Section 63G-2-305, is a protected record under Title 63G, Chapter 2, Government Records Access and Management Act, if the photographic or video data is maintained by a governmental entity;

(b) may not be used or shared for any purpose other than the purposes described in this section;

(c) may only be preserved:

(i) so long as necessary to collect the payment of a toll or penalty imposed in accordance with this section; or

(ii) pursuant to a warrant issued under the Utah Rules of Criminal Procedure or an equivalent federal warrant; and

(d) may only be disclosed:

(i) in accordance with the disclosure requirements for a protected record under Section 63G-2-202; or

(ii) pursuant to a warrant issued under the Utah Rules of Criminal Procedure or an equivalent federal warrant.

SB0179S04 compared with SB0179S03

(11) (a) The department may not sell for any purpose photographic or video data captured under Subsection (2)(e)(ii).

(b) The department may not share captured photographic or video data for a purpose not authorized under this section.

~~[(12) Before November 1, 2018, the Driver License Division, the Division of Motor Vehicles, and the department shall jointly study and report findings and recommendations to the Transportation Interim Committee regarding the use of Title 53, Chapter 3, Part 6, Drivers' License Compact, and other methods to collect a toll or penalty under this section from:]~~

~~[(a) an owner of a motor vehicle registered outside this state; or]~~

~~[(b) a driver or lessee of a motor vehicle leased or rented for 30 days or less:]~~

Section ~~{24}~~26. Section **72-6-121** is amended to read:

72-6-121. Clean fuel vehicle decal.

(1) Subject to the requirements of this section, the department shall issue a clean fuel vehicle decal permit and a clean fuel vehicle decal to an applicant if:

(a) the applicant is an owner of a vehicle:

(i) powered by clean fuel that meets the standards established by the department in rules authorized under Subsection 41-6a-702(5)(b); and

(ii) that is registered in the state of Utah;

(b) the applicant remits an application and all fees required under this section; and

(c) the department has clean fuel vehicle decals available subject to the limits established by the department in accordance with Subsection 41-6a-702(5)(b).

(2) The department shall establish the clean fuel vehicle decal design in consultation with the Utah Highway Patrol.

(3) (a) An applicant for a clean fuel vehicle decal shall pay a clean fuel vehicle decal fee established by the department in accordance with Section 63J-1-504.

(b) Funds generated by the clean fuel vehicle decal fee may be used by the department to cover the costs incurred in issuing clean fuel vehicle decals under this section.

(4) (a) The department shall issue a clean fuel vehicle decal permit and a clean fuel vehicle decal to a person who has been issued a clean fuel special group license plate prior to July 1, 2011.

(b) A person who applies to the department to receive a clean fuel vehicle decal permit

SB0179S04 compared with SB0179S03

and a clean fuel vehicle decal under Subsection (4)(a) is not subject to the fee imposed under Subsection (3).

(5) (a) An owner of a vehicle may not place a clean fuel vehicle decal on a vehicle other than the vehicle specified in the application for the clean fuel vehicle decal permit and the clean fuel vehicle decal.

(b) An owner of a vehicle issued a clean fuel vehicle permit and clean fuel vehicle decal is not required to place the clean fuel vehicle decal on the vehicle specified to drive in the high occupancy lane described in Subsection 41-6a-702(5).

(c) A person operating a motor vehicle that has been issued a clean fuel vehicle decal shall:

(i) in a manner consistent with Section 41-6a-1635, install on the windshield of the motor vehicle the clean vehicle transponder issued by the department;

~~(ii)~~ (ii) have in the person's immediate possession the clean fuel vehicle decal permit issued by the department for the motor vehicle the person is operating; and

~~(iii)~~ (iii) present the permit upon demand of a peace officer.

(6) In accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, the department shall make rules to administer the clean fuel vehicle decal program authorized in this section.

Section ~~25~~27. Section **72-7-111** is enacted to read:

72-7-111. Storage of flammable, explosive, or combustible materials prohibited.

(1) As used in this section:

(a) "Combustible" means a material capable of producing a usually rapid chemical process that creates heat and usually light.

(b) "Explosive" means any chemical compound mixture, or device, the primary or common purpose of which is to function by explosion.

(c) "Flammable" means a material capable of being easily ignited and burning quickly.

(2) A person may not keep, store, or stockpile any flammable, explosive, or combustible material above ground directly beneath a bridge, overpass, viaduct, or tunnel owned or operated by a highway authority or large public transit district.

(3) A person who violates Subsection (2) is guilty of a class B misdemeanor.

Section ~~26~~28. Section **72-10-203.5** is amended to read:

SB0179S04 compared with SB0179S03

72-10-203.5. Advisory boards of airports and extraterritorial airports.

(1) For purposes of this section:

(a) "Airport owner" means the municipality, county, or airport authority that owns one or more airports.

(b) "Extraterritorial airport" means an airport, including the airport facilities, real estate, or other assets related to the operation of an airport, outside the municipality or county and within the boundary of a different municipality or county.

(2) (a) If an airport owner that owns an international airport also owns one or more extraterritorial airports, the airport owner shall create and maintain an advisory board as described in this section.

(b) The advisory board shall advise and consult the airport owner according to the process set forth in ordinance, rule, or regulation of the airport owner.

(3) (a) An advisory board described in Subsection (2) shall consist of 11 members, appointed as follows:

(i) one individual from each municipality or county in which an extraterritorial airport is located, appointed:

(A) according to an ordinance or policy in place in each municipality or county for appointing individuals to a board, if any; or

(B) if no ordinance or policy described in Subsection (3)(a)(i)(A) exists, by the chief executive officer of the municipality or county, with advice and consent from the legislative body of the municipality or county in which the extraterritorial airport is located; and

(ii) as many individuals as necessary, appointed by the chief executive officer of the airport owner, with advice and consent from the legislative body of the airport owner, when added to the individuals appointed under Subsection (3)(a)(i), to equal 11 total members on the advisory board.

(b) The airport owner shall ensure that members of the advisory board have the following qualifications:

(i) at least one member with experience in commercial or industrial construction projects with a budget of at least \$10,000,000; and

(ii) at least one member with experience in management and oversight of an entity with an operating budget of at least \$10,000,000.

SB0179S04 compared with SB0179S03

(4) (a) (i) Except as provided in [~~Subsections (4)(b) and (6)(b)~~] Subsection (4)(b), the term of office for members of the advisory board shall be four years or until a successor is appointed, qualified, seated, and has taken the oath of office.

(ii) A member of the advisory board may serve two terms.

(b) When a vacancy occurs on the board for any reason, the replacement shall be appointed according to the procedures set forth in Subsection (3) for the member who vacated the seat, and the replacement shall serve for the remainder of the unexpired term.

(5) The advisory board shall select a chair of the advisory board.

~~[(6)(a) For an airport owner that owns and operates an extraterritorial airport as of March 9, 2017, that has an advisory board in place, the members of the advisory board may complete the member's respective current term on the advisory board.]~~

~~[(b) After March 9, 2017, and upon expiration of the current term of each member of the advisory board serving as of March 9, 2017, the airport owner shall ensure that the membership of the advisory board transitions to reflect the requirements of this section.]~~

~~[(7)]~~ (6) (a) The chief executive officer of each municipality or county in which an extraterritorial airport is located, with the advice and consent of the respective legislative body of the municipality or county, may create an extraterritorial airport advisory board to represent the interests of the extraterritorial airport.

(b) The extraterritorial airport advisory boards described in Subsection [~~(7)(a)~~] (6)(a) shall meet at least quarterly, and:

(i) shall provide advisory support to the member of the advisory board representing the municipality or county; and

(ii) may advise in the request for proposals process of a fixed base operator for the respective extraterritorial airport.

~~[(8)]~~ (7) The airport owner, in consultation with the airport advisory board, shall, consistent with the requirements of federal law, study, produce an analysis, and advise regarding the highest and best use and operational strategy for each airport, including all lands, facilities, and assets owned by the airport owner.

~~[(9)]~~ (8) An airport owner, in consultation with the county auditor and the county assessor of a county in which an extraterritorial airport is located, shall explore in good faith whether a municipality or county where an extraterritorial airport is located receives

SB0179S04 compared with SB0179S03

airport-related tax disbursements to which the municipality or county is entitled.

~~[(10)]~~ (9) An airport owner shall report annually to the Transportation Interim Committee regarding the requirements in this section.

Section ~~{27}~~29. Section **72-10-205.5** is amended to read:

72-10-205.5. Abandoned aircraft on airport property -- Seizure and disposal.

(1) (a) As used in this section, "abandoned aircraft" means an aircraft that:

- (i) remains in an idle state on airport property for 45 consecutive calendar days;
- (ii) is in a wrecked, inoperative, derelict, or partially dismantled condition; and
- (iii) is not in the process of actively being repaired.

(b) "Abandoned aircraft" does not include an aircraft:

(i) (A) that has current FAA registration; and

~~[(ii)]~~ (B) that has current state registration; or

~~[(iii)]~~ (ii) for which evidence is shown indicating repairs are in process, including:

(A) receipts for parts and labor; or

(B) a statement from a mechanic making the repairs.

(2) An airport operator may take possession and dispose of an abandoned aircraft in accordance with Subsections (3) through (5).

(3) Upon determining that an aircraft located on airport property is abandoned, the airport operator shall:

(a) send, by registered mail, a notice containing the information described in Subsection (4) to the last known address of the last registered owner of the aircraft; and

(b) publish a notice containing the information described in Subsection (4) in a newspaper of general circulation in the county where the airport is located if:

(i) the owner or the address of the owner of the aircraft is unknown; or

(ii) the mailed notice is returned to the airport operator without a forwarding address.

(4) The notice described in Subsection (3) shall include:

(a) the name, if known, and the last known address, if any, of the last registered owner of the aircraft;

(b) a description of the aircraft, including the identification number, the location of the aircraft, and the date the aircraft is determined abandoned;

(c) a statement describing the specific grounds for the determination that the aircraft is

SB0179S04 compared with SB0179S03

abandoned;

(d) the amount of any accrued or unpaid airport charges; and

(e) a statement indicating that the airport operator intends to take possession and dispose of the aircraft if the owner of the aircraft fails to remove the aircraft from airport property, after payment in full of any charges described in Subsection (4)(d), within the later of:

(i) 30 days after the day on which the notice is sent in accordance with Subsection (3)(a); or

(ii) 30 days after the day on which the notice is published in accordance with Subsection (3)(b), if applicable.

(5) If the owner of the abandoned aircraft fails to remove the aircraft from airport property, after payment in full of any charges described in Subsection (4)(d), within the time specified in Subsection (4)(e):

(a) the abandoned aircraft becomes the property of the airport operator; and

(b) the airport operator may dispose of the abandoned aircraft:

(i) in the manner provided in Title 63A, Chapter 2, Part 4, Surplus Property Service; or

(ii) in accordance with any other lawful method or procedure established by rule or ordinance adopted by the airport operator.

(6) If an airport operator complies with the provisions of this section, the airport operator is immune from liability for the seizure and disposal of an abandoned aircraft in accordance with this section.
