

1st Sub. H.B. 0405
PUBLIC HEALTH AMENDMENTS

Senator **Jen Plumb** proposes the following amendments:

1. *Page 9, Line 270 through Page 10, Line 277d:*

- 270 (2) "Dangerous public health condition" means any of the following:
- 271 (a) cholera;
- 272 (b) pneumonic plague;
- 273 (c) severe acute respiratory syndrome;
- 274 (d) smallpox;
- 275 (e) tuberculosis;
- 276 (f) any viral hemorrhagic fever; $\hat{S}\rightarrow$ [and] {~~or~~} $\leftarrow\hat{S}$
- 277 (g) $\hat{H}\rightarrow$ [yellow fever] measles; or
- (h) any infection:
- 277a (i) that is new, drug resistant, or reemerging;
- 277b (ii) that evidence suggests is likely to cause either high mortality or morbidity; and
- 277c (iii) only if the $\hat{S}\rightarrow$ [~~chief executive officer of the relevant county~~] relevant legislative body
- 277c1 of the county where the infection is located $\leftarrow\hat{S}$ approves as needing
- 277d containment; $\leftarrow\hat{H}$.
