Representative **Val L. Peterson** proposes the following amendments:

1. Page 65, Line 2431:

After line 2431 insert:

"The Legislature intends that the Department of Health and Human Services (department) study and evaluate what constitutes a substantially similar service under Subsection 26B-3-203(4)(a). In undertaking the study and evaluation, the Legislature intends that the department evaluate whether diagnosis and treatment services under the Diagnostic and Statistical Manual of Mental Disorders, Fifth Edition (DSM-5), including applied behavioral analysis, are substantially similar to diagnosis and treatment services under an Accountable Care Organization or behavioral health plan. The department shall include community stakeholders in its evaluation that have substantial knowledge of behavioral health codes under current procedural terminology and descriptions issued by the American Medical Association and the Centers for Medicare & Medicaid Services. The department shall submit a report on the results of the study and evaluation to the Health and Human Services Interim Committee by September 30, 2024."
